American Animated Cartoons of the Vietnam Era Christopher P. Lehman,2014-01-10 In the first four years of U S involvement in the Vietnam War 1961-64 Hollywood did not dramatize the current military conflict but rather romanticized earlier ones Cartoons reflected only previous trends in U S culture and animators comically but patriotically remembered the Revolutionary War the Civil War and both World Wars In the early years of military escalation in Vietnam Hollywood was simply not ready to illustrate America's contemporary radicalism and race relations in live action or animated films But this trend changed when US participation dramatically increased between 1965 and 1968 In the year of the Tet Offensive and the killings of the Rev Martin Luther King Jr and Senator Robert Kennedy the violence of the Vietnam War era caught up with animators This book discusses the evolution of U S animation from militaristic and violent to liberal and pacifist and the role of the Vietnam War in this development The book chronologically documents theatrical and television cartoon studios changing responses to U S participation in the Vietnam War between 1961 and 1973 using as evidence the array of artistic commentary about the federal government the armed forces the draft peace negotiations the counterculture movement racial issues and pacifism produced during this period The study further reveals the extent to which cartoon violence served as a barometer of national sentiment on Vietnam When many Americans supported the war in the 1960s scenes of bombings and gunfire were prevalent in animated films As Americans began to favor withdrawal militaristic images disappeared from the cartoon Soon animated cartoons would serve as enlightening artifacts of Vietnam War era ideology In addition to the assessment of primary film materials this book draws upon interviews with people involved in the production Vietnam era films Film critics responding in their newspaper columns to the era's innovative cartoon sociopolitical commentary also serve as invaluable references Three informative appendices contribute to the work

Camp TV of the 1960s Isabel Cristina Pinedo, Wyatt D. Phillips, 2023 Camp TV of the 1960s offers a comprehensive understanding of all of the many forms camp TV took during that critical decade In reevaluating the history of camp on television the authors reconsider the infantilized conceptualization of sixties television which has generally been characterized as the creative and cultural ebb between the 1950s Golden Age of television and the networks shift to relevance in the early 1970s Encompassing contributions from a broad range of media and television scholars that re consider programs like Batman The Monkees The Addams Family Bewitched F Troop The Beverly Hillbillies and Rowan British camp television programs such as The Avengers the use of musical codes to convey camp humor even on black and white sets the role that the viewing strategies of queer communities played and continued to play even decades later and how camp's multivalence allowed for more conservative readings especially among older audiences which were critical for the move to mass camp throughout American culture by the early seventies Camp TV of the 1960s is essential reading for students and scholars in television studies and others interested in the history and theory of camp the 1960s or popular culture as well as fans of these well known but generally understudied television programs **American Roadkill** Don H. Corrigan, 2021-10-25 Slaughtered along our highways roadkill may be observed regularly but aren't likely to be given much thought Research scientists animal rights activists roadkill artists writers ethicists and lyricists however are increasingly sounding the alarm They report that we are killing the very animals we love and are driving many of them to the brink of extinction Detailing the death and destruction of mammals reptiles amphibians and insect pollinators this study examines the ways in which we are thus jeopardizing our own futures Beginning in the Model T era biologists counted the common carnage of the time cottontails woodchucks and squirrels mostly That record keeping continues today Beyond the bleak statistics zoologists are rerouting migratory paths of animals and are advocating for cat and dog companions This book illuminates both our successes and failures in keeping animals out of harm's way and what those efforts reflect about ourselves and our capacity to care enough to alter the road ahead **Gene Kelly** Earl J. Hess, Pratibha A. Dabholkar, 2020-10-02 Whether as a curiosity or a beloved idol Gene Kelly 1912-1996 lives on in our cultural memory as a fantastic dancer in MGM musicals especially Singin' in the Rain But dancing however extraordinary was only one of his many gifts This book for the first time offers a full picture of Gene Kelly as the Renaissance man he actually was dancer yes but also choreographer actor clown singer director teacher and mentor Kelly was star of radio and television as well as film avant garde as artist and auteur but also ahead of the curve in opening the world of dance to differences of race ethnicity and gender Gene Kelly The Making of a Creative Legend takes us from Kelly's youth in Depression era Pittsburgh through his

years on Broadway and ascendance to stardom in Hollywood Authors Hess and Dabholkar pay particular attention to his work with the US Navy solo directing and lesser known but considerable accomplishments in television radio and on the stage in later years The book gives us a rare inside look at Kelly s relationships with dancing partners and peers from Leslie Caron Vera Ellen and Cyd Charisse to Fred Astaire and at his directorial collaboration with Stanley Donen and Vincent Minnelli and at his solo directing The authors show us significant but little examined facets of Kelly s character and career such as the political convictions that got him graylisted in Hollywood his passion for creating cine dance and serving as an ambassador of dance in America and his forging of links between dance civil rights and the common man Steeped in research and replete with photographs this career biography uniquely encompasses all phases of Gene Kelly s life and work and finally gives us a full portrait of this central figure in the history of the film musical during Hollywood s Golden Age *Critical Norths* Sarah Jaquette Ray, Kevin Maier, 2017-05-15 For millennia the North has held a powerful sway in Western culture Long seen through contradictions empty of life yet full of promise populated by indigenous communities yet ripe for conquest pristine yet marked by a long human history it has moved to the foreground of contemporary life as the most dramatic stage for the reality of climate change This book brings together scholars from a range of disciplines to ask key questions about the North and how we ve conceived it and how conceiving of it in those terms has caused us to fail the region s human and nonhuman life Engaging questions of space place indigeneity identity nature the environment justice narrative history and more it offers a crucial starting point for an essential rethinking of both the idea and the reality of the North *Minor Histories* Mike Kelley, 2004-02-06 The second volume of writings by Los Angeles artist Mike Kelley focusing on his own work What John C Welchman calls the blazing network of focused conflations from which Mike Kelley s styles are generated is on display in all its diversity in this second volume of the artist s writings The first volume *Foul Perfection* contained thematic essays and writings about other artists this collection concentrates on Kelley s own work ranging from texts in voices that grew out of scripts for performance pieces to expository critical and autobiographical writings *Minor Histories* organizes Kelley s writings into five sections Statements consists of twenty pieces produced between 1984 and 2002 most of which were written to accompany exhibitions including *Ajax* which draws on Homer Colgate Palmolive and Longinus to present its eponymous hero Some Aesthetic High Points an exercise in autobiography that counters the standard artist bio included in catalogs and press releases and a sequence of creative writings that use mass cultural tropes in concert with high art mannerisms approximating in prose the visual styles that characterize Kelley s artwork Video Statements and Proposals are introductions to videos made by Kelley and other artists including Paul McCarthy and Bob Flanagan and Sheree Rose Image Texts offers writings that accompany or are part of artworks and installations This section includes *A Stopgap Measure* Kelley s zestful millennial essay in social satire and *Meet John Doe* a collage of appropriated texts Architecture features an discussion of Kelley s Educational Complex 1995 and an interview in which he reflects on the role of architecture in his work
