Blue Sky Green Sea And Other Stories Renditions Paperbacks:

Renditions ,2001 **Backward Glances** Fran Martin,2010-04-19 An analysis of the dominant patterns in the representation of erotic and romantic love between women in contemporary film television and fiction from China Hong Kong and Taiwan *Staging Hong Kong* Rozanna Lilley,1998-12-01 This beautifully written and well informed book presents a comprehensive study of Zuni Icosahedron a Hong Kong avant garde theatre and dance company and calls into question the relationship between culture and politics during the last years of British colonial rule Through both fieldwork and textual analysis the author explores the double bind tensions between Chinese and Western aesthetic forms while examining identity and gender within representation as part of the dramatization of an increasingly uncertain present Incorporating insights from cultural studies feminism anthropology and queer theory this imaginative unpacks current debates over Hong Kong identity through the kaleidoscope of avant garde theatre performances *The Changing Face of China* John Gittings,2006-07-06 Where is China heading in the 21st century Can its Communist Party survive or is it being challenged by growing inequality and unrest Will the US and China cooperate or compete in a dangerous future Will China s economic boom be brought to a halt by environmental catastrophe In this highly readable account John Gittings provides the essential information to help answer these vital questions for the world In the 60 years since Mao Zedong took the road to victory China has undergone not one but two revolutions The first swept away the old corrupt society and sought to build a spotless new socialism behind closed doors the second since Mao s death has focused on an economic agenda which accepts the goals of global capitalism From Mao to the global market Gittings charts this complex but epic tale and concludes with some hard questions for the future **The Cockroach and Other Stories** Yichang Liu,1995 Kafka s bleak nightmare has nothing on the sweaty despairing battle between the human protagonist and the bugaboos of his mind and of the floorboards that is depicted in the title collection of **Fictional Authors, Imaginary Audiences** Bonnie S. McDougall,2003 The authors and audiences for 20th century Chinese literature especially fiction are examined in a fresh light While modern Chinese fictions are imaginary in that they do not constitute reliable portraits of Chinese life they offer insights into the writers themselves and their implied audiences **Modern Chinese Literature** ,1994 **The Journal of Asian Studies** ,1993 *Feminist Bookstore News* ,1993 *Trafika* ,1993
