Pollard, 2017-07-24 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree

possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

The Shakespeare First Folio: A new worldwide census of first folios Anthony James West,2001 Existing copies of the Shakespeare First Folio 1623 were surveyed and counted a hundred years ago in Sidney Lee s Census of 1902 Since then some seventy copies have come to light some of which are only now identified as First Folios This new Census lists 229 copies giving concise descriptions of each The entries cover condition including the number of original leaves items of special interest provenance and binding A concordance of Lee and West numbers is also provided To set the stage the volume tells the story of the search for copies and the detective work involved in dealing with doubtful identifications Because Folios survive in such a wide variety of condition the tests for defining what to count as a copy are described then demonstrated with three unnumbered unrecognized copies at the Folger Shakespeare Library Finally details of missing copies are given to increase the likelihood of their rediscovery

A Census of Shakespeare's Plays in Quarto, 1594-1709 Henrietta Collins Bartlett,1939 *The Cambridge Bibliography of English Literature* Frederick Wilse Bateson,1940 *A Synoptic Hamlet: a Critical-Synoptic Edition of the Second Quarto and First Folio Texts of Hamlet* Jesús Tronch-Pérez,Jesús Tronch,2002 A Synoptic Hamlet is an alternative response to the editorial problems of this multiple text play Like most critical editions it presents the early texts in a manner helpful to the general reader by modernizing spelling and punctuation and emending non sensical readings However it does not hide the text s diversity by exclusively selecting readings from either the Second Quarto or the First Folio in order to reconstruct a single reading version corresponding to the authentic Hamlet Rather it makes their significant variants immediately available in the line itself offering alternative editorial interpretations of identical or similar readings at certain points Thus the reader can have a direct appreciation of the divergence and similarity between these early texts from which the Hamlet of today is known

The Oxford Handbook of the History of the Book in Early Modern England Adam Smyth,2023-09-05 The Oxford Handbook of the History of the Book in Early Modern England provides a rich imaginative and also accessible guide to the latest research in one of the most exciting areas of early modern studies Written by scholars working at the cutting edge of the subject from the UK and North America the volume considers the production reception circulation consumption destruction loss modification recycling and conservation of books from different disciplinary perspectives Each chapter discusses in a lively manner the nature and role of the book in early modern England as well as offering critical insights on how we talk about the history of the book On finishing the Handbook the reader will not only know much more about the early modern book but will also have a strong sense of how and why the book as an object has been studied and the scope for the development of the field

Aspects of Book Culture in Early Modern England T.A. Birrell,edited by Jos

Blom, 2024-08-01 Thomas Anthony Birrell 1924 2011 was a man of many parts For most of his working life he was Professor of English Literature in the University of Nijmegen The Netherlands where he was famous for his lively humoristic and thought provoking lectures He was the author of some very popular literary surveys in Dutch one of which a history of English literature has had seven editions so far However first and foremost he was a bibliographer and a book historian The present collection contains fifteen of his book historical articles two reviews and one published version of a lecture for the illustrious Association Internationale de Bibliophilie The lecture with a wealth of illustrations about the British Library as the Custodian of the Unique gives one a sense of Birrell s ability to present an audience with a complicated topic in comprehensible but not simplified terms The reviews serve as a statement of principle of how to tackle the subject of English readers and books and the standards that ought to apply The articles demonstrate Tom Birrell s in depth knowledge dedication and scholarship He once said that he felt that he could have talked to the 17th century London booksellers on an equal footing and his work convinces one that they would have enjoyed these conversations Aspects of Book Culture was edited by Birrell s former pupil colleague friend and fellow bibliographer Jos Blom The Concise Cambridge Bibliography of English Literature George Watson, **A Selective Bibliography of Shakespeare** James G. McManaway, Jeanne Addison Roberts, 1978-07 This bibliography provides easy access to the most important Shakespeare studies in the past four decades Brief annotations a detailed table of contents cross references and a complete index make this bibliography especially useful *Canonising Shakespeare* Emma Depledge, Peter Kirwan, 2017-09-28 This book demonstrates how the book trade of 1640 1740 canonised Shakespeare by selling editing and promoting his plays and poems **Locating Shakespeare in the Twenty-First Century** Gabrielle Malcolm, Kelli Marshall, 2012-03-15 The first decade of the new century has certainly been a busy one for diversity in Shakespearean performance and interpretation yielding for example global virtual digital interactive televisual and cinematic Shakespeares In *Locating Shakespeare in the Twenty First Century* Gabrielle Malcolm and Kelli Marshall assess this active world of Shakespeare adaptation and commercialization as they consider both novel and traditional forms from experimental presentations in person and online and literal rewritings of the plays playwright to televised and filmic Shakespeares More specifically contributors in *Locating Shakespeare in the Twenty First Century* examine the BBC s ShakespeaRE Told series Canada s television program *Slings and Arrows* the Mumbai based film *Maqbool* and graphic novels in Neil Gaiman s *Sandman* series as well as the future of adaptation performance digitization and translation via such projects as National Theatre Live the Victoria and Albert Museum s Archive of Digital Performance and the British Library s online presentation of the complete Folios Other authors consider the place of Shakespeare in the classroom in the Kenneth Branagh canon in Jewish revenge films Quentin Tarantino s included in comic books in Young Adult literature and in episodes of the BBC s popular sci fi television program *Doctor Who* Ultimately this collection sheds light at least partially on where critics think Shakespeare is now and where he and his works might be going

in the near future and long term One conclusion is certain however far we progress into the new century Shakespeare will be there *A Selective Bibliography of Shakespeare* James Gilmer McManaway, Jeanne Addison Roberts, 1975 This bibliography provides easy access to the most important Shakespeare studies in the past four decades Brief annotations a detailed table of contents cross references and a complete index make this bibliography especially useful *Shakespeare Survey* Allardyce Nicoll, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback *Shakespeare's 'Lady Editors'* Molly G. Yarn, 2021-12-09 This bold and compelling revisionist history tells the remarkable story of the forgotten lives and labours of Shakespeare's women editors
