The Church of Almighty God

A Change Of Gods:

The Complete Works of Stephen Charnock: Discourses on divine Providence and the existence and attributes of God Stephen Charnock, 1864 **God Has Come, He Is King** The Church of Almighty God, Almighty God Christ of the last days has expressed a variety of truths uncovered every truth and mystery in the Bible and revealed to mankind the inside story of the three stages of God's work the mystery of God becoming flesh and God's work of judgment in the last days etc This testifies that Almighty God is the return of the Lord Jesus and that He is the appearance of God in the last days

Prayer, Middle Knowledge, and Divine-Human Interaction Kyle D. DiRoberts, 2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one's account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for middle knowledge God's sovereignty includes both his omniscience and libertarian human freedom **Jonathan Edwards' Concerning The End for Which God Created the World** Walter J. Schultz, 2020-01-20 This book is an exposition of Jonathan Edwards' argumentation in his dissertation *Concerning the End for Which God Created the World* In addition to stating Edwards' theses regarding God's end and motivation in creation this book identifies and discusses the assumptions of his argumentation analyses and explains its crucial components and explores its philosophical implications These implications include a version of exemplarism i.e. the nature of God's ideas for creation dispositionalism i.e. the characteristics of God which explain God's motivation and emanationism i.e. what God shares of himself with persons who have a living faith in Christ These entail a view of idealism i.e. a view of the ultimate ontological ground of the universe God's temporal nature continuous creationism i.e. how God sustains creation a version of panentheism i.e. how God who is infinite is related to creation from which God is absolutely distinct and occasionalism i.e. the nature of causation of physical events or states of creation These concepts and what they entail constitute a complete metaphysical system providing a thoroughgoing divine action understanding of the foundation of reality For Jonathan Edwards God's acting according to his plans for his purposes in Christ is fundamental to all things Were we to have an understanding of how the fundamental concepts of science mathematics and ordinary experience are related in reality to the God who acts for his original ultimate end in creation sustaining the universe while providentially guiding its affairs and working redemption we would have the opportunity to develop these as he had hoped he pointed the way for

An Examination of the alleged Discrepancies of the Bible ... With an Introduction by A. Hovey John W. HALEY, 1874

The Gift of Purpose J. Alexander Rutherford, 2020-12-18

Many writers and commentators are convinced that Western culture and society are unravelling Who can blame them As I write this violent protests rage across the USA in response to senseless murders The political sphere has never seemed so virulent and a deadly epidemic has affected all our lives Many are agreed that there are serious problems working themselves out in Western society yet among Christians there is little agreement over the approach we should take to the West and its problems This issue how Christians should approach engagement with culture is not a new one nor is it a uniquely Western issue Christians in every age and in every culture are confronted with this question In response to many today who see it as the Christian responsibility to save the West to preserve its unique cultural heritage and achievements this author argues that our lives in this world need to be governed by three theological themes ecclesiology soteriology and eschatology That is we must prioritize the local church engage with society with the understanding that earthly kingdoms are manifestations of Satan's kingdom and live in light of Christ's imminent return

The Thought of Thomas Aquinas

Brian Davies, 1992-01-30

Thomas Aquinas was one of the greatest Western philosophers and one of the greatest theologians of the Christian church In this book we at last have a modern comprehensive presentation of the total thought of Aquinas Books on Aquinas invariably deal with either his philosophy or his theology But Aquinas himself made no arbitrary division between his philosophical and his theological thought and this book allows readers to see him as a whole It introduces the full range of Aquinas thinking and it relates his thinking to writers both earlier and later than Aquinas himself

The Turning Point Katina S. Acker, 2009 The manuscript The Turning Point When the Pleaser of Man Becomes a Servant of the Lord is a call for believers to stand up to core values and teachings of Christianity in the face of challenges and not to submit to the ways of the world In the book I address the current state of affairs where people have submitted to the demands and expectations of others to shape the way they live most often against the virtues taught by Jesus Christ and how it parallels with the struggles in the lives of the men and women of our Biblical times I address some of the issues we face on a daily basis such as daily pressures premarital sex and the various life roles that we must play In the latter part of the manuscript I share personal testimonies about my life struggles because of the workings of the devil and how I found peace and joy through the salvation of Jesus

Christ And I close with exhorting everyone to check their own lives and live up to the ways of righteousness The End of the Timeless God R. T. Mullins,2016-01-07 The claim that God is timeless has been the majority view throughout church history However it is not obvious that divine timelessness is compatible with fundamental Christian doctrines such as creation and incarnation Theologians have long been aware of the conflict between divine timelessness and Christian doctrine and various solutions to these conflicts have been developed In contemporary thought it is widely agreed that new theories on the nature of time can further help solve these conflicts Do these solutions actually solve the conflict Can the Christian God be timeless The End of the Timeless God sets forth a thorough investigation into the Christian understanding of God and the God world relationship It argues that the Christian God cannot be timeless Upon This Rock Rosie Rivera,2014-09-26 Many new believers struggle due to a lack of teaching The Bible states that we as baby Christians should desire the sincere milk of the Word that we might grow by it Many people get born again and go back into the old lifestyle because they have no root in the Word and their foundation is weak I would like to see every new believer become established and grounded in the Word so that they have a firm foundation that cannot be moved Tests and trials come to each of us and whether we stand or fall depends on the type of foundation our lives are built upon The more we understand the Word the stronger our foundation becomes God desires that we take His written Word and His revealed Word and apply them to our daily lives This book is intended to inspire new believers to go after God to get to know Him and to love the Word There is no greater joy than knowing the one who came and gave His life that we might live Understanding Prayer for the Dead James B. Gould,2016-08-04 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory though not for the deliverance of the unsaved from hell This book defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the center of God s purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned **Hell's Spells** Jim Raley,2012-09-04 Are we living in a spellbound world When we think of spells the picture conjured up in our minds often has more to do with fables we learned as children An ugly old woman in a pointed hat reciting incantations at a boiling cauldron The reality however is much more dangerous Once given access to our lives Satan can manipulate dominate and intimidate even the strongest Christian Hell s Spells draws from Paul

s writings to the Galatian church to bring you a fresh awareness of Satan s spells and strategies demonstrating how you can break free from the influence of such evils as Controlling spirits Generational curses Witchcraft in the home Cutting through the sensationalism and spookiness of spiritual warfare Raley enables you to identify understand and break every bewitching spell the devil wants to launch against your life your family and your purpose On Behalf of God Bruce R.
