[James Agee in Context](#) Michael A. Lofaro, 2023-01-17 It s difficult to overestimate the impact of the many new works by James Agee uncovered and published in the last twenty years These previously unknown primary works have in turn encouraged a parallel explosion of critical evaluation and reevaluation by scholars to which James Agee in Context is the latest contribution This superb collection from well known James Agee scholars features myriad approaches and contexts for

understanding the author's fiction poetry journalism and screenwriting The essays bring the reader from the streets of James Agee's New York to travel with the author from Alabama to Hollywood to Havana Contributors explore overlapping and sometimes unique subjects themes and accomplishments or lack thereof in Agee's uncovered works and highlight the diversity of interest that Agee's complete body of work inspires The insightful scholarship on influence examines connections between Agee and Wright Morris Helen Levitt John Dos Passos Ernest Hemingway and Stephen Crane Such juxtapositions serve to illustrate how Agee drew on literary influences as a young man how he used his work as a journalist to craft fiction as he was about to turn thirty and his influence upon others The volume concludes with three poems and a short story by Agee all previously unknown It seems astonishing that so much remains to be discovered about this protean author his materials and his circle Yet the recovery and analysis of neglected texts and information mined from newspapers and magazines proves the extent to which Agee kept his mind and his work as he himself put it patiently concentrated upon the essential quietudes of the human soul
