A near obsessive pursuit of ghost stories and odd superstitions cranks up this serious study of Appalachian tales of the supernatural and their origin in both old world customs and real historical events An effort to preserve and record one aspect of a dying way of life the book relies on interviews and historic documents to search for the facts behind local lore of murder witchcraft and weird hauntings Several campfire worthy ghost stories are recounted in their entirety including The Swinging Gate of Fern Lake Hollow and an unexpectedly large number of stories about aliens and UFOs provide an interesting comparison of three century old mysteries and those stirred up in comparatively recent times **Harlan Miners Speak** Members of the National Committee for the Defense, 2014-10-17 The Dreiser Committee including writers Theodore Dreiser John Dos Passos and Sherwood Anderson investigated the desperate situation of striking Kentucky miners in November 1931 When the Communist led National Miners Union competed against the more conservative United Mine Workers of America for greater union membership class resentment turned to warfare Harlan Miners Speak originally published in 1932 is an invaluable record that illustrates the living and working conditions of the miners during the 1930s This edition of Harlan Miners Speak with a new introduction by noted historian John C Hennen offers readers an in depth look at a pivotal crisis in the complex history of this controversial form of energy production **The Methodist Magazine** ,1820 **Kentucky Legends and Lore** Alan Brown, 2021 Kentucky is known primarily for horse racing bourbon and fried chicken but the Dark and Bloody Ground has a mysterious side as well Kentuckians talk about their own Hillbilly Beast believed to have frightened campers at Mammoth Cave National Park The gnarled and twisted Witches Tree is a favorite on Louisville ghost tours Kentucky s UFO incidents like Thomas Mantell s mysterious plane crash the Hopkinsville alien attack and the Paintsville train UFO crash are as puzzling and frightening now as they were when they happened Folklore writer Alan Brown chronicles these strange stories and others that are very much a part of the unique culture of Kentucky *The Adventures of Daniel Boone* John Filson, 2020-07-18 Reproduction of the original *The Adventures of Daniel Boone* by John Filson [Gift from the Ancients](#) Wayde Bulow, 2002-03-27 Gift from the Ancients is about a warrior that follows his vision and creates a beautiful agate spear point that becomes the symbol of his people The spear point is used to protect his people and is lost Many years later the spear point is uncovered by another warrior Times have changed yet the spear point is still beautiful and remains with the warrior throughout his life Returned to the earth it is discovered by a warrior who hunts on horseback
