Hoban,2021-03-25 Wonderful life saving places Russell Hoban among the greatest timeless novelists The Times Born to swim thousands of miles in the ocean the giant sea turtles are now trapped in a tank of golden green water at London Zoo But not for much longer Two lonely people a bookseller and a children s illustrator have begun thinking turtle thoughts As they come together to hatch a plan to release the turtles into the sea their diaries reveal how they find their own lives changing in imperceptible and quite unintended ways Crackles with witty detail mordant intelligence and self deprecating irony Time This lovely human fable seems to me one of the best things of its kind a fine and touching achievement John Fowles **The Juvenile instructor and companion** Young people, The Large-type Christian cabinet ,1878 **The Sunday School Magazine** ,1849 Today, Oh Boy Wesley Moore III,2023-03-31 Today Oh Boy is the tale of one day in the life of Rusty Boykin and Ollie Wyborn juniors at Summerville High School The year is 1970 and as a counterculture emerges in their conservative South Carolina community a cast of characters find themselves in the throes of social upheaval preppies jocks hippies and belligerent country boys who don t believe in giving peace a chance *The Speaking Voice; how to Cultivate, Develop, Modulate, Manage, Strengthen, and Preserve It; with Passages for Practice, Etc* Charles HARTLEY,1873

Nocturnes Paul Lippmann,2013-11-12 Nocturnes literally music for the night is a delightfully impressionistic investigation into everything that is not known and perhaps can never be known about dreams Rather than espousing yet another strategy of dream interpretation Lippmann proffers a naturalistic approach appreciative of the playful complex even zany creativity embodied in dreams He urges us that is to apprehend dreams on their own terms in a manner that enables patients actually to experience the unconscious in its radical difference from waking thought Lippmann delivers on his agenda lightly with a sense of humor and practicality that will engage lay readers as well as analysts and therapists He takes up questions of general interest that challenge us to reorient our thinking about dreams How do children learn about dreams and their telling Why are most dreams forgotten How may we understand dreams about sleeping and waking even dreams about dreaming And he reengages issues of perennial interest to analytic therapists dream disguise dream forgetting the companionship of dreams the neurotic dream expert and the therapist s management of his or her own anxiety when patients report their dreams Oh I had a dream last night the patient remembers Too often observes Lippmann this remark signals the beginning of an unfortunate struggle as the patient is called on to relate something that changes when it is put into words the analyst is put on the spot to come up with an interpretation and both are asked to extract something immediately useful and lately cost effective from something that partakes of magic and mystery How silly this ritual is Lippmann argues and how alien to the nature of the dream itself After reading *Nocturnes* no clinician from the novice to the most senior will hear the words Oh I had a dream last night in quite the same way *The Modern Afterlives of Old Irish Travel Narratives* Natalia I. Petrovskaia,2025-07-24 This book explores the reception of the medieval Irish tradition of fantastic journey tales in Jonathan Swift s *Gulliver s Travels* C S Lewis s *The Voyage of the Dawn Treader* Umberto Eco s *Baudolino* and the science fiction

television franchises Star Trek and Stargate In doing so the book opens the door to a new history of literary reception using Old Irish genre categories to analyse post medieval texts It aims to show that there is a family of texts produced in the post medieval period that are heirs of the medieval Irish literary tradition of fantastic voyage narratives and that using Old Irish genre categories to analyse post medieval works can open up new perspectives in our understanding of these works
