Rooney (Jr.)),2008 **The Art of Centuries** Steve James,2016-06-30 A century has always had a special resonance in all walks of life and none more so than in cricket Scoring 100 runs is the ultimate for a batsman As former England captain Andrew Strauss admits it s incredibly hard to do for Ricky Ponting it s a transformational moment in the career of a cricketer Or in the words of Geoffrey Boycott a century has its own magic In The Art of Centuries Steve James applies his award winning

forensic insight to the very heart of batting Through interviews with the leading run scorers in cricket history and his own experiences Steve discovers what mental and physical efforts are required to reach those magical three figures Despite his own haul of 47 first class tons he himself felt at times that he was poorly equipped for the task So working out how to score centuries is an art And bowlers might not agree but there really is no better feeling in cricket
