A Catholic University Terrence J. Murphy, 2001 *A Catholic University Vision and Opportunities* describes how a Catholic vision enabled a small college to increase its size fivefold and to become a university Entrepreneurial leadership enabled the College of St Thomas now University of St Thomas in St Paul Minnesota to relate its religious convictions to opportunities to educate new publics and thus have an enhanced role in the community and the Church Monsignor Murphy identifies what makes a university Catholic and how that identity is an integral driving force of a university BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Subjective Dimension of Human Work* Deborah Savage, Deborah M. Savage, 2008 In *The Subjective Dimension of Human Work* The Conversion of the Acting Person According to Karol Wojtyla John Paul II and Bernard Lonergan Deborah Savage explores the proper framework for understanding the human person in the act of self transcendence and for apprehending the role that human work may play in living a Christian life Through a comparative analysis of the anthropological theories of Wojtyla and Lonergan Savage seeks to establish the philosophical and theological foundations of how one becomes more of a human being through the work that he or she does and how to grasp the process of conversion that is made possible through work This book is suitable for graduate level courses in the neo Thomist tradition especially those analyzing the relevance of that tradition to modern day problems *The Ashgate Research Companion to John Owen's Theology* Mr Mark Jones, Mr Kelly M Kapic, 2015-07-28 As a revival in Owen studies and reprints has taken place this much needed Companion by an international group of leading scholars helpfully explores key questions related to Owen's method theology and pastoral practice Examining his thought through such topics as his epic work on the Holy Spirit his developed view of faith and reason and his contribution to the place of toleration this book offers an authoritative exploration of Britain's greatest theologians [Journal of Moral Theology, Volume 8, Special Issue 1](#) Matthew J. Viri Dignitatem: Personhood, Masculinity and Fatherhood in the Thought of John Paul II David H.

Delaney,2023-10-30 In numerous works both before and after his papal election John Paul II offers ample reflection on the themes of personhood relationality and sexual complementarity but while he advances a clearly articulated theology of femininity and motherhood as in his apostolic letter *Mulieris Dignitatem* he might seem to offer no equivalent treatment of masculinity and fatherhood In *Viri Dignitatem* David Delaney seeks to surface and systematize the rich but often overlooked theology of masculinity and fatherhood that is found dispersed throughout John Paul II s writings demonstrating its essentiality for understanding his larger anthropology In the first part of the study Delaney treats the foundations of this anthropology establishing John Paul II s thought on personhood relation and human action Building on this the second part considers sexual differentiation drawing out from John Paul II s teaching on the body femininity Mary and the Church his corresponding perspective on masculinity which is itself rooted in nuptial complementarity and the revealing work of Christ The third part focuses on John Paul II s theology of fatherhood which Delaney presents as both a natural and spiritual vocation that is based on the Fatherhood of God as this is manifested and imaged by the incarnate Son Finally the fourth part provides a synthetic assessment of this theology of masculinity and fatherhood showing its coherence and addressing contemporary criticisms and misinterpretations At a time of accelerating crises of sexuality the family and fatherhood Delaney s *Viri Dignitatem* provides a welcome and important elaboration of John Paul II s teaching on the dignity and vocation of man **Receptive Ecumenism As Transformative Ecclesial Learning** Paul D. Murray,Gregory A. Ryan,Paul

Lakeland,2022 Receptive Ecumenism asks not what other churches can learn from us but what can we learn and receive with integrity from our ecclesial others The chapters in this volume by academics church leaders and ecumenical practitioners show how Receptive Ecumenism has grown and matured over the past two decades [A Pauline Theology of Justification](#) James B. Prothro,2023-02-21 Paul s teaching about justification is always important for understanding the apostle and for Christian theology And for that same reason it is always debated James B Prothro s book looks at the apostle s words about

righteousness faith the Mosaic law and life in Christ to connect the dots of Paul's thought and to bring Paul into dialogue with major theological traditions He offers an account of justification that is both forensic and thoroughly participatory God's gift of forgiveness friendship and new life in Christ through the Spirit The Oxford Handbook of Religion and Education
 Liam Francis Gearon, Arniika Kuusisto, 2025-04-29 The Oxford Handbook of Religion and Education offers a multi disciplinary work of scholarship and research highlighting the global significance of a critical interface of cultural and social political and theological importance Drawing on historical perspective and contemporary reflection the collection provides a uniquely transformative analysis of why the interface of religion and education is of such critical significance With contributions from some of the leading thinkers in the field this Handbook presents a cumulatively powerful argument to reassess the complexities of the intersection of religion and education With ambitious and yet accessible intellectual engagements the Handbook here furthers a central thesis that the interface of religion and education is not merely a matter of arcane disputation about a domain of ancient origin or a rudimentary matter of formal educational process but a vibrant domain of critical contestation fundamental to knowing understanding and living in the modern world Key Theological Thinkers
 Svein Rise, 2016-04-22 The 20th and 21st Centuries have been characterized by theologians and philosophers rethinking theology and revitalizing the tradition This unique anthology presents contributions from leading contemporary theologians including Rowan Williams Fergus Kerr Aidan Nichols G R Evans and Tracey Rowland who offer portraits of over fifty key theological thinkers in the modern and postmodern era Distinguished by its broad ecumenical perspective this anthology spans arguably one of the most creative periods in the history of Christian theology and includes thinkers from all three Christian traditions Protestant Catholic and Orthodox Each individual portrait in this anthology includes a biographical introduction an overview of theological or philosophical writing presentation of key thoughts and contextual placing of the thinker within 20th Century religious discourse Overview articles explore postmodern theology radical orthodoxy ecumenical theology feminist theology and liberation theology A final section includes portraits of important thinkers who have influenced Christian thought from other fields not least from Continental philosophy and literature **The Development of Bioethics in the United States** Jeremy R. Garrett, Fabrice Jotterand, D. Christopher Ralston, 2012-12-30 In only four decades bioethics has transformed from a fledgling field into a complex rapidly expanding multidisciplinary field of inquiry and practice Its influence can be found not only in our intellectual and biomedical institutions but also in almost every facet of our social cultural and political life This volume maps the remarkable development of bioethics in American culture uncovering the important historical factors that brought it into existence analyzing its cultural philosophical and professional dimensions and surveying its potential future trajectories Bringing together a collection of original essays by seminal figures in the fields of medical ethics and bioethics it addresses such questions as the following Are there precise moments events socio political conditions legal cases and or works of scholarship to which we can trace the emergence of bioethics as a field

of inquiry in the United States What is the relationship between the historico causal factors that gave birth to bioethics and the factors that sustain and encourage its continued development today Is it possible and or useful to view the history of bioethics in discrete periods with well defined boundaries If so are there discernible forces that reveal why transitions occurred when they did What are the key concepts that ultimately frame the field and how have they evolved and developed over time Is the field of bioethics in a period of transformation into biopolitics Contributors include George Annas Howard Brody Eric J Cassell H Tristram Engelhardt Jr Edmund L Erde John Collins Harvey Albert R Jonsen Loretta M Kopelman Laurence B McCullough Edmund D Pellegrino Warren T Reich Carson Strong Robert M Veatch and Richard M Zaner
