A Biographical Dictionary Of Actors Actresses Mu

Mary Robinson

A Biographical Dictionary Of Actors Actresses Mu:

A Biographical Dictionary of Actors, Actresses, Musicians, Dancers, Managers & Other Stage Personnel in London, 1660-1800 Philip H. Highfill, Kalman A. Burnim, Edward A. Langhans, 1993 A major project begun in 1973 reaches its conclusion with the publication of volumes 15 and 16 of the Biographical Dictionary a series considered a reference work of the first order by Theatre and Performing Arts Collections Among performers highlighted in these last volumes is Catherine Tofts a gifted singer whose popular acclaim was captured in lines by Samuel Phillips How are we pleas d when beauteous Tofts appears To steal our Souls through our attentive Ears Ravish d we listen to th enchanting Song And catch the falling Accents from her Tongue The first singer of English birth to master the form of Italian opera Tofts frequently won leading roles over native Italian singers Her salary 400 to 500 a season was one of the highest in the theatre Her popularity declined however as her demands for payment increased a situation captured in an epigram Alexander Pope may have penned So bright is thy beauty so charming thy song As had drawn both the beasts and their Orpheus along But such is thy avarice and such is thy pride That the beasts must have starved and the poets have died John Vanbrugh whose play *The Relapse* is ranked as one of the best comedies of the Restoration period became a subordinate crown architect under Sir Christopher Wren in 1702 In 1703 Vanbrugh began plans for the Queen s Theatre in the Haymarket an enterprise endorsed by the Kit Cat Club of which Vanbrugh was a member Even though his lavish design was acoustically defective restructuring helped correct the problem and the theatre eventually became the exclusive center for opera in London

A Biographical Dictionary of Actors, Actresses, Musicians, Dancers, Managers and Other Stage Personnel in London, 1660-1800: Cabanel to Cory

Philip H. Highfill, Kalman A. Burnim, Edward A. Langhans, 1975 Volumes three and four of this monumen tal work include full entries for all such illustrious names as those of the Cibbers Colley Theophilus and Susanna Maria Kitty Clive and Charlotte Charke George Colman the Elder and the Younger William Davenant and De Loutherboug But here also are full entries for dozens of important secondary figures and of minor ones whose stories have never been told as well as a census and at least a few recoverable facts for even the most inconsiderable performers and servants of the theatres As in the previous volumes in this dis tinguished series the accompanying illus trations include at least one picture of each subject for whom a portrait exists

A Biographical Dictionary of Actors, Actresses, Musicians, Dancers, Managers & Other Stage Personnel in London, 1660-1800 Philip H. Highfill, Kalman A. Burnim, Edward A. Langhans, 1973 Those featured in Volume 10 include Margaret Martyr a singer actress and dancer whose conjugal virtues were often impeached according to the July 1792 *Thespian Magazine* The Diction ary describes this least constant of lovers as of middling height with a figure well proportioned for breeches parts Her black haired black eyed beauty and clear soprano made her an immedi ate popular success in merry maids and tuneful minxes the piquant and the pert for a quarter century

A Biographical Dictionary of Actors, Actresses, Musicians, Dancers, Managers and Other Stage Personnel in London, 1660-1800 Philip H. Highfill, Kalman

A. Burnim, Edward A. Langhans, 1973 *Britain in the Hanoverian Age, 1714-1837* Gerald Newman, Leslie Ellen Brown, 1997

In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era. The pioneers of modern capitalism, industry, democracy, literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States. Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British, Canadian, American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law. More than 380 illustrations, mostly rare engravings, enhance the coverage which runs the whole gamut of political, economic, literary, intellectual, artistic, commercial and social life and spotlights some 600 prominent individuals and families.

Cruelty & Laughter Simon Dickie, 2011-10-04

Eighteenth century British culture is often seen as polite and sentimental, the creation of an emerging middle class. Simon Dickie disputes these assumptions in *Cruelty and Laughter*, a wildly enjoyable but shocking plunge into the forgotten comic literature of the age. Beneath the surface of Enlightenment civility, Dickie uncovers a rich vein of cruel humor that forces us to recognize just how slowly ordinary human sufferings became worthy of sympathy. Delving into an enormous archive of comic novels, jestbooks, farces, variety shows and cartoons, Dickie finds a vast repository of jokes about cripples, blind men, rape and wife beating. Epigrams about syphilis and scurvy sit alongside one-act comedies about hunchbacks in love. He shows us that everyone, rich and poor, women as well as men, laughed along. In the process, Dickie also expands our understanding of many of the century's major authors, including Samuel Richardson, Lady Mary Wortley Montagu, Tobias Smollett, Frances Burney and Jane Austen. He devotes particular attention to Henry Fielding's *Joseph Andrews*, a novel that reflects repeatedly on the limits of compassion and the ethical problems of laughter. *Cruelty and Laughter* is an engaging, far-reaching study of the other side of culture in eighteenth century Britain.

The Grotesque Dancer on the Eighteenth-century Stage Rebecca Harris-Warrick, Bruce Alan Brown, 2005

Italian ballet in the eighteenth century was dominated by dancers trained in the style known as grotesque, a virtuoso style that combined French ballet technique with a vigorous athleticism that made Italian dancers in demand all over Europe. Gennaro Magri's *Trattato teorico-prattico di ballo*, the only work from the eighteenth century that explains the practices of midcentury Italian theatrical dancing, is a starting point for investigating this influential type of ballet and its connections to the operatic and theatrical genres of its day. *The Grotesque Dancer on the Eighteenth-Century Stage* examines the theatrical world of the ballerino grottesco, Magri's own career as a dancer in Italy and Vienna, the genre of pantomime ballet as it was practiced by Magri and his colleagues across Europe, the relationships between dance and pantomime in this type of work, the music used to accompany pantomime ballets and the movement vocabulary of the grotesque dancer. Appendices contain scenarios from eighteenth-century pantomime ballets, including several of Magri's own, devising an index to the step vocabulary discussed in Magri's book and an index of dancers in Italy known to have performed as grotteschi.

Illustrations music examples and dance notations also supplement the text *A Biographical Dictionary of Silent Film Western Actors and Actresses* George A. Katchmer, 2015-05-20 Long before sound became an essential part of motion pictures Westerns were an established genre The men and women who brought to life cowboys cowgirls villains sidekicks distressed damsels and outraged townspeople often continued with their film careers finding success and fame well into the sound era always knowing that it was in silent Westerns that their careers began More than a thousand of these once silent Western players are featured in this fully indexed encyclopedic work Each entry includes a detailed biography covering both personal and professional milestones and a complete Western filmography A foreword is supplied by Diana Serra Cary formerly the child star Baby Peggy who performed with many of the actors herein *Actresses and Whores* Kirsten Pullen, 2005-02-17 Publisher Description **Romanticism and Celebrity Culture, 1750-1850** Tom Mole, 2009-05-14 An interdisciplinary collection of essays exploring how our modern idea of celebrity was created in the 18th and 19th centuries

Mary Robinson: Selected Poems Mary Robinson, 1999-10-29 Mary Robinson's work has begun again to assume a central place in discussions of Romanticism A writer of the 1790's a decade which saw the birth of Romanticism revolution and enormous popular engagement with political ideas Robinson was acknowledged in her time as a leading poet Her writing exhibits great variety charm theatricality and emotional resonance are all characteristics Robinson displays She was by turns a poet of sensibility a poet of popular culture a chronicler of the major events of the time and a participant in some of its chief aesthetic innovations This long awaited collection is the first critical edition of her poems Book Review Digest, 1988

The Stage Life of Props Andrew Sofer, 2003-06-17 Fresh and provocative readings of familiar stage objects provide new ways of understanding theater dramatic literature and culture *The Lively Arts of the London Stage, 1675-1725* Professor Kathryn Lowerre, 2014-03-28 Unlike collections of essays which focus on a single century or whose authors are drawn from a single discipline this collection reflects the myriad performance options available to London audiences offering readers a composite portrait of the music drama and dance productions that characterized this rich period Just as the performing arts were deeply interrelated the essays presented here by scholars from a range of fields engage in dialogue with others in the volume The opening section examines a famous series of 1701 performances based on the competition between composers to set William Congreve's masque *The Judgment of Paris* to music The essays in the central section the mainpiece showcase performers and productions on the London stage from a variety of perspectives including English tastes in art and music the use of dance the depiction of madness and masculinity in both spoken and musical performances and genres and modes in the context of contemporary criticism and theatrical practice A brief afterpiece looks at comic pieces in relation to satire parody and homage By bringing together work by scholars of music dance and drama this cross disciplinary collection illuminates the interconnecting strands that shaped a vibrant theatrical world College and Research Libraries, 1985 Includes section Book reviews Mar 1940 **Composer Genealogies** Scott Pfitzinger, 2017-03-01 Throughout the western

classical tradition composers have influenced and been influenced by their students and teachers Many musicians frequently add to their personal acclaim by naming their teachers and the lineage through which they were taught Until now the relationships between composers have remained uncataloged and understudied but with enough research it is possible to document entire schools of composition **Composer Genealogies A Compendium of Composers Their Teachers and Their Students** is the first volume to gather the genealogies of more than seventeen thousand classical composers in a single volume Functioning as its own fully cross referenced index this volume lists composers and their dates followed by their teachers and notable students A short introduction presents the parameters by which composers were selected and provides a survey of the literature available for further study Gathering records and information from reference books university websites obituaries articles composers websites and even direct contact with some composers Pfitzinger creates a valuable resource for music researchers composers and performers **Becoming Shakespeare** Jack Lynch, 2009-05-26 **Becoming Shakespeare** begins where most Shakespeare stories end with his death in 1616 and relates the fascinating story of his unlikely transformation from provincial playwright to universal Bard Unlike later literary giants Shakespeare created no stir when he died Though he d once had a string of hit plays he had been retired in the country for six years and only his family friends and business partners seemed to care that he was gone Within a few years he was nearly forgotten And when London s theaters were shut down in 1642 he seemed destined for oblivion With the Restoration in 1660 though the theaters were open once again and Shakespeare began his long ascent No longer merely one playwright among many he became the transcendent genius at the heart of English culture Fifty years after the Restoration scholars began taking him seriously Fifty years after that he was considered England s greatest genius And by 1800 he was practically divine Jack Lynch vividly chronicles Shakespeare s afterlife from the revival of his plays to the decades when his work was co opted and improved by politicians and other playwrights and culminating with the Bardolatry of the Stratford celebration of Shakespeare s three hundredth birthday in 1864 **Becoming Shakespeare** is not only essential reading for anyone intrigued by Shakespeare but it also offers a consideration of the vagaries of fame **Becoming Shakespeare** John T. Lynch, 2007-06-12 Beginning with the death of William Shakespeare in 1616 a study of the bard explores his evolution from provincial playwright to universally acclaimed literary giant beginning with his growing popularity during the late seventeenth century Restoration and ranging to the Stratford celebration of the tricentennial of Shakespeare s birth in 1864 **The Island Race** Kathleen Wilson, 2014-06-03 Rooted in a period of vigorous exploration and colonialism **The Island Race** Englishness empire and gender in the eighteenth century is an innovative study of the issues of nation gender and identity Wilson bases her analysis on a wide range of case studies drawn both from Britain and across the Atlantic and Pacific worlds Creating a colourful and original colonial landscape she considers topics such as sodomy theatre masculinity the symbolism of Britannia the role of women in war Wilson shows the far reaching implications that colonial power and expansion had upon the English people s

sense of self and argues that the vaunted singularity of English culture was in fact constituted by the bodies practices and exchanges of peoples across the globe Theoretically rigorous and highly readable The Island Race will become a seminal text for understanding the pressing issues that it confronts English Theatrical Anecdotes, 1660-1800 Heather Ladd, Leslie Ritchie, 2022-06-17 The essays in English Theatrical Anecdotes 1660 1800 explore the theatrical anecdote s role in the construction of stage fame in England s emergent celebrity culture during the long eighteenth century as well as the challenges of employing such anecdotes in theatre scholarship today This collection showcases scholarship that complicates the theatrical anecdote and shows its many sides and applications beyond the expected comic punch Discussing anecdotal narratives about theatre people as producing maintaining and sometimes toppling individual fame this book crucially investigates a key mechanism of celebrity in the long eighteenth century that reaches into the nineteenth century and beyond The anecdote erases boundaries between public and private and fictionalizing the individual in ways deeply familiar to twenty first century celebrity culture

Thank you unconditionally much for downloading **A Biographical Dictionary Of Actors Actresses Mu**. Maybe you have knowledge that, people have look numerous period for their favorite books similar to this A Biographical Dictionary Of Actors Actresses Mu, but stop occurring in harmful downloads.

Rather than enjoying a good PDF in imitation of a cup of coffee in the afternoon, then again they juggled subsequent to some harmful virus inside their computer. **A Biographical Dictionary Of Actors Actresses Mu** is handy in our digital library an online right of entry to it is set as public suitably you can download it instantly. Our digital library saves in combination countries, allowing you to acquire the most less latency period to download any of our books similar to this one. Merely said, the A Biographical Dictionary Of Actors Actresses Mu is universally compatible once any devices to read.
