## **Blue Husbands:**

Blue Husbands Don Dickinson, 1991 These well crafted stories range in subject from a jilted husband's attempt to win his family back by breaking the world push up record to the cause and effect relationship between one man's attempted suicide and the disabling of his rescuer's son The title story details a system of colour coding husbands earthtone for the ones who never talk or if they do it's about crabgrass or the weather red for the guys who are always maddern hell and want to hit people black husbands the guys with hearts the colour of soot and green for the ones who just want to grow In Blue Husbands Dickinson shows one man's transformation from a blue husband to a man who won't be confined by his father's paintbox reduction of marriage Like Blue Husbands many of these stories explore the hazards of marriage and Dickinson avoiding the pitfall of sentimentality powerfully and persuasively celebrates our desire for love *Rebels in Blue* Peter F. Stevens, 1999-05-01 This astonishing Civil War story follows the real life exploits of a married couple who fought side by side as soldiers for the North the South and finally for a band of marauding pro Union partisans Based on primary source material from the Watuga County North Carolina archives Rebels in Blue provides a fast paced gripping narrative of uncommon love and blind revenge set against the turmoil of the Civil War The Blue Men Michael Knaggs, 2021-04-13 Tom Brown disgraced former Home Secretary is missing presumed dead The police had been seeking him in connection with the deaths of several people and his disappearance effectively closes the case Grace Goody Ministerial Director of Justice is trying to rebuild her life in the light of a new romantic attachment but always with the lurking threat of exposure given her involvement in Tom's demise When a photograph taken by a journalist's girlfriend during a sailing trip around Scotland raises serious doubts about the circumstances surrounding Tom's case ripples of panic spread through Westminster's corridors of power Retired Detective Chief Inspector David Gerrard begins to take an interest in the case placing himself in danger from forces seeking to suppress the evidence including a deadly killer with some powerful connections and a convicted murderer whom David put away twenty years ago and who has just been released Meanwhile Maggie Tom's wife is called to a meeting in London where she is shown an image of a man who has recently used her husband's debit card and suddenly for everyone close to the case nothing appears to be straightforward any more As pressure mounts on Grace she finds herself plunged into an international incident involving Hotel St Kilda the UK's off shore prison in the Atlantic placing her at the centre of a potentially disastrous rift between the UK and its closest ally a situation she will be fortunate to survive Even if she does what will be awaiting her back in London Blue Men and River Monsters John Zimm, 2015-01-05 The north is a treasure trove of folklore From magical creatures of the old country to legends of the mysterious and macabre such lore is a fascinating record of the stories people held on to and the customs foods and cures that filled their lives Collected in the 1930s as part of the Federal Writers Program a Depression era works project these are the stories of Norwegian and Swiss immigrants Native American medicine men and storytellers and pioneers with memories of the earliest days of

settlement in the Old Northwest In search of stories legends songs and other scraps of traditional knowledge researchers fanned out across Wisconsin and other states The resulting handwritten notes thousands of pages in length capture history as people remembered it Blue Men and River Monsters collects the most interesting and noteworthy of these tales placing them alongside stunning artwork collected by the Federal Art Project in Wisconsin Peruse these pages and discover a new history of the people and places of the old north Uniform Regulations United States.
