A Buddhist Christian Synthesis One May Be Both Buddhist And Christian:

Buddhist and Christian? Rose Drew, 2013-07-03 This is a detailed exploration of Buddhist Christian dual belonging engaging from both Buddhist and Christian perspectives the questions that arise and drawing on extensive interviews with well known individuals in the vanguard of this important and growing phenomenon The issue is pressing insofar the last century has witnessed a gradual but profound transformation of the West's religious landscape In today's context of diversity people are often influenced by more than one religion Multireligious identities are consequently on the rise At one end of the spectrum are those who identify themselves as fully belonging to more than one tradition One of the most prevalent combinations is Christianity and Buddhism This book addresses central and fundamental questions How is it possible to be authentically Buddhist and authentically Christian when for example God is central to Christianity yet absent from Buddhism when Christians have faith in Jesus Christ while Buddhists take refuge in the Buddha when Christians hope for heaven and Buddhists hope for nirvana and when Buddhists and Christians engage in different practices Are those who identify themselves as belonging to both traditions profoundly irrational religiously schizophrenic or perhaps just spiritually superficial Or is it possible somehow to reconcile the thought and practice of Buddhism and Christianity in such a way that one can be deeply committed to both And if it is possible will the influence of Buddhist Christians on each of these traditions be something to be regretted or celebrated

Buddhist-Christian Dual Belonging Gavin D'Costa, Ross Thompson, 2017-05-15 A growing number of people describe themselves as both Buddhist and Christian but does such a self description really make sense Many people involved in inter faith dialogue argue that this dialogue leads to a mutually transformative process but what if the transformation reaches the point where the Buddhist or Christian becomes a Buddhist Christian Does this represent a fulfilment of or the undermining of dialogue Exploring the growing phenomenon of Buddhist Christian dual belonging a wide variety of authors including advocates sympathisers and opponents from both faiths focus on three key questions Can Christian and Buddhist accounts and practices of salvation or liberation be reconciled Are Christian theism and Buddhist non theism compatible And does dual belonging inevitably distort the essence of these faiths or merely change its cultural expression Clarifying different ways of justifying dual belonging contributors offer criticisms of dual belonging from different religious perspectives Theravada Buddhist Evangelical Reformed and Roman Catholic and from different methodological approaches Four chapters then carry the discussion forward suggesting ways in which dual belonging might make sense from Catholic Theravada Buddhist Pure land Buddhist and Anglican perspectives The conclusion clarifies the main challenges emerging for dual believers and the implications for interreligious dialogue

[Understanding Interreligious Relations](#) David Cheetham, Douglas Pratt, David Richard Thomas, David Thomas, 2013-11 Understanding Interreligious Relations is a multi authored volume that explores the theme of the religious other from the perspective of five major religions Hinduism Judaism Buddhism Christianity and Islam and discusses a range of issues in which interreligious

relations are central These include conversion the impact and nature of religious extremism the contemporary development of inter religious dialogue the dynamics operating between majority and minority religious groups belonging to more than one religion or faith tradition examples of cross religious co operation religion in the public domain and the task of peace building among others In a religiously plural world how different religious communities get along with one another is not just an academic question it is very much a focus of socio political and wider community attention The challenge to understand interreligious relations is of critical importance in today s world Religious Feminism and the Future of the Planet Rita M.

Gross, Rosemary Radford Ruether, 2016-10-06 Rita Gross and Rosemary Radford Ruether have long been known for their feminist contributions to Buddhism and Christianity respectively In this book they talk candidly about what these traditions mean to them in both their liberating as well as problematic aspects Throughout the book their life stories provide the rich soil perhaps even the rationale for their theological and spiritual development Despite the marked differences in their life histories and their respective religious faiths Gross and Radford Ruether achieve surprising unanimity on the paramount issue what engaged Buddhism and enlightened Christianity can offer in the struggle to create a new future for the planet

Buddhism and Christianity in Japan Natto R. Thelle, 2021-05-25 The modern dialogue between Buddhism and Christianity in Japan is reaching new depths and insights and is being recognized today as a challenging and promising point of contact between two cultures This volume is based on the premise that an understanding of the past is important for meaningful interaction in the present By placing the Buddhist Christian dialogue in historical perspective the author provides an essential element for critical and creative reflection on today s dialogue Thelle s historical examination begins with the arrival of Francis Xavier in 1549 which initiated the Christian century However his main emphasis is on the nineteenth century when relations between the two religions moved from confrontation to conciliation The opening of Japan in 1854 initiated a confrontation that was more than a religious conflict the meeting of the two faiths was part of an all inclusive cultural clash The confrontation of Buddhism and Christianity is interpreted in a broad cultural and sociopolitical context and reveals how strongly both religions were influenced by the social and ideological upheavals in nineteenth century Japan The vital issue was which religion would become the spiritual basis for the new Japan Christianity introduced as the spiritual backbone of Western power was associated with ideas of modernization and democracy Buddhism regarded as part of the old culture was in serious crisis But the conflict was not resolved in victory and defeat Radical changes took place within the two religions and by the turn of the century confrontation had moved toward conciliation The author examines the origins of emerging peaceful dialogue and uncovers the complex process by which it grew out of an atmosphere of animosity and distrust Thelle s central themes are the connection between Christian expansion and Buddhist anti Christian campaigns religion and nationalism Christian impact on Buddhist reform movements attempts at unifying the two faiths into a new religiosity and the development of an indigenous Japanese theology He throws light on cross cultural interactions far beyond

the specialized area of religion and theology With its broad cultural and sociopolitical scope this book will interest all students of Japanese history and culture *A Universal Faith? Peoples, Cultures, Religions, and the Christ* Catherine Cornille, Valeer Neckebrouck, 1992 This volume of essays is dedicated to Frank De Graeve s j Professor Emeritus of Missiology and the Comparative Study of Religions at the K U Leuven Throughout a long teaching career in the United States and Belgium his two main concerns have been the inculturation of Christianity in the Various continents and particular contexts and the theological reflection on religious pluralism The contributions to this collection are therefore centered around these two topics Valeer Neckebrouck and Catherine Cornille are Frank De Graeve s successors in the fields of Missiology and the Comparative Study of Religions respectively Valeer Neckebrouck is the author of *La Tierce Eglise devant le probleme de la culture* among numerous other works and Catherine Cornille s *The Guru in Indian Catholicism* has already appeared in this series *Many Mansions?* Catherine Cornille, 2010-04-01 These superb essays explore the phenomenon of individuals who identify themselves as followers of more than one religious tradition The results prove that the late Joseph Kitagawa was prescient when he cautioned that the world is Easternizing as much as it is Westernizing and that modernization is a far from adequate key to name what is happening in world religious history in our age **Pneumatology and the Christian-Buddhist Dialogue** Amos Yong, 2012-07-26 This project at the interface of Buddhist Christian studies comparative theology and Christian systematic theology proceeds by way of exploring questions related to the presence and activity of the Holy Spirit in a 21st century world of many faiths **From Christ to Confucius** Albert Monshan Wu, 2016-01-01 N O P Q R S T V W X Y Z **Buddhist-Christian Dialogue** Paul O. Ingram, Frederick J. Streng, 2007-04-01 The essays in this volume focus on philosophical theological and structural aspects of contemporary Buddhist Christian dialogue in an effort to assess its potential as a source for the renewal and transformation of both traditions Writing from differing assumptions academic disciplines and religious world views the nine Christian and two Buddhist contributors are nevertheless agreed that interreligious dialogue can contribute meaningfully to our understanding of some of the profound issues arising out of modern self consciousness Believing that the human community and its survival are threatened everywhere by secularism they seek to show that the dialogue between Buddhists and Christians can provide not only insights but a conceptual framework for authentic living in the present age of religious pluralism Each writer shares the conclusion that Buddhist Christian encounter is vitally important for a larger understanding of contemporary issues of self identity evil communication and fulfillment **WILLIAM WALKER ATKINSON Ultimate Collection - 58 Books in One Volume** William Walker Atkinson, 2023-12-07 William Walker Atkinson s Ultimate Collection is a remarkable compendium that showcases 58 of his influential works which span the domains of personal development metaphysics and the philosophy of the mind Merging elements of New Thought philosophy with practical advice Atkinson s prose is both engaging and accessible reflecting the intellectual currents of the early 20th century Through his distinctive literary style which blends

Concerns and Issues in Won Buddhism

Bokin Kim,2000-01-01 The world of Won Buddhism the Great Master described has three realms the spirit of Re creation the morality of Grace and the revival of Buddhism According to this new understanding of our world we are not separated from Buddha Dharma and the Buddha even though we are living in this secular world On the contrary they are present in the very fabric of life Thus where freedom equality and gratitude are fully manifested our everyday common lives take place in the realm of spirituality and holiness There is an increasing need and demand for Won Buddhist resources in the English language It is my hope that the essays in this collection contribute to a greater understanding of the world of Won Buddhism

Pantheistic Theosophy is irreconcilable with Roman Catholicism Helena Petrovna Blavatsky,2020-11-13 Part 1 Abbe Roca s ecclesiastical views upon the Esotericism of Christian Dogma Part 2 Madame Blavatsky refutes the Word made flesh of the Catholic Church Christian texts are allegories to the archaic mysteries of the Cycle of Initiation and keys to the once universal mystery language When esoterically interpreted they reveal their fundamental identify with the same Universal Truths By imposing the dogma of the Word made flesh the Latin Church is diametrically opposed to the tenets of Eastern Occultism thus maintaining an abyss between East and West as long as neither yields an inch Today s Christians are the usurpers of a name they no longer understand By denying the Divine Logos to any other man except Jesus of Nazareth the Churches carnalised the Christos of the Gnostics and that alone prevents them having any point in common with the disciples of the Archaic Wisdom The Church of Rome was Gnostic just as much as the Marcionites were until the middle of the second century Further evidence that Rome has wandered farthest from the real religion of the mystical Christ is that it adopted the solar tonsure proper to the Egyptian priests of the public temples and to the lamas and bonzes of the popular Buddhist cult No sacrificial victim can be united with Christ triumphant before passing through the stage of the suffering Christ who was put to death on the cross of his passions It is the light of the glorious Christ Spirit that directs the modern Theosophical movement The Astronomical Christ can have only one anniversary of birth and resurrection in years because his parents are the Sun and the Moon the heavenly bodies that accompany the Man crucified in Space Paul had been converted not to the

Jesus of Nazareth but to the Christos of the Gnostics In his Epistles he has been made to fulminate against the heretics Peter James and the other Apostles The sacred fire which Prometheus stole from the gods is the flame of self consciousness the spark that quickened the human mind The supposed theft of the sexual flame is the outcome of evolution of which the Darwinian theory is but the rough exterior husk on the material plane Since men had discovered the secret of physical creation and were procreating in their turn what was the use of god creators The true Christ is the glorious Ego triumphant over the flesh We solemnly reject the dogma of Ascension which degrades the great mystery of Universal Unity Mysteries were invented by those who are bent on exercising power in order to manipulate the ignorant by arrogating the prerogative of gods Did you know that the mysteries of the Catholic Church are those of the Brahmanas though under other names Part 3 Abbe Roca counter responds to Madame Blavatsky's observations Part 4 Madame Blavatsky debunks Abbe Roca's mistaken notions concerning her observations The Abb has consigned the theological Christ to the background and has not breathed a word about the esoteric Christos Moreover he bears me a grudge for having displayed what he pleases to call such erudition He deceives himself in fancying he understands Buddhism but he does not know it even exoterically any more than Hinduism even in its popular form Theosophy is neither Buddhism Christianity Judaism Mohammedanism Hinduism nor any other ism it is the esoteric synthesis of the world's religions philosophies and sciences Abb Roca has fabricated for himself a Christianity of his own Our Masters are far too great to bedizen themselves with the peacock's feathers of infallibility The puff of wind which knocks down a house of cards may easily pass for a heavy squall in the eyes of the architect who built it but if the Abb lays the blame on the puff rather than on the weakness of his edifice this is certainly not my fault The homage he renders to the wisdom of our Masters instead of intoxicating me by its heady fumes as he alleges it made me feel an even deeper mistrust of his motives A divine Christ has never existed under a human form outside the imagination of blasphemers who have carnalised a universal and wholly impersonal principle The Man God of the Christians was never historical person He is a deified personification of the glorified type of the great Hierophants of the Temples and his story as told in the New Testament is a mere allegory assuredly containing profound esoteric truths but still an allegory Matthew's strait is the gate and narrow is the way applies neither to the Abb nor to his faith In his Church the way and the gate to heaven become wider in proportion to the sums paid by the faithful The Churches which style themselves Christian are nothing but whited sepulchres filled with the dead bones of esoteric paganism and moral putrefaction It is infinitely more difficult more meritorious and more godlike to live for the love of whether man or an ideal than to die for it We have thus shown to the Abb what we Occultists know as opposed to what some Fathers of the Church believed they knew Not only he deceives himself he is hopelessly optimistic Though I amply elaborated upon the real Christ i.e. the impersonal pre-Christian Logos Abb Roca keeps reverting back to the ecclesiastical and dogmatic Christ of his Church Part 5 Abbe Roca's final response annotated by Madame Blavatsky Part 6 Fearless Roca was finally defrocked for coquetting too openly with Theosophy Alas His glorious

dream of a reconciliation between Pantheistic Theosophy and a Socialistic Latin Church under a Caesaro Papal head came to an abrupt end **The Japan Daily Mail** ,1893 **Religious Pluralism and Christian Truth** Joseph S.

O'Leary,2016-02-25 This is the second of three essays in fundamental theology along with Questioning Back 1985 and Conventional and Absolute Truth 2015 which attempt to reassess the status of Christian doctrinal language within the contemporary regime of truth Reflecting on the reality of religious pluralism as the governing horizon of theology today it proposes that the very notion of religious truth needs to be rethought In a dialogue with Derrida it argues that the effects of dissemination and differance have indeed unsettled any project of pinning down truth in a definitive substantial way while at the same time it defends the objectivity of concretely situated truth judgments as more than merely an effect of the play of language The Buddhist conceptions of emptiness conventional truth and skillful means further explored in Philosophie occidentale et concepts bouddhistes 2011 allow a positive religious significance to be found in this mutation in the status of Christian truth **Liberating Spiritualities** Christopher D. Tirres,2024-12-03 A new perspective on spirituality and social change as seen through the work of six visionary thinkers In Liberating Spiritualities Christopher D Tirres offers an in depth exploration of spirituality as a catalyst for social transformation showcasing the profound insights of six distinguished twentieth century liberation thinkers from across the Americas This thought provoking work examines the contributions of Marxist philosopher Jos Carlos Mari tegui renowned educator and philosopher Paulo Freire innovative constructive theologian Virgilio Elizondo influential cultural and feminist theorist Gloria Anzald a activist mujerista theologian and social ethicist Ada Mar a Isasi D az and groundbreaking ecofeminist theologian Ivone Gebara Tirres examines the distinct yet interconnected philosophies of these figures showcasing their unified critique of colonial Christendom and their deep commitment to the marginalized He adeptly articulates how their diverse religious and philosophical backgrounds come together in a shared vision of spirituality as a fundamental aspect of human life and intelligence He further illuminates how these thinkers advocate for spirituality as a non reductive life affirming practice transcending traditional boundaries and offering an integrated approach to faith culture and social justice Their collective insights form a persuasive case for re envisioning spirituality as a crucial element in the quest for a more just and compassionate world Liberating Spiritualities is not only a tribute to these six influential figures but also a critical reflection on the relevance of their ideas in today s global context Tirres s transdisciplinary study bridges liberationist and pragmatic insights offering readers a fresh highly original interpretation of socially engaged spirituality making this book an essential resource for those seeking to understand the transformative power of spirituality in the pursuit of social justice and human dignity *Digest; Review of Reviews*

Incorporating Literary Digest ,1900 *Fragrant Rivers of Wisdom* A. Christian van Gorder,2021-12-09 Buddhism and Christianity are ancient rich and multivalent wisdom spirituality traditions that often have insightful similarities as well as distinct perspectives from entirely different starting points *Fragrant Rivers of Wisdom* explores some of these paths and

encourages readers to gain as far as is possible a participant's appreciation of another faith. This book aims to help readers celebrate and enjoy the rich wisdom legacies of a teacher revealing a pure lotus blossoming from mud and the legacies of a peasant Jewish carpenter from Galilee revealing love on a cross. Both teachers share the power of love, the joys of healing, encouragement and the creative resources of spirit-filled living. Their ancient words and their modern communities still following these paths are dynamically relevant for our modern context of confusion and challenge.

The Promise of Salvation Martin Riesebrodt, 2010-02-15. Why has religion persisted across the course of human history? Secularists have predicted the end of faith for a long time, but religions continue to attract followers. Meanwhile, scholars of religion have expanded their field to such an extent that we lack a basic framework for making sense of the chaos of religious phenomena. To remedy this state of affairs, Martin Riesebrodt here undertakes a task that is at once simple and monumental: to define, understand and explain religion as a universal concept. Instead of propounding abstract theories, Riesebrodt concentrates on the concrete realities of worship, examining religious holidays, conversion stories, prophetic visions and life cycle events. In analyzing these practices, his scope is appropriately broad, taking into consideration traditions in Judaism, Christianity, Islam, Buddhism, Daoism and Shinto. Ultimately, Riesebrodt argues, all religions promise to avert misfortune, help their followers manage crises and bring both temporary blessings and eternal salvation. And as *The Promise of Salvation* makes clear, through abundant empirical evidence, religion will not disappear as long as these promises continue to help people cope with life.

Sharing Jesus Effectively in the Buddhist World David S. Lim, Steve Spaulding, Paul H. De Neui, 2005. This is the third book in the *Sharing Jesus in the Buddhist World* series, written by evangelical mission reflective practitioners who are committed to developing more effective ways to win the Buddhist peoples to the Lord Jesus Christ. The opening chapter describes *The Changing Demographic Context of Global Buddhism*; the next six describe some of the best models of mission approaches for reaching Buddhists; and the last four depict some past and present people movements or church planting movements.
