Baldwin,1850 **A Biographical Dictionary of Actors, Volume 1, Abaco to Belfille** Philip H. Highfill, Jr.,Philip H. Highfill,Kalman A. Burnim,Edward A. Langhans,1973-12 To be completed in 12volumes this monumental work here begins publication with the first two volumes Abaco to Bertie and Bertin to Byrard When completed it is expected that the biographical dictionary will include information on more than 8 500 individuals Hundreds of printed sources have been searched for this project and dozens of repositories combed and the names of personnel listed have been filtered through parish registers whenever possible From published and unpublished sources from wills archives of professional societies and guilds from records of colleges universities and clubs and from the contributions of selfless scholars the authors have here assembled material which illuminates theatrical and musical activity in London in the 1660 1800 period The information here amassed will doubtless be augmented by other specialists in Restoration and eighteenth century theatre and drama but it is not likely that the number of persons now known surely or conjectured finally to have been connected with theatrical enterprise in this period will ever be increased considerably Certainly the contributions made here add immeasurably to existing knowledge and in a number of instances correct standard histories or reference works The accompanying illustrations estimated to be some 1 400 likenesses at least one picture of each subject for whom a portrait exists may prove to be a useful feature of the Work The authors have gone beyond embellishment of the text and have attempted to list all original portraits any knowledge of which is now recoverable and have tried to ascertain the present location of portraits in every medium **Biographia Juridica. Biographical Dictionary of Eminent Men of Fife, of Past and Present Times, Natives of the County, Or Connected with It by Property, Residence, Office, Marriage, Or Otherwise (Classic Reprint) Matthew Forster Conolly,2017-07-16 Excerpt from Biographical Dictionary of Eminent Men of Fife of Past and Present Times Natives of the County or Connected With It by Property Residence Office Marriage or Otherwise To supply such a desideratum the writer has put together the sketches referred to in the form of a biographical dictionary In following out the plan of the work the writer has aimed at producing something more than a mere compilation In addition to the lives of persons previously commemorated among the contents

will be found biographies of individuals hitherto overlooked As well as of men of note who have recently died and whose lives have been heretofore unwritten But besides these the author has introduced many sketches of contemporary biography i c notices of living men of our own day These have been written with brevity and caution with a strict adherence to facts and avoiding as far as possible matters of opinion because until the whole career of a man is finished it is impossible fairly to estimate his life and character About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
