Child of Light Huey Howard,2010-11-22 Growing up in the country and raised in a farming family Huey L Howard Sr always wanted to be an author When he isn t busy running and maintaining his agriculture and cattle business he would spend his off time writing poems and short stories Huey always wanted to be an author Huey would sat and look into the sky and write great poems But never pursued publishing until the death of his mother who inspired him to continue writing and publishing his creative thoughts Huey has spent most of his life helping people creating new inventions reconstructing his home Skillful with his hands full of dreams for tomorrow Audrey: Children of Light Mrs. O. F. Walton,2020-09-28 NOW Audrey Yes Aunt Cordelia That s the third clean pinafore that you ve had this week said Aunt Cordelia severely and it s only Thursday Now Audrey And when Aunt Cordelia said Now Audrey The little girl who was addressed knew that something was seriously amiss She was a pretty little girl with fair hair and brown eyes and the warm summer sun had tanned her as brown as the nuts in the window of Aunt Cordelia s shop She stood in the corner of the little back parlour looking ruefully at her pinafore which was almost as black as if she had sent it up the chimney for five minutes change of air Now Audrey repeated Aunt Cordelia more solemnly than before The poor child could not bear up against this last terrible appeal and bursting into tears she sobbed I wish there weren t such things as pinafores I do wish there weren t No such things as pinafores said Aunt Cordelia Why what would become of careless little girls frocks if there were no nice pinafores to cover them I should like to know I hate pinafores sobbed the child taking no notice of her aunt s words I wish the Queen would say nobody was ever to wear them again For shame Audrey said Aunt Cordelia you should never say you hate anything it s very wicked indeed Least

of all you should never hate pinafores that keep you nice and clean and tidy But that s just what they don t do said Audrey They will get black and grimy I can t ever have a bit of fun because of them Then as she dried her tears a bright thought struck her and she said Couldn t I have a black pinafore Aunt Cordelia and then it wouldn t show the dirt would it now Well said her aunt laughing in spite of herself it will come to that one of these days I expect Now go and get a clean pinafore at once and remember that s four this week she called after her as the little girl ran upstairs It was a quaint old house in which Audrey and her aunt Miss Palmer lived Miss Palmer loved to boast about it to the customers who came to the shop It was three hundred years old she told them and the wainscot was real oak and the bannisters on the stairs were carved and there were curious old cupboards with black oak doors and there was a chimney so wide that none of the sweep s brushes were large enough to sweep it But though Miss Palmer was very proud of her old house which had been in the family for so many years that the family had quite lost count of their number yet it caused her a great deal of worry and anxiety There never was such a place for dust as that old house it collected in every corner it lay upon the window sills and it settled upon the bright dish covers and pewter jugs in the kitchen With this dust Miss Palmer was always waging war From morning till night week in and week out she fought perseveringly with the ever gathering dust and tried to make her house as prim and as neat as her tidy soul longed to see it But just as Audrey s pinafores would get black so the old house would get dusty and the two together brought many a line of care into Miss Palmer s forehead Audrey had lived with her aunt since she was a fortnight old Her father was a baker in a town two hundred miles away She had never seen him and he had never seen her since her aunt had carried her off a tiny sickly baby nearly eight years ago Audrey s mother had died soon after she was born and her father had sent a piteous letter to his sister Cordelia telling her he did not know what would become of him and of his nine motherless children now Alice was gone
