long historical poem which dates 1985 is one of the major literary documents of the last years of the USSR Alexandra Smith in an article of 2006 has called it perhaps the most important achievement of Russian post perestroika poetry Its significance is historical in its irony towards Peter the Great and Charles XII of Sweden in their 1709 battle at Poltava and towards the writer s own dual allegiance to Ukrainian soil and the Russian language While all previous translations of parts of the poem are in free verse translator Donald Wesling here carries over the rhyme and meter of the original whole poem To aid the

 landscape in antiquity during the famed battles of the First World War and in the present day Drawing on archival  
 archaeological and cartographic material this book unearths the deep history of the Gallipoli peninsula setting the Gallipoli  
 campaign in a broader cultural and historical context The book presents the results of an original archaeological survey the  
 research for which was supported by the Australian New Zealand and Turkish Governments The survey examines materials  
 from both sides of the battlefield and sheds new light on the environment in which Anzac and Turkish soldiers endured the  
 conflict Richly illustrated with both Ottoman and Anzac archival images and maps as well as original maps and photographs
