A Century of War and Peace Timothy L. H. MacCormack, Michael J. Tilbury, Gillian Doreen Triggs, 2001-02-28 This the first volume in the new series Melbourne Studies in Comparative and International Law contains the revised and updated versions of papers presented to the Asia Pacific Regional Conference held at The University of Melbourne to commemorate the centenary of the 1899 Hague Peace Conference and the 50th anniversary of the 1949 Geneva Conventions Within the context of the Asia Pacific region the collection by a wealth of international scholars and expert practitioners explores the major issues addressed at the Conference in 1899 including the peaceful settlement of disputes international humanitarian law and arms control and disarmament

Century of War (Large Print 16pt) Gabriel Kolko, 2011-05 Over the last three decades the historian Gabriel Kolko has redefined the way we look at modern warfare and its social and political effects Century of War gives us a masterly synthesis of the effects of war on civilian populations and the political results of these traumatizing experiences in the twentieth century

A Century of War William Engdahl, 2004 Gripping account of oil's role in world politics and conflicts throughout the 20th century and beyond

Alan S. Milward and a Century of European Change Fernando Guirao, Frances M. B. Lynch, Sigfrido M. Ramírez Pérez, 2012 The main purpose of the book is to introduce the work of Alan S Milward and to acknowledge the full magnitude of his scientific contribution to contemporary British and European history The book is a collection of essays which provide a better understanding of Alan Milward's extensive intellectual work for future scholars and facilitate the knowledge and transmission of his published work to present and future generations of students scholars in the various disciplines concerned and the general public The series of original contributions which this book contains are related to or reflect critically upon Milward's own contributions to the fields of political diplomatic and socio economic history political science economics international relations and European Studies in general This book honors Alan Milward through a better understanding of his many pioneering contributions in the fields of contemporary European history in general and the history of European integration in particular Although the volume does not aim to be a substitute for Milward's work itself it illuminates and assesses his creative process along fifty years of continued and intense work as well as the impact of his main work and the continuing relevance of his main theses today

Sport and the Pursuit of War and Peace from the Nineteenth Century to the Present Martin Hurcombe, Philip Dine, 2023-03-14 This volume of wide ranging essays by sport historians and sociologists examines the complex relations of war peace and sport through a series of case studies from South and North America Europe North Africa Asia and New Zealand From formal military training in the late nineteenth century to contemporary esports the relationship between military and sporting cultures has endured across nations in times of conflict and peace This collection contextualizes debates around the morality and desirability of continuing to play sport against the backdrop of war as others are dying for their nation It also examines the legacy and memory of particular wars as expressed in a range of sporting practices in the

immediate aftermath of conflicts such as the World Wars and wars of independence At the same time this book analyses the history of sport and peace by considering how sport can operate as a pacification in some contexts and a tool of reconciliation in others Together and through an introductory framing essay these essays offer scholars of sport conflict studies and cultural history more broadly a multinational analysis of the war peace sport nexus that has operated throughout the world since the late nineteenth century Chapter 11 of this book is available for free in PDF format as Open Access from the individual product page at www.taylorfrancis.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license Funded by Tokyo University

Century's of War's Irene J. Dumas, 2020-05-06 In this book you will read a comprehensive history of wars as far back as the 1500s to present day Iraq This book not only talks about all wars the United States of America was active in it includes wars two centuries before the US became a nation Also besides reading about the twelve wars that the United States troops took part in the author comprised and has written about other events that are of significant nature such as the Andersonville Confederate Prison during the Civil War Throughout the book included in each war is placed a warrior The author has chosen a warrior for each of the earlier wars that she felt worthy The later wars like WW II Korea Vietnam and so on she has included a warrior that she was fortunate enough to interview and tell about their military history

Another Century of War? Gabriel Kolko, 2011-05-10 Another Century of War is a candid and critical look at America's new wars by a brilliant and provocative analyst of its old ones Gabriel Kolko's masterly studies of conflict have redefined our views of modern warfare and its effects in this urgent and timely treatise he turns his attention to our current crisis and the dark future it portends Another Century of War insists that the roots of terrorism lie in America's own cynical policies in the Middle East and Afghanistan a half century of realpolitik justified by crusades for oil and against communism The latter threat has disappeared but America has become even more ambitious in its imperialist adventures and as the recent crisis proves even less secure America Kolko contends reacts to the complexity of world affairs with its advanced technology and superior firepower not with realistic political response and negotiation He offers a critical and well informed assessment of whether such a policy offers any hope of attaining greater security for America Raising the same hard hitting questions that made his Century of War a crucial Globe and Mail assessment of our age of conflict Kolko asks whether the wars of the future will end differently from those in our past
