Marthas Vineyard where much of Angelas growing up took place and substantial investments to guarantee a genteel lifestyle The transition from their home of three decades in Pittsburgh to a life of leisure on the Island takes some getting used to but they soon come to enjoy it In fact before long Angela has taken on the mantle left by her mother as hostess and renowned artist in the community Meanwhile the unexpected reappearance of a hated old combat soldier from Korea thrusts Lutie back into that time period and that mentality and begin to take its toll This combined with an unwelcomed population burst on the Island starts to wear on his normally imperturbable psyche Angela observes the changes in her husband which is never more noticeable than the night he attacks and beats up a crowd of rowdy teenagers breaking glass and scattering trash on his favorite beach The real trouble will not begin until he discovers his loathsome old comrade frozen and dead in the house of a friend closed for the winter A vision of a chainsaw passes through his head and suddenly he has a plan to stem the tide of growth on his beloved Island It isnt long before the population is shocked and appalled to learn that a chainsaw wielding maniac is wreaking havoc on the Island chopping up human bodies and displaying their parts around the various towns While the rest of the community is in a panic Lutie grows increasingly agitated at what he has started and when the investigation reveals the source of the bodies and the fear is assuaged he decides to sink his remaining parts in the sea and get his life back to normal It appears that he is in the clear but is he This book is skillfully crafted highly suspenseful and cleverly written with an understatement that only serves to reinforce the plotline It presents the troubling idea that people are not always what they appear and it is a testament to the detrimental psychological effects of being in a brutal war zone Given the high number of veterans experiencing this trauma in our current wars the book has a high contemporary relevance My wife our two children and I lived on the Island for over twenty years and I have tried to distill the charm and grace as well as the gritty underside of this beloved piece of paradise Book Reviewsilver shingled cottages salty boats and the captains who man them patches of sand between glacial boulders the crisscross of ferries and the mysterious realm of the rich Such are among the evocations of Marthas Vineyard Author Tony Friedman and his wife Barbara washed ashore on the Vineyard in the early 1970s spent nearly 30 years living and raising their children here and now comes Tonys first novel Dead Season on Marthas Vineyard Tonys keen sense of observation deep knowledge of the Islands history and a lifetime of storytelling combine in Dead Season on Marthas Vineyard to make a Writer finely constructed tale of the Tony interaction of several layers Friedman of Vineyard people their lives and dreams and the lengths to which each will go to keep the Island special The dance of characters follows the clash and harmony of locals who make the Island function and the privileged who come for the season With his finely tuned ear for authentic language and **Georgia O'Keeffe, A Private Friendship, Part II** Nancy Hopkins Reily,2014-12-01 The time is 1946 From Georgia O Keeffe s old hacienda sitting on a bluff in Abiquiu New Mexico she could see my aunt and uncle Helen and Winfield Morten s property across the Chama River Georgia had begun the restoration of her property The Mortens in the final stages of purchasing land along the Chama River had recently completed their

Vincent van Gogh Victoria Charles,2011-07-01 Vincent van Gogh s life and work are so intertwined that it is hardly possible to observe one without thinking of the other Van Gogh has indeed become the incarnation of the suffering misunderstood martyr of modern art the emblem of the artist as an outsider An article published in 1890 gave details about van Gogh s illness The author of the article saw the painter as a terrible and demented genius often sublime sometimes grotesque always at the brink of the pathological Very little is known about Vincent s childhood At the age of eleven he had to leave the human nest as he called it himself for various boarding schools The first portrait shows us van Gogh as an earnest nineteen year old At that time he had already been at work for three years in The Hague and later in London in the gallery Goupil Co In 1874 his love for Ursula Loyer ended in disaster and a year later he was transferred to Paris against his will After a particularly heated argument during Christmas holidays in 1881 his father a pastor ordered Vincent to leave With this final break he abandoned his family name and signed his canvases simply Vincent He left for Paris and never returned to Holland In Paris he came to know Paul Gauguin whose paintings he greatly admired The self portrait was the main subject of Vincent s work from 1886c88 In February 1888 Vincent left Paris for Arles and tried to persuade Gauguin to join him The months of waiting for Gauguin were the most productive time in van Gogh s life He wanted to show his friend as many pictures as possible and decorate the Yellow House But Gauguin did not share his views on art and finally returned to Paris On 7 January 1889 fourteen days after his famous self mutilation Vincent left the hospital where he was convalescing Although he hoped to recover from and to forget his madness but he actually came back twice more in the same year During his last stay in hospital Vincent painted landscapes in which he recreated the world of his childhood It is said that Vincent van Gogh shot himself in the side in a field but decided to return to the inn and went to bed The landlord informed Dr Gachet and his brother Theo who described the last moments of his life which ended on 29 July 1890 I wanted to die While I was sitting next to him promising that we would try to heal him he answered La tristesse durera toujours The sadness will last forever
