*Blood, Body and Soul* Tamy Burnett, AmiJo Comeford, 2022-04-01 The ever popular Whedonverse television shows Buffy the Vampire Slayer Angel Firefly and Dollhouse have inspired hundreds of articles and dozens of books Curiously the focus of much of the scholarship invokes philosophical ethical metaphysical and other cerebral perspectives Yet these shows are action adventure shows telling stories through physical bodies of many varied and unique forms Characters fight and die suffer grave injuries and traumas and are physically transformed Their bodies bear the brunt of their battles against evil corruption and injustice Through 17 insightful and captivating essays this collection centers the physical spectacle of these televisual series Chapters examine how both disabled and super powered individuals navigate their differing levels of ability how the practice of medicine and medical practitioners are represented and how wellness is understood and depicted both physically and mentally Other essays focus on storylines involving specific body parts the intersection of literal and metaphorical trauma and the processes of recovery from injury illness and impairment Each author offers a unique and thought provoking analysis in an area previously under explored or altogether missing from existing scholarship on the Whedonverse

**Blood Relations** Jes Battis, 2015-01-27 The television series Buffy and Angel revolve around radical conceptions of family Indeed their coherence depends on the establishment of nontraditional families that admit vampires demons witches werewolves and other bizarre characters without censuring them for their peculiarities This work argues that what makes these characters enduring and engaging is their critical family connections for their most involved struggles occur not within the graveyard but around the dinner table just as the most challenging adversarial forces that they must face are not demons or vampires but the stuff of everyday life What does family encompass within these two series How does it relate to concepts of gender sexuality power and the supernatural as they emerge from the shows complex narratives This book explores such questions It also examines the chosen family an idea marketed specifically by successful programs such as Friends and Sex in the City within the past ten years juxtaposing it against various images of the fractured biological family displayed in both Buffy and Angel Through eight chapters addressing various family related aspects within both shows this work plots the trajectory of this unstable notion of family even as it is transformed remediated and rendered unrecognizable from a family values perspective by the unique and supernatural relationships that proliferate in Buffy and Angel

**Blood Rain** Barry Smith, 2008-12-04 On a rainy San Francisco November day a brutal murder and a missing document take David Moore away from his duties as co owner and private investigator of Rothmore Securities McCloud College a long respected city institution is under an attack that threatens its existence The San Francisco Police reluctantly work with Moore a former colleague to identify who is killing faculty members A lovely widow a mousey professor with a gun a well connected and handsome college president a deadly chief of campus security and a rogue priest quickly pull him into a storm as violent as the one battering the Northern California coast When a recently fired faculty member is murdered Moore

turns to an unlikely ally for help She is a seductive department secretary whose need for thrills drives her into the arms of some very dangerous company Moore must also fight against the knowledge that the lovely widow has some damning marks against her not the least of which is his growing fondness for her He hasn't much time to solve this puzzle because two hired killers want the same lost document and guess correctly that he knows where it is Willow Linda Lael Miller, 2023-02-21 Newly married Willow Gallagher is torn between the fiery passion she feels for her husband railroad baron Gideon Marshall and loyalty to her outlaw brother Steven after she realizes Gideon is on a mission to capture her brother Shadowless Randall McNally, 2017-12-08 What if the gods themselves wanted you dead A young boy lies on a beach on a warm summer's day While trying to block the sun from his eyes Arpherieus makes a shocking discovery he has no shadow Confused and bewildered he asks his uncle why he is shadowless What he learns is a terrifying secret that will change his life forever Set in the Northern Realms Shadowless is a fantasy novel about individuals born without a shadow Spawned by the malevolent deities of this world these children of the gods are persecuted at every turn Hunted by the high priests who carry out the wishes of their gods hunted by the Shadow Watchers armed soldiers who are assigned to each temple and hunted by the gods themselves Part mortal and part god the Shadowless live for centuries and face a battle for survival constantly on the run or hiding in far flung corners of the Northern Realms Soon their lives and fates become intertwined expedited by the mysterious monk Amrodan Driven by a series of visions Amrodan travels through the Northern Realms seeking out the Shadowless and trying to enlist their help to take a stand and fight back against the gods **Sister, Sister** Jess Bright, 2015-07-02 My life has been turned upside down inside out and totally shaken about In the last week I've learnt my mum's been keeping a MEGA secret from me MY WHOLE ENTIRE LIFE my dad is a famous novelist I have a sister I never knew about who's really sick and I'm the last chance she has of getting better I'm trying to pretend to everyone and even myself that I'm OK with it all but really I don't think I am Is Willow brave enough to save the sister she's never known and open up her world to a whole new family The stakes are high but Willow will discover that the rewards are even greater A fresh story of family and friendship told with humour and frankness *New York Magazine*, 1988-06-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Wolf and the Willow Robert Downes, 2025-01-14 Brimming with adventure romance and the peaks and valleys of the human spirit The Wolf and The Willow is a historical novel of first contact between Indigenous peoples and Spanish conquistadors The book is the prequel to Windigo Moon Robert Downes's 2017 novel of the Anishinaabek Willow a house slave of Black and Arab descent is swept into the 1528 expedition of conquistador Panfilo de Narvaez who hoped to colonize Florida and find native cities brimming with
