McDonald, Sascha Morrell**

Bloomsbury And Modernism:

The Bloomsbury Companion to Modernist Literature Ulrika Maude, Mark Nixon, 2022-11-17 [Bloomsbury, Modernism, and the Reinvention of Intimacy](#) Jesse Wolfe, 2011-06-16 Bloomsbury Modernism and the Reinvention of Intimacy integrates studies of six members and associates of the Bloomsbury group into a rich narrative of early twentieth century culture encompassing changes in the demographics of private and public life and Freudian and sexological assaults on middle class proprieties Jesse Wolfe shows how numerous modernist writers felt torn between the inherited institutions of monogamy and marriage and emerging theories of sexuality which challenged Victorian notions of maleness and femaleness For Wolfe this ambivalence was a primary source of the Bloomsbury writers aesthetic strength Virginia Woolf D H Lawrence and others brought the paradoxes of modern intimacy to thrilling life on the page By combining literary criticism with forays into philosophy psychoanalysis sociology and the avant garde art of Vienna this book offers a fresh account of the reciprocal relations between culture and society in that key site for literary modernism known as Bloomsbury **Bloomsbury and Modernism** Ulysses L. D'Aquila, 1989 This book is a study of the relationship between that remarkable set of writers and painters known as the Bloomsbury Group and the complex of new ideas in aesthetics psychology philosophy and literature which came to be called Modernism Bloomsbury and Modernism is focused primarily upon the writings of E M Forster Lytton Strachey and Virginia Woolf but it makes reference throughout to the other members of the group as well as to the advanced notions which inspired their work *Lily Briscoe's Chinese Eyes* Patricia Ondaatje, 2003 The author traces the romance of Julian Bell and Shuhua Ling placing Ling known as a Chinese Katherine Mansfield squarely in the Bloomsbury constellation But she encounters East West polarities and suggests forms of understanding to inaugurate a new kind of cultural criticism [Modernism's Print Cultures](#) Faye Hammill, 2015 The print culture of the early twentieth century has become a major area of interest in contemporary Modernist Studies Modernism's Print Cultures surveys the explosion of scholarship in this field and provides an incisive well informed guide for students and scholars alike Surveying the key critical work of recent decades the book explores such topics as Periodical publishing from little magazines such as Rhythm to glossy publications such as Vanity Fair The material aspects of early twentieth century publishing small presses typography illustration and book design The circulation of modernist print artefacts through the book trade libraries book clubs and cafes Educational and political print initiatives Including accounts of archival material available online targeted lists of key further reading and a survey of new trends in the field this is an essential guide to an important area in the study of modernist literature Bloomsbury Publishing **The Bloomsbury Handbook to Katherine Mansfield** Todd Martin, 2021 Through her formally innovative and psychologically insightful short stories Katherine Mansfield is increasingly recognised as one of the central figures in early 20th century modernism Bringing together leading and emerging scholars and covering her complete body of work this is the most comprehensive volume to Mansfield scholarship available today The Bloomsbury

Handbook to Katherine Mansfield covers the full range of contemporary scholarly themes and approaches to the author's work including New biographical insights including into the early New Zealand years Responses to the historical crises the Great War empire and orientalism Mansfield's fiction poetry criticism and private writing Mansfield and modernist culture from Bloomsbury to the little magazines Mansfield and her contemporaries Woolf Lawrence and von Arnim Mansfield and the arts visual culture cinema and music The book also includes a substantial annotated bibliography of key works of Mansfield scholarship from the last 30 years Bloomsbury Interiors Christopher Reed, 2004 **The Modernism Handbook** Philip Tew, Alex Murray, 2009-08-04 A one stop resource containing introductory material through to practical case studies in reading primary and secondary texts to introducing criticism and new directions in research **Modernism, War, and Violence** Marina MacKay, 2017 The modernist period was an era of world war and violent revolution Covering a wide range of authors from Joseph Conrad and Thomas Hardy at the beginning of the period to Elizabeth Bowen and Samuel Beckett at the end this book situates modernism's extraordinary literary achievements in their contexts of historical violence while surveying the ways in which the relationships between modernism and conflict have been understood by readers and critics over the past fifty years Ranging from the colonial conflicts of the late 19th century to the world wars and the civil wars in between and concluding with the institutionalization of modernism in the Cold War *Modernism War and Violence* provides a starting point for readers who are new to these topics and offers a comprehensive and up to date survey of the field for a more advanced audience Bloomsbury Publishing *Flann O'Brien & Modernism* Julian Murphet, Ronan McDonald, Sascha Morrell, 2014-07-31 Flann O'Brien the ethics and paradoxes of naming parody and homage lies and deception theatricality sexuality technology and transport and the inevitable matter of drink and intoxication Taken together these specific topics construct a mosaic image of O'Brien as an exemplary modernist auteur abreast of all the most salient philosophical and technical concerns affecting literary production in the period immediately before and after World War Two *Modernism* Leigh Wilson, 2007 This guide provides a clear and concise overview of literature and its context from 1890-1939

Bloomsbury, Beasts and British Modernist Literature Derek Ryan, 2022-12-15 Argues that the Bloomsbury group's fascination with beasts was integral to their exploration of imperialism race gender sexuality and technology Modernism Sean Latham, Gayle Rogers, 2020 *Modernism Evolution of an Idea* traces the development of the term modernism from cultural debates in the early twentieth century to the dynamic contemporary field of modernist studies Rather than assuming and recounting the contributions of modernism's chief literary and artistic figures this book focuses on critical formulations and reception through topics such as the evolution of modernism from a pejorative term in intellectual arguments to its subsequent centrality to definitions of new art new criticism and its legacies in the formation of the modernist canon in anthologies classrooms and literary histories and shifting conceptions of modernism during the rise of gender and race studies French theory Marxist criticism postmodernism and more *Modernism in a Global Context* Peter J. Kalliney, 2016

Virginia Woolf and the Bloomsbury Avant-garde Christine Froula, 2006-09-22 Virginia Woolf and the Bloomsbury Avant Garde traces the dynamic emergence of Woolf's art and thought against Bloomsbury's public thinking about Europe's future in a period marked by two world wars and rising threats of totalitarianism. Educated informally in her father's library and in Bloomsbury's London extension of Cambridge, Virginia Woolf came of age in the prewar decades when progressive political and social movements gave hope that Europe might really be on the brink of becoming civilized as Leonard Woolf put it. For pacifist Bloomsbury heir to Europe's unfinished Enlightenment project of human rights, democratic self-governance and world peace and in E. M. Forster's words the only genuine movement in English civilization, the 1914 civil war exposed barbarities within Europe: belligerent nationalisms, rapacious racialized economic imperialism, oppressive class and sex/gender systems, a tragic and unnecessary war that mobilized sixty-five million and left thirty-seven million casualties. An avant-garde in the twentieth-century struggle against the violence within European civilization, Bloomsbury and Woolf contributed richly to interwar debates on Europe's future at a moment when democracy's triumph over fascism and communism was by no means assured. Woolf honed her public voice in dialogue with contemporaries in and beyond Bloomsbury: John Maynard Keynes and Roger Fry to Sigmund Freud, published by the Woolfs' Hogarth Press; Bertrand Russell, T. S. Eliot, E. M. Forster, Katherine Mansfield and many others, and her works embody and illuminate the convergence of aesthetics and politics in post-Enlightenment thought. An ambitious history of her writings in relation to important currents in British intellectual life in the first half of the twentieth century, this book explores Virginia Woolf's narrative journey from her first novel *The Voyage Out* through her last *Between the Acts*. *Modernism, Science, and Technology* Mark S. Morrisson, 2017 An introductory survey of the scientific and technological contexts of modernist writing, a central topic of contemporary modernist studies.

Modernism in Scandinavia Charlotte Ashby, 2017-02-23 Scandinavia is a region associated with modernity, modern design, modern living and a modern welfare state. This new history of modernism in Scandinavia offers a picture of the complex reality that lies behind the label, a modernism made up of many different figures, impulses and visions. It places the individuals who have achieved international fame, such as Edvard Munch and Alvar Aalto, in a wider context and through a series of case studies provides a rich analysis of the art, architecture and design history of the Nordic region and of modernism as a concept and mode of practice. Modernism in Scandinavia addresses the decades between 1890 and 1970 and presents an intertwined history of modernism across the region. Charlotte Ashby gives a rationale for her focus on those countries which share an interrelated history and colonial past but also stresses influences from outside the region, such as the English Arts and Crafts movement and the impact of emergent American modernism. Her richly illustrated account guides the reader through key historical periods and cultural movements with case studies illuminating key art works, buildings, designed products and exhibitions. *Radio Modernism* Todd Avery, 2016-12-05 *Radio Modernism* marries the fields of radio studies and modernist cultural historiography to the recent ethical turn in literary and cultural studies to examine how

representative British writers negotiated the moral imperative for public service broadcasting that was crafted embraced and implemented by the BBC's founders and early administrators Weaving together the institutional history of the BBC and developments in ethical philosophy as mediated and forged by writers such as T S Eliot H G Wells E M Forster and Virginia Woolf Todd Avery shows how these and other prominent authors' involvement with radio helped to shape the ethical contours of literary modernism In so doing Avery demonstrates the central role radio played in the early dissemination of modernist art and literature and also challenges the conventional assertion that modernists were generally elitist and anti democratic Intended for readers interested in the fields of media and cultural studies and modernist historiography this book is remarkable in recapturing for a twenty first century audience the interest fascination excitement and often consternation that British radio induced in its literary listeners following its inception in 1922

The Bloomsbury Handbook of Modernist Archives Jamie Callison, Matthew Feldman, Anna Svendsen, Erik Tønning, 2024-06-13 Providing a broad definitive account of how the archival turn in humanities scholarship has shaped modernist studies this book also functions as an ongoing practitioner's toolkit including useful bibliographical resources and a guide to avenues for future work Archival work in modernist studies has revolutionised the discipline in the past two decades fuelled by innovative and ambitious scholarly editing projects and a growing interest in fresh types of archival sources and evidence that can re contextualise modernist writing Several theoretical trends have prompted this development including the focus on compositional process within genetic manuscript studies the emphasis on book history little magazines and wider publishing contexts and the emphasis on new material evidence and global and non canonical authors and networks within the New Modernist Studies This book provides a guide to the variety of new archival research that will point to fresh avenues and connect the methodologies and resources being developed across modernist studies Offering a variety of single author case studies on recent archival developments and editing projects including Samuel Beckett Hart Crane H D James Joyce Dorothy Richardson May Sinclair and Virginia Woolf it also offers a range of thematic essays that examine an array of underused sources as well as the challenges facing archival researchers of modernism

The Handbook to the Bloomsbury Group Derek Ryan, Stephen Ross, 2020-06-25 The Handbook to the Bloomsbury Group is the most comprehensive available survey of contemporary scholarship on the Bloomsbury Group the set of influential writers artists and thinkers whose members included Virginia Woolf Leonard Woolf E M Forster John Maynard Keynes Vanessa Bell Clive Bell Duncan Grant and David Garnett With chapters written by world leading scholars in the field the book explores novel avenues of thinking about these pivotal figures and how their works are opened up by the new modernist studies It brings together overview essays with detailed illustrative case studies and covers topics as diverse as feminism sexuality empire philosophy class nature and the arts Setting the agenda for future study of Bloomsbury this is an essential resource for scholars of 20th century modernist culture
