The Copy-Cat, and Other Stories Mary Eleanor Wilkins Freeman, 2022-09-04 DigiCat Publishing presents to you this special edition of The Copy Cat and Other Stories by Mary Eleanor Wilkins Freeman DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature The Mantle and Other Stories Nikolai Vasilievich Gogol, 2020-09-28 As a novel writer and a dramatist Gogol appears to me to deserve a minute study and if the knowledge of Russian were more widely spread he could not fail to obtain in Europe a reputation equal to that of the best English humorists A delicate and close observer quick to detect the absurd bold in exposing but inclined to push his fun too far Gogol is in the first place a very lively satirist He is merciless towards fools and rascals but he has only one weapon at his disposal irony This is a weapon which is too severe to use against the merely absurd and on the other hand it is not sharp enough for the punishment of crime and it is against crime that Gogol too often uses it His comic vein is always too near the farcical and his mirth is hardly contagious If sometimes he makes his reader laugh he still leaves in his mind a feeling of bitterness and indignation his satires do not avenge society they only make it angry As a painter of manners Gogol excels in familiar scenes He is akin to Teniers and Callot We feel as though we had seen and lived with his characters for he shows us their eccentricities their nervous habits their slightest gestures One lisps another mispronounces his words and a third hisses because he has lost a front tooth Unfortunately Gogol is so absorbed in this minute study of details that he too often forgets to subordinate them to the main action of the story To tell the truth there is no ordered plan in his works and a strange trait in an author who sets up as a realist he takes no care to preserve an atmosphere of probability His most carefully painted scenes are clumsily connected they begin and end abruptly often the author's great carelessness in construction destroys as though wantonly the illusion produced by the truth of his descriptions and the naturalness of his conversations **The "Saucy Sally": and Other Stories** E. Embracing the Melody of Phrase: An Emotional Symphony within **Blue Sash And Other Stories The**

In some sort of taken by screens and the ceaseless chatter of immediate conversation, the melodic beauty and emotional symphony created by the written word often fade in to the background, eclipsed by the persistent sound and interruptions that permeate our lives. However, nestled within the pages of **Blue Sash And Other Stories The** a stunning fictional treasure full of raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this captivating masterpiece conducts visitors on a psychological trip, well unraveling the concealed melodies and profound influence resonating within each carefully crafted phrase. Within the depths with this moving analysis, we can explore the book is main harmonies, analyze their enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
