A Calvin Treasury:

A Calvin Treasury Jean Calvin,1992 *Calvin's Geneva* E. William Monter,2012-06-20 For over four hundred years the city of Geneva has been important in Western history The character of this city steady serious erudite clannish and proud has remained virtually unchanged since Calvin s time the heroic age when she first became famous Professor Monter relates the success story of this fascinating city through a fresh synthesis of printed and archival sources In the sixteenth century Geneva succeeded in winning and maintaining her independence a feat unique in Reformation Europe Into this special environment came Calvin and his triumph was the result of a brilliant mind and an undeviating will being placed in the midst of the crude and confused surroundings of a revolutionary commune Professor Monter explores the components of Geneva s and Calvin s fame in a number of ways First he outlines the history of the city from the early sixteenth century to Calvin s death in 1564 showing the tumultuous environment of the city where Calvin worked and the means by which local opposition to Calvin dissolved He next describes the principal institutions and social groups of Calvin s Geneva the established church the civil government and the foreign refugee communities Finally he assesses Calvin s legacy to Geneva and discusses the workings of Calvinism after its founder s death As a whole Calvin s Geneva is a revealing portrait of a major city and an acute analysis of its effect on one of the most important men in the sixteenth century **Social Concern in Calvin's Geneva**

Department of the Treasury,1875 *The Publishers Weekly* ,1992 The Statutes of California and Amendments to the Codes California,1891 John Calvin's Bible Commentaries On The Harmony Of The Gospels Vol. 3 John Calvin, Calvin produced commentaries on

most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation Our Author has exerted a powerful influence on all succeeding expositors They have found their interest in listening to his instructions and have been more deeply indebted to him than is generally known Many valuable interpretations of passages of Scripture appeared for the first time in his writings and have ever since been warmly approved In other cases the views which had been previously held are placed by him in so strong a light as to remove every doubt and satisfy the most cautious inquiry And yet the stores from which so much has been drawn are far from being exhausted nor is their value greatly lowered by improvements which have been subsequently made The department of History presents an analogous case Documents which had been overlooked are carefully examined Conflicting evidence is more accurately weighed Important transactions assume a new aspect or at least are altered in their subordinate details Still there are historians in whose narrative the great lines of truth are so powerfully drawn that the feeble though more exact delineations of other men cannot supply their place In the chief moral requisite for such a work Calvin is excelled by none He is an honest interpreter No consideration would have induced him to wrest the words of Scripture from their plain meaning Those who may question his conclusions cannot trace them to an unworthy motive Timid theologians will be occasionally startled by his expositions

The Collected Writings of James Leo Garrett Jr., 1950–2015: Volume Four James Leo Garrett Jr., 2020-05-06 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many for so long Volume 4 is the first of two volumes that will contain his theological essays Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garrett Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations

Calvin's Crusaders in the Wars That Made America David T. Fisher, 2021-10-15 Nathaniel Scudder a well educated Presbyterian physician was an idealistic early advocate of the rebellion Like many of his fellow graduates of the College of New Jersey later Princeton University he believed in the Calvinist vision of a pious republic His wife Isabella Anderson Scudder a wealthy heiress and granddaughter of a royal governor reluctantly accepted her husband's radical political inclinations while fearing the tragic consequences that might result After a brilliant career as a physician and elder of the Presbyterian Church he was elected to represent New Jersey in the Continental Congress where he became one of the signatories of the Articles of Confederation He eventually grew so frustrated by the blatant corruption he experienced that he abandoned politics and helped form an extra legal vigilante organization the Retaliators Nathaniel s

inner journey to the abandonment of his congressional mandate in favor of participation in violent retaliation was driven by his friendship and admiration for David Forman the main architect of the retribution strategy On October 16 1781 Nathaniel Scudder became the only person who served in the Continental Congress to die in action in the War of American Independence In a skirmish between Retaliators and Loyalists he was struck by a bullet meant for David Forman

The Sacrament of the Word Made Flesh Robert J. Stamps, 2013-08-01 Endorsements Robert Stamps offers us a compelling case for the significance of the theology of Thomas Torrance to current discussions about Trinitarian doctrine and worship He shows that Torrance's Christology and Eucharistic thought validates the Reformed confession of a profound real spiritual presence in the Eucharist This book serves as a helpful introduction to Torrance especially his framing of revelation Moreover it invigorates our understanding of the theological meaning of sacramental devotion Its readers will be stimulated provoked and dare I say inspired by its insights into and critiques of one of the most important and recent Reformed thinkers In sum this is a timely and exciting book It will well serve pastors theologians and thoughtful Christians of many theological perspectives MARK VALERI E T Thompson Professor of Church History Union Theological Seminary Virginia One of the values of this work is that it has deliberately sought not so much to discuss a particular problem or a collection of issues as to identify Torrance as an example of an archetypal Reformed theology of the Eucharist To say that Dr Stamps has been industrious is patently an understatement the truth is that he has been indefatigable in his search for the least morsel that Torrance offers Yet it is not so much as a study of Torrance that this book is to be commended its great value is that it offers a contextualization of Torrance's thinking on the Eucharist in ecclesiology the more general dimension of an incarnational theology as well as his understanding of cosmology and epistemology I hope that Dr Stamps book will not only find grateful readers but will be repaid by profound reflection on this symbol of the heart of faith JOHN HEYWOOD THOMAS Emeritus Professor of Theology University of Nottingham
