A Charismatic Theology Initiation In The Spirit:

A Charismatic Theology Heribert Mühlen, Edward Quinn, Thomas Linton, 1978 **Pneumatology at the Beginning of the Third Millennium** Kevin Wagner, Peter John McGregor, M. Isabell Naumann, 2023-12-01 The Holy Spirit who worked on the first Christian Pentecost continues to work in the church and the world today This being so the field of pneumatology the theology of the Holy Spirit should pique the interest of both the average Christian and the academic theologian perhaps more than it has in recent times This collection of chapters brings pneumatology into conversation with a wide variety of disciplines including scripture patristic and medieval theology and history The result is a scholarly monograph that enriches both pneumatology and the fields with which each contributor engages Furthermore with its attention on the work of the Spirit in the sacraments and the life of the church *Pneumatology at the Beginning of the Third Millennium* will help pastors and catechists in their ministries to understand more deeply the riches of the theology of the Third Person of the Trinity

Trinitarian Personhood Bill Ury, 2002-02-01 The concept of the person is a crucial yet elusive component in the development of Western thought Few concepts are as replete with definitional difficulty Equally important is the application of a proper definition to all major Christian doctrinal commonplaces This work recognizing the insufficiency of modern theology to offer a cogent concept of person proposes a thorough historical and theological evaluation of Trinitarian personhood presented in three critical paradigm shifts by which one can measure the development of the idea of true personhood presented The three watershed eras of discernment of divine personhood presented are seen here as first the Cappadocian position of the mutual indwelling perichoresis of the divine persons is contrasted with Augustine's view of the place of relations in defining divine persons Second the ideas of Richard of St Victor whose *caritas consummata* and its relational implications met the nemesis of the Thomistic category of subsistent relations And last as an example of this important discussion in modernity the German Heribert Mühlen's dynamic phenomenological approach to Trinitarian personhood is offered as a means of countering the implicit modalisms of Barth and Rahner If the personhood of God is in essence Being in Another then Christianity must apply that ontology to all sectors of reality to be fully Christian **Pentecostal**

Ecclesiology Simon K.H. Chan, 2019-05-21 This book argues that if the Pentecostal movement is to overcome its excessive individualism and structural instability the way forward is not more institutionalization but a coherent and robust ecclesiology based on the Pentecost event which is the coming of the Holy Spirit in his own person into the church A Pentecostal ecclesiology is essentially the working out of the ramifications of that key event The book takes a more ontological understanding of the relationship between the Spirit and the church than would Protestant and evangelical ecclesiologies In this respect it has more in common with Orthodoxy It is further argued that this realignment away from Protestantism and evangelicalism towards Orthodoxy far from removing Pentecostals from their roots actually brings them much closer to the heart of Pentecostal spirituality **Theology in the Mode of Monk: An Aesthetics of Barth and**

Cone on Revelation and Freedom, Volume 3 Raymond Carr, 2024-11-19 This captivating study engages two of the most influential theologians of the twentieth century Karl Barth the Swiss Protestant theologian who constructed his theology from above and engaged the powers in the background of Nazi Germany and James H Cone the father of Black Theology in America who constructed his theology from below and confronted white racism the most intractable issue in America's history In this three volume project Carr employs the aesthetic thinking of the jazz legend Thelonious Monk to reconceptualize restructure and advance the theologies of Barth and Cone In this final volume Carr appeals to Thelonious Monk's tune Misterioso as the analogical framework for exploring the freedom of God as the melodic foundation for black liberation Monk's mode of musical thinking encourages the jazz artist in us all to play in the mystery of God's freedom as the true ground for living freely within the world of the principalities and powers

Baptism in the Spirit William P. Atkinson, 2012-08-30 Offering a clear understanding of the doctrine of baptism in the Holy Spirit In the Seventies James Dunn's publication of Baptism in the Holy Spirit gave rise to a heated debate within Pentecostals' milieu Atkinson brings his contribution to the discussion and undertakes the job of synthesizing evaluating and reviewing the key elements of the debate with respect to Luke Acts Atkinson concludes that Pentecostals are right for Luke receiving the Spirit was not the inception of new covenant life it was a powerful enabling for prophecy and miracles for the church's outward mission and its internal life

The Spirit and Suffering in Luke-Acts Martin W. Mittelstadt, 2004-10-12 This work illuminates the tension between divine empowering and the neglected element of the work of the Spirit in contexts of opposition This lacuna not addressed in previous Pentecostal scholarship is at the heart of Mittelstadt's exegesis Thus Jesus not only lives and ministers in the power of the Holy Spirit but also experiences opposition and persecution as a man of the Spirit Further the Lukan Jesus not only transfers the Spirit to his disciples but also anticipates a similar fate for his followers Finally Luke forecasts that this divine enablement of the Spirit also available for

future witnesses brings with it a similar anticipation of the same rejection and opposition as was experienced by Jesus and the disciples While Pentecostals owe a debt of gratitude for the pioneering work of Pentecostal scholars this book furthers their efforts by exploring the implications of Spirit led witness in Luke Acts

Pastoral Letter to Theo Paul Elbert,2008-01-01 A Pastoral Letter to Theo addresses some of the fundamental concerns of recent research into biblical interpretation by Adele Berlin and Kenneth Archer It also takes into account the communicative literary and rhetorical techniques that were prominent in the Greco Roman world when the New Testament documents were composed Elbert suggests that attention to levels of context plot repetition and characterization or personification comprise a proper method for understanding a New

Testament writer's original meaning and intent Generally the potentially groundbreaking thesis in much of Elbert's work is for a literary link between the Spirit language in Paul's letters and the later narrative of Luke Acts Specifically A Pastoral Letter to Theo reflects heartfelt pastoral concerns based on detailed contextual study of early Christianity and Christian experience The book contextually examines in detail several passages pertaining to the ministry of women in missionary minded early Christianity and concludes that this ministry was thought to be vital for the evangelistic enterprise
