A Bibliography of Modern Prosody Karl Shapiro, 1967 **A Bibliography of Modern Prosody**, 1969 A Bibliography of Modern Prosody Karl Jay Shapiro, 1969 The Concise Cambridge Bibliography of English Literature George Watson,

The New Cambridge Bibliography of English Literature: Volume 1, 600-1660 George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *The Cambridge Bibliography of English Literature* Frederick Wilse Bateson, 1940 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

Bibliographical Guide to the Study of the Literature of the U.S.A. Clarence Gohdes, Sanford E. Marovitz, 1984 This fifth revised edition features approximately 1 900 items most of which are annotated It addresses several interdisciplinary studies that have become prominent in the last decade especially on popular culture racial and other minorities Native Americans and Chicanos and literary regionalism It allots more space to computer aids science fiction children s literature literature of the sea film and literature and linguistic studies of American English and includes a new section on psychology The appendix lists the biography of each of 135 deceased American authors ISBN 0 8223 0592 5 22 50 For use only in the library A Reference Guide for English Studies Michael J. Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner s Literary Research

The English Alliterative Tradition Thomas Cable, 2016-11-11 The meter of Middle English alliterative poetry Thomas Cable contends holds the key to a reinterpretation of both Old English meter and iambic pentameter which in turn provides a new understanding of Middle English meter itself Drawing upon recent insights in linguistics Cable articulates a revolutionary theory of rhythm in English poetry from its beginnings through the Renaissance and beyond Cable's discussion moves from the rhythms of Old English poetry and prose to the poetry of Chaucer and the Alliterative Revival to Shakespeare and T S Eliot He demonstrates that Middle English poetry does not show the continuity of tradition that standard authorities have asserted With the Norman Conquest of 1066 came a clear break and what followed was a drastic misreading by the poets of what had come before Throughout the book Cable constantly asks fundamental questions regarding the intentions of the poet the impact of the perceived metrical tradition upon that poet and with reference to Peircean abduction the possibility of constructing any metrical theory especially one from the distant past The answers and their implications metrical cognitive and philosophical provide the foundation for a new understanding of the creation and evolution of English versification from the seventh century to the present *The English Alliterative Tradition* is a major and controversial study in medieval English poetics that illustrates and clarifies key ideas of the New Philology It will be of interest to scholars and students of Old and Middle English prosody and historical linguistics
