**Blue Jeans Theology of James** Alvin Shifflett, 1975 James (Understanding the Bible Commentary Series) Peter H. Davids, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series **Maven in Blue Jeans** Steven L. Jacobs, 2009 This collection of academic essays have been written in tribute to Professor Zev Garber and are divided to reflect the areas in which Professor Garber has devoted his teaching and writing energies the Holocaust Jewish Christian relations philosophy and theology history and biblical interpretation *Moral Theology* James Keating, 2004 Gathers together some of the top moral theologians to recognize and honour the work of James P Hanigan and to present their own personal visions on the present state and future direction of fundamental moral theology

**The Theological Power of Film** James Lorenz, 2024-06-21 This book explores the theological power of film and seeks to render a properly theological account of cinematic art It considers What theology and theological practice does cinematic art give rise to What are the perceptual and affective potentials of film for theology and what if anything is theological about the cinematic medium itself The author argues that film is a fundamentally embodied art form a haptic and somatic medium of perception cum expression This combined with the distinct temporal aesthetic of film invests cinema with profound theological potentials The chapters explore these potentials through theological cinematic analysis emphasising the themes of encounter embodiment time and contemplation as well as three intimately connected doctrines of Christian theology creation incarnation and eschatology Throughout the book the films and writings of the Russian director Andrei Tarkovsky emerge as a singular illustration of the theological power of film becoming a crucial resource for theological cinematic analysis Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1976 **Biblical Text and Exegetical Culture** Michael Fishbane, 2022-01-25 In this wide ranging collection Michael Fishbane investigates the complex and diverse relationships between the biblical text and exegetical culture The author demonstrates the multiple literary dimensions and interpretative strategies that came to form the Hebrew Bible in the context of the ancient Near East the Dead Sea Scrolls in the context of an emergent biblical Jewish culture and the classical rabbinic Midrash in the context of an emergent rabbinic civilization in late antiquity Within each study and in the collection as a whole the author shows a broad range of creative methods always with a scholarly concern to illuminate the religious ideas of Scripture as it was perceived through diverse hermeneutical lenses and exegetical methodologies The studies range from the purely literary to the highly analytic from myth to law and from studies of symbols to the study of exegetical methods Religious Books and Serials in

 Element examines the science theology dialogue from the perspective of Eastern Orthodox Christianity and provides a  
 critique of this dialogue based on six fundamental aspects of that theology i Its understanding of how philosophy may  
 authentically be used in the theological task ii Its understanding of the use and limitations of scientific and theological  
 languages iii Its understanding of the role of humanity in bringing God s purposes to fulfilment iv its sense that material  
 entities should be understood less in materialist terms than in relation to the mind of God v Its Christological focus in  
 understanding the concept of creation vi Its sense that the empirical world can be understood theologically only when the  
 world to come is taken fully into account It is argued that Orthodoxy either provides an alternative pan Christian vision to the  
 currently predominant one or at the very least provides important new conceptual insights      *Cyclopaedia of Biblical,*

Hatch,2013-08-27 Concerned to think intentionally about liturgy in Baptist life and thought this book aims to address the practices of Christian worship in a theological light examining how each brings individual Christian believers and communities of faith to a greater understanding and embodiment of the gospel In this mode worship becomes a seamless garment that forms disciples of Christ and opens out toward the world In short theology worship and mission all intersect in the liturgical life of the body of Christ In addition to theological engagement with liturgical practices Gathering Together links reflection to praxis by offering sample patterns as a guide for reenvisioning the shape of Baptist and other free church worship      Books in Print ,1994      **Sexuality and the Sacred** James B. Nelson,Sandra P. Longfellow,1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully      **The Great Collapse** Jeff W.
