

The background of the slide is a photograph of a desert landscape. In the foreground, there are sand dunes with distinct, wavy ripples. The dunes extend towards the horizon. The sky above is filled with soft, white clouds, and the overall lighting suggests a bright, sunny day.

and sits on her sister's council. She has everything any woman could want except respect. Instead, she is the bearer of her family's double-edged gifts of clairvoyance and empathy. Knowing what other people feel about you is difficult at the best of times. In the Imperial court, it's torture. When an adventurer comes asking for Imperial support to explore the Midnight Land, the far North where the sun never rises all winter, Slava is so desperate to leave the Kremlin that she asks to come with her. To her surprise, her request is granted. Slava's journey is supposed to take her to the very edge of Zem and the Known World and maybe help her learn more about her gifts. But as she travels North, she finds herself drawn into the center of a plot that could bring down her family. Slava would do anything to protect her family except what the gods call upon her to do. Everyone has always considered Slava a coward. Will she learn to become a hero in order to save the people she loves? This high fantasy saga set in a magical Slavic world infused with Russian myths and fairy tales contains elements of metaphysical and visionary fantasy, ecofiction, ecofantasy, noblebright, or maybe a touch of nobledark and hopepunk.

Clark, 2015-10-27 Many are called. Few answer. Slava thought that the hard part of her journey was over when she escaped giant wolves, angry bandits, and scheming sorcerers to make it to the Lesnograd Kremlin. But the apparent safety of this outpost of civilization may be just an illusion. A curse has been let loose, one aimed straight at Slava's family. Slava has always been a most unlikely hero. Now she must summon up all her courage in order to stop the curse or perhaps she must, at the gods' behest, be its bearer. The conclusion to the award-winning *The Midnight Land I: The Flight*. *The Midnight Land II: The Gift* continues the epic fantasy tale of one woman's journey of self-discovery and empowerment against the backdrop of a matriarchal Slavic world. High fantasy that is deeply rooted in Slavic history, literature, and fairy tales, this subversive story with a satirical edge will appeal to fans of Slavic-themed fantasy such as *Deathless*, *Egg and Spoon*, and *The Bear and the Nightingale*, as well as readers of classical East European literature.
