

BLOODY SUNDAY

AND THE RULE OF LAW
IN NORTHERN IRELAND

DERMOT P. J. WALSH

Bloody Sunday And The Rule Of Law In Northern Ireland

United States. Congress

Bloody Sunday And The Rule Of Law In Northern Ireland:

Bloody Sunday and the Rule of Law in Northern Ireland D. Walsh, 2000-03-01 Drawing on original research into explosive evidence which had been concealed for twenty five years this book offers a devastating critique of the official Widgery Inquiry into the massacre of innocent and unarmed civilians by British soldiers on Bloody Sunday It exposes the Inquiry as a gross denial of justice and the rule of law Expert analysis of the subordination of law to security policy in Northern Ireland reveals that the Bloody Sunday experience is an integral part of a sustained pattern Belated prospects for a restoration of justice and the rule of law are found in the Good Friday Peace Agreement and the unprecedented establishment of a second Tribunal of Inquiry into Bloody Sunday

Counterinsurgency and Collusion in Northern Ireland Mark McGovern, 2019-03-20 Collusion by British state forces in killings perpetrated by loyalist paramilitaries was a dubious hallmark of the dirty war in the north of Ireland Now more than twenty years since the Good Friday Agreement the story of collusion remains one of the most enduring and contentious legacies of the conflict a shadow that trails British counterinsurgency to this day Here Mark McGovern turns back the clock to the late 1980s and early 90s the endgame of the Troubles and a period defined by a rash of state sanctioned paramilitary killings Drawing on previously unpublished evidence and original testimony from victims families and eyewitnesses he examines several dozen killings of republicans that took place in the Mid Ulster area and the impact on their families and communities Placing these accounts within a wider critical analysis of the nature of British counterinsurgency and the state use of agents and informers McGovern paints a damning picture of covert deniable and unlawful violence

The European Convention on Human Rights and the Conflict in Northern Ireland Brice Dickson, 2012-03-15 This book provides the first comprehensive account of the role played by the European Convention on Human Rights during the conflict in Northern Ireland from 1968 Brice Dickson studies the effectiveness of the Convention in protecting human rights in a society wracked by terrorism and deep political conflict detailing the numerous applications lodged at Strasbourg relating to the conflict and considering how they were dealt with by the enforcement bodies The book illustrates the limitations inherent in the Convention system but also demonstrates how the European Commission and Court of Human Rights gradually developed a more interventionist approach to the applications emanating from Northern Ireland In turn this allowed the Convention to become a more secure guarantor of basic rights and freedoms during times of extreme civil unrest and political turmoil elsewhere in Europe The topics examined include the right to life the right not to be ill treated the right to liberty the right to a fair trial the right to a private life the right to freedom of belief the right to freedom of expression the right to freedom of assembly and the right not to be discriminated against The book argues that while eventually the European Court did use the applications from Northern Ireland to establish important human rights principles their development was slow and arduous and some gaps in protection still remain The book illustrates the limits of the European Convention as a tool for protecting human rights in times of crisis

Memory, Politics and Identity C. McGrattan, 2012-10-10 The question of how to move beyond contentious pasts exercises societies across the globe Focusing on Northern Ireland this book examines how historical injustices continue to haunt contemporary lives and how institutional and juridical approaches to dealing with the past often give way to a silencing consensus or re marginalising victims

Uncivil War Huw Bennett, 2023-10-05 Reveals the full story of the British army's role in the most violent phase of the Troubles

The Legal Protection of Human Rights Tom Campbell, Keith D. Ewing, Adam Tomkins, 2011 The value and legitimacy of using courts to limit the powers of governments in the domain of human rights is a significant ongoing debate This book provides a critical review that explores the alternative means for protecting and promoting human rights This group of twenty four leading human rights scholars from around the world present a variety of perspectives on the disappointing human rights outcomes of recent institutional developments and consider the prospects of reviving the moral force and political implications of human rights values

Counter-Terrorism Ana Salinas de Frías, Katja Samuel, Nigel White, Nigel D. White, 2012-01-19 The response of governments to terrorism is one of the most controversial issues of the twenty first century Balancing the desire to achieve security with the safeguarding of human rights has proved to be highly contentious This book analyzes the international rule of law framework in which counter terrorism responses occur namely those of international human rights humanitarian criminal and refugee law It focuses on some of the most pressing emerging and or under researched issues and tensions including the policy choices associated with meeting security imperatives the tensions between the criminal justice approach to counter terrorism and the military approach the identification of lacunae within existing legal frameworks and tensions between executive judicial and legislative responses It addresses a wide range of issues such as an analysis of key legal principles emergency and executive measures radicalization governmental impunity classification administration and treatment of battlefield detainees extrajudicial and targeted killings forms of and treatment in detention non refoulement diplomatic assurances interrogation versus torture extraordinary rendition discrimination reparations for victims of terrorist attacks and security responses mis use of military and immigration tribunals judicial and institutional developed and emerging rule of law norms on terrorism non judicial oversight by means of democratic accountability significance of rule of law principles to non legal counter terrorist policy and the identification and analysis of best practices Drawing together an impressive spectrum of legal and non legal national and institutional practitioner policy and academic expertise this book is an unmissable reference work on all aspects of counter terrorism policy

Truth Commissions and Courts William A. Schabas, Shane Darcy, 2007-10-12 Criminal justice for human rights abuses committed during periods of political repression or dictatorship is one of the great challenges to post conflict societies In many cases there has been no justice at all Sometimes serious political concerns that efforts at accountability might upset fragile peace settlements have militated in favour of no action and no accountability In many cases the outgoing tyrants have conditioned their departure upon a pledge that there be no prosecutions But thinking on

these issues has evolved considerably in recent years Largely driven by the view that collective amnesia amounts to a violation of fundamental human rights especially those of the victims of atrocities attention has increasingly turned to the dynamics of post conflict accountability At the high end of the range of course sit the new international criminal justice institutions the ad hoc tribunals for the former Yugoslavia and Rwanda the Special Court for Sierra Leone the various hybrid tribunals in Kosovo East Timor and Cambodia and the new International Criminal Court But in terms of sheer numbers the most significant new institutions are truth and reconciliation commissions Of variable architecture depending upon the prerogatives of the society in question and the features of the past conflict they have emerged as a highly popular mechanism within the toolbox of transitional justice In some cases the truth commission is held out as an alternative to criminal justice

Armed Struggle Richard English, 2005 Looks at the history of the Irish Republican Army from the 1916 Easter Rising until the present day discussing such topics as the IRA's core beliefs and philosophy the partition of Ireland and the split of the IRA

Terrorism and the Law Clive Walker, 2011-03-03 Terrorism law and legal practice has been politically and socially controversial to a degree beyond almost any other legal issue during the past few years and this analytical text contains extensive analysis of these controversies Terrorism and the Law offers a thoughtful and up to date discussion of all the key materials on terrorism law It provides comprehensive coverage of all the major domestic European and international laws and their impact on the UK It also contains an extensive examination of the implementation of these terrorism laws and of the practical issues they raise The book contains three Parts Part I focuses on meanings of terrorism in law and political science It provides the reader with an understanding of the phenomenon and the legal concept including its statutory definitions which is essential to the book's assessment of the strategies and tactics adopted in the codes of laws It also covers normative constraints such as human rights Part II focuses on the United Kingdom law It provides extensive coverage of the major UK terrorism legislation such as the Terrorism Act 2000 the Anti Terrorism Crime and Security Act 2001 the Prevention of Terrorism Act 2005 the Terrorism Act 2006 the Terrorism Northern Ireland Act 2006 the Justice and Security Northern Ireland Act 2007 and the Counter Terrorism Act 2008 It also examines the key laws and rules relating to terrorism policing and legal processes It discusses the meaning of these legislative materials as well as their implementation and includes reference to case law and practice statements from the police and courts Part III reflects the impact of European international and transnational laws and practices covering international transnational cooperation and extradition key European Union law measures against terrorism other international law measures against terrorist activities and international human rights and terrorism

Reconciliation, Civil Society, and the Politics of Memory Birgit Schwellung, 2014-10-15 How did civil society function as a locus for reconciliation initiatives since the beginning of the 20th century The essays in this volume challenge the conventional understanding of reconciliation as a benign state driven process They explore how a range of civil society actors from Turkish intellectuals apologizing for the Armenian Genocide to

religious organizations working towards the improvement of Franco German relations have confronted and coped with the past These studies offer a critical perspective on local and transnational reconciliation acts by questioning the extent to which speech became an alternative to silence remembrance to forgetting engagement to oblivion The Politics of Cultural Memory Jim Aulich, Lucy Burke, Simon Faulkner, 2020-05-15 This edited collection explores the political dimensions of cultural memory work in its varied forms of representation from public monuments to literary texts Addressing the different ways that cultural texts represent the past in the present the collection demonstrates that cultural memory is something actively made the site of a struggle over meanings that can serve a range of political and cultural purposes The collection offers essays that discuss the politics of cultural memory both in theory and in practice and features work by some of the leading scholars in the field including Susannah Radstone Graham Dawson Felicity Collins and Therese Davis Contributors explore the ways in which memory comes to be articulated through particular cultural practices from film and photography to literature and public monuments all of which have their own codes and conventions modes of address and audiences As such this volume brings together scholars working in a range of disciplines literary studies history art history film studies and in so doing seeks to establish a dialogue between different disciplines and methodologies and to explore cultural memory work in a range of different intellectual fields cultural forms and political and historical contexts for instance the Holocaust Northern Ireland Australia Palestine and the former Soviet Bloc The collection will be of interest to students researchers and scholars working in the area of cultural memory studies for whom it will represent an invaluable collection of current work in the field It will also interest scholars working in the particular areas with which it engages for instance postcolonial studies Holocaust studies Eastern European Studies Irish Studies Art History and English Studies *Brutality in an Age of Human Rights* Brian Drohan, 2018-01-15 Introduction counterinsurgency and human rights in the post 1945 world A lawyers war emergency legislation and the Cyprus Bar Council The shadow of Strasbourg international advocacy and Britain s response Hunger war humanitarian rights and the Radfan campaign This unhappy affair investigating torture in Aden A more talkative place Northern Ireland **The SAGE Encyclopedia of Terrorism, Second Edition** Gus Martin, 2011-06-15 This thoroughly updated edition with expanded coverage explores the impact of terrorism on economics public health religion and pop culture and also includes details of ethical issues and debates relating to terrorism **Routledge Companion to UK Counter Terrorism** Andrew Staniforth, 2013 The United Kingdom has long been an island under siege from terrorists who believe they can advance their aims through acts of violence Protecting the public from the excesses of extremism remains the primary responsibility of government For over a century Special Branch MI5 and MI6 have prevented terrorist atrocities and have pursued those who wish to destroy the United Kingdom s free and democratic way of life Yet despite developing one of the world s most sophisticated security architectures successful terrorist attacks have occurred with alarming regularity For the very first time this new volume explores the evolution of counter terrorism practice in the United Kingdom

brought to life with dramatic case studies and personal insider accounts provided by leading policy makers prosecutors and counter terrorism practitioners who openly reveal the challenges and operational reality of countering contemporary terrorist threats From the troubles in Northern Ireland to the al Qaeda inspired genre of international terrorism this volume plots the trajectory of counter terrorism policy and practice exploring the events that have served to change the course of civil protection This unique title is enriched by leading academic perspectives providing analysis of counter terrorism responses and identifies lessons to be learned from the past the present as well as exploring the terrorist threats of the future to be tackled by the next generation of counter terrorism practitioners This accessible and authoritative volume is required reading for all in authority and academia who are concerned with national security counter terrorism and the law as well as those with a vested interest in the preservation of human rights the protection of civil liberties and democracy itself

Congressional Record United States. Congress,1998 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

Surveillance or Security? Susan Landau,2011-01-28 How in the name of greater security our current electronic surveillance policies are creating major security risks Digital communications are the lifeblood of modern society We meet up online tweet our reactions millions of times a day connect through social networking rather than in person Large portions of business and commerce have moved to the Web and much of our critical infrastructure including the electric power grid is controlled online This reliance on information systems leaves us highly exposed and vulnerable to cyberattack Despite this U S law enforcement and national security policy remain firmly focused on wiretapping and surveillance But as cybersecurity expert Susan Landau argues in Surveillance or Security the old surveillance paradigms do not easily fit the new technologies By embedding eavesdropping mechanisms into communication technology itself we are building tools that could be turned against us and opting for short term security and creating dangerous long term risks How can we get communications security right Landau offers a set of principles to govern wiretapping policy that will allow us to protect our national security as well as our freedom

Public Law John Stanton,Craig Prescott,2020 With its fresh modern approach and unique combination of practical application and theoretically critical discussion Public Law guides students to a clear understanding of not only the fundamental principles of the subject but how they are relevant in everyday life *Human Rights: 21st Century* Angela Hegarty,1999-07-02 This book brings together established and emerging human rights scholars practitioners and activists to propose a human rights agenda for the 21st century It fuses solid academic research specialist knowledge and practical experience of human rights issues and problems to present a coherent and thought provoking exploration of the new and emergent themes in this exciting area It will be of particular interest to human rights specialists in the academic

voluntary and public sectors and will be of particular use to those teaching graduate and undergraduate programmes in human rights Forewor *Text & Presentation, 2009* Kiki Gounaridou, 2010-03-16 Text Presentation is an annual publication devoted to all aspects of theatre scholarship It represents a selection of the best research presented at the international interdisciplinary Comparative Drama Conference This edition includes papers from the 33rd annual conference held in Los Angeles California Topics covered include Bernard Shaw s use of gardens and libraries in Widowers Houses Northern Ireland emergency law in Brian Friel s The Freedom of the City cannibalism and surrogation in Hamletmachine Sergei Eisenstein s and Charlie Chaplin s use of the montage of attraction and adaptations of classic Greek tragedy in Mexico and Taiwan among other topics
