Barker, 2002-05 Even a man who is pure in heart and says his prayers at night may become a wolf when the wolfbane blooms and the autumn moon is bright And indeed this tale began in

the fall when the autumn moon was bright Michelle Baker comes to the border town of Brownsville Texas with her family Left alone to watch the house while her parents are in Mexico she begins to feel a great sense of isolation in a place where she has no friends or relatives no one to call on and more importantly no one to notice if she should be missing In September she begins the fall at college Being new to the area and alien to the culture which is 90% Hispanic she s reluctant to make friends until she meets Raul His crisp unaccented English and cool manner attract her at first quickly developing into kindred feelings as Raul shares many secrets Michelle has a natural gift for being able to communicate with the spirit world and reveals this to Raul in their initial conversation In return Raul unveils to Michelle that he believes himself to be a werewolf Michelle passes off his werewolf story as eccentricity as well as some sort of morbidity having to do with the death of his father in which he recites his grief about continuously throughout his phrases Later that evening Raul invites her to The Blue House the place where his father died Carelessly leaving with him that night Michelle finds herself in a fearful situation Raul drives her to the country side of Brownsville to the small community of San Pedro where the run down farm house stands in the darkness illuminated only by the dim security lamp off to the side of the yard otherwise swallowed in a most eerie manner by the shadows of mesquite trees Once inside the house Michelle finds herself amidst unworldly memories of living there She feels an instant connection to the house as one would feel to someone they d once known even though she d just arrived Raul drugs and seduces her delivering a painful bite She begins to fear him and really feel that he is a werewolf He fills her head with his lycanthropic desires and ideas intensifying her fears It isn t long before Michelle begins to have nightmares that she too is a werewolf The feelings of familiarity with the blue house become more intense and when Michelle goes uninvited to the house Raul becomes furious feeling she had uncovered many secrets about him and his family He had already been badly scorned by a previous lover who was then engaged to his best friend he was not about to be burned once again He begins dark rituals of magic to try and end Michelle s life and when black magic fails he literally tries to kill her on several foiled attempts To Raul s dismay Michelle has an eye for his friend who d broken up his former relationship and soon after she turns away from him Michelle begins seeing Cecilio further fueling an already raging fire of hate The memories keep coming to Michelle and she begins to see a stranger in her dreams associated with these recollections the stranger is Raul s father who is accompanied in the spirit world by his father Pancho and an Indian shaman Don Chonito She learns that the later two were always at his side in life as well Michelle wants to tell Raul about the dreams of his father and the memories in spite of the fact that he is attempting to murder her But the spirit of Raul s father who calls himself Melo warns her not to Michelle discusses her problems with Raul with a classmate Patrick a far out Wicca gothic vampire fellow He understands and introduces her to a woman he is acquainted with who helps people with spiritual problems a curandera named Trudy Van Frank Michelle seeks refuge in the woman s house both from her aloneness as well as safety from Raul who becomes above and beyond reproach But to Michelle s misfortune Trudy was once Raul s father s girlfriend Naturally she sides with Raul
