Graham Hill Janius Grady,2022-05-04 Come to a world a fantasyland that could be most anywhere but is set in Virginia but has never been seen in Virginia It is a world that never could have been but seems as if it were real but is always based on humor and the impossible Behind it is all about a room of people or animals that seem real but each have a persona that is not real with a couple of exceptions A book where possums are seen as almost super possums with many human aspects and with superhuman abilities such as in the use of their almost twenty foot tail to the control they have over the people There are colorful people such as Parviance who does many things and while he is incorrigible Parviance is also shown to be very loving All characters have their good and bad points Behind it all is the vivid imagination of the chief character in the book Warren Harding Graham Remember this book is

at the beginning of his life and is setting out in later books to cover his entire life Just as Mark Twain in his books described a world that was not true but also a world that described the whole life of America this book is trying to do the same *Beer Crafts* Shawn Gascoyne-Bowman, 2013-05-14 While author and crafter extraordinaire Shawn Bowman would like to think she came up with the idea on her own inspiration really came from her eight year old daughter who spent a summer obsessed with making jewelry out of her parents discarded bottle caps Finding the note on her desk My crafting involves you to open a beer the author had what can only be called an epiphany ALL crafting should involve me opening a beer She raised her daughter s allowance and set down to writing this book But first she opened a beer Beer Crafts shows you how to repurpose not just the caps but also labels bottles and even cans into useful hip and quirky items from attention getting if not downright sexy garter belts to the classic crochet beer can hat to beer bottle tags to refrigerator magnets and more The projects are super fun easy to make even for a first time crafter and most of the supplies are things you probably already have on hand or chilling in the fridge Beer Crafts has jewelry and accessories for guys and gals From cowboy hats made from beer case boxes and masculine bottle label belt buckles and wallets to flowery bottle top flip flops and cute as a button beer cap headbands there s a little something for everyone even beer can jackets for the family dog Beer bottles themselves get dressed up with insulating crochet cozies and fancy charm necklaces ending all arguments over whose drink is whose when they re all clearly marked mine There are even funky home decor projects including candle holders patio lanterns bird feeders and a memo board And with plenty of beer quotes and trivia Beer Crafts is recommended bar reading for those who don t craft Tie one on then braid it glue it and embellish it with Beer Crafts
