Rocco and Blossom A Love Story Margie Lockwood, 2013-01-28 Dr Carnavale We have him all comfortable now if you d like to come with me She looked up the dazed and bruised expression still there after an hour of fear and confusion hands clenched tightly on her lap Linda the head ICU nurse had seen her over the years but she looked smaller now dignified even in her flounced denim skirt and peasant blouse her gray shoulder length hair pinned back with barrettes centered with turquoise stones She stood carefully Linda lightly held her arm and guided her down the hall They turned into the room and even though she knew what she would see despair settled on her at the sight of the tubes and monitors There he lay his beautiful white hair still thick with waves his eyelashes surprisingly black As the doctor told you he s comfortable and nothing will happen until you say so If you d like you could go home until your children arrive pushing a chair closer for her even as she said it and moving a table closer so she could reach the tissues and ice water There s a blanket here and feel free to lay on the other bed if you like We ll be right down the hall if you need us She found his left hand with both of hers and laid her forehead against them I m so sorry my darling I know I promised It s just until the children get here I didn t want you all stiff and cold when they came Don t be mad I love you Oh how she wished it was a dream that she d wake up and hear him Baby girl I m here Where are you Fifty five years how could it be how could it possibly be since the day she first saw him
