The art of Thomas Wolfe Pamela Hansford Johnson,1963 The Mind and Art of Thomas Wolfe Lillie Lehmann Sharpe,1952 Thomas Wolfe and His Art Harold Vincent Powell,1950 Thomas Wolfe and the Art of Legend Michael C. Mason,1976 *Thomas Wolfe: His Conception of Art and Its Relation to His Writing* Arnold Rhodes Stover,1960 **The Thomas Wolfe Newsletter** ,1980 **Thomas Wolfe** Joanne Marshall Mauldin,2007 In 1937 after years of living alone in New York City a manic depressive Thomas Wolfe returned to his family and his native Asheville North Carolina a city he had both ridiculed and brought notoriety to through his novel *Look Homeward Angel* eight years earlier Concerned about lingering resentment from the community over the literary work and his tenuous relationship with his family members Wolfe returned to his hometown with caution but also with the need to both rejuvenate and compile material for his next novel It is this visit that sparks Wolfe s trademark conclusion You can t go home again During 1937 and 1938 Thomas Wolfe experienced extreme highs and lows as he labored furiously to produce his next work Joanne Marshall Mauldin provides an in depth look at those final two years in the life of the brilliant yet troubled writer in *Thomas Wolfe When Do the Atrocities Begin* By adding new information and insight Mauldin challenges much of the existing biographical material on the writer and offers a fresh view on the final years of his life Through the utilization of primary and secondary sources including letters interviews recordings and newspaper clippings Mauldin offers a candid account of the life of Thomas Wolfe from the time of his visit to North Carolina in 1937 until his untimely death in 1938 Mauldin chronicles details of Wolfe s shocking change in publishers and his complex relationships with his editors family friends and his mistress This examination goes beyond Wolfe s life and extends into the period after his death revealing details about the reaction of family and friends to the passing of this literary legend as well as the cavalier publishing practices of his posthumous editors Mauldin s narrative is unique from other biographical accounts of Thomas Wolfe in that it focuses solely on the final years in the life of the author Her unbiased approach enables the reader to draw his or her own conclusions about Wolfe and his actions and state of mind during these last two years of his life **The Singing and the Gold: the Comic Art of Thomas Wolfe** Gerard J. Cannon,1955 *Of Time and the Artist* Carol Ingalls Johnston,1996 Investigation of the complex relationship between Thomas Wolfe and his critics showing the effect of criticism on his career **Tom Wolfe** Harold Bloom,2009 Presents a collection of critical essays about the works of Tom Wolfe **Encyclopedia of the American Novel** Abby H. profound inner thoughts emotions and experiences reflecting both the influence of his Catholic upbringing and the restrictive cultural norms of his environment The novel is often situated within the modernist movement as it challenges traditional narrative forms and explores themes of individuality rebellion and the quest for self expression James Joyce an influential figure in modernist literature wrote this semi autobiographical work drawing on aspects of his own early life and experiences in Dublin His struggles with conformity spirituality and artistic vocation resonate deeply throughout the text reflecting Joyce s discontent with the ecclesiastical and societal structures that sought to confine his creative spirit An expatriate Joyce ultimately embraced the role of the artist as a rebellious figure against the backdrop of his homeland I recommend *A Portrait of the Artist as a Young Man* for readers seeking to understand the complexities of identity formation and the tension between personal desires and societal expectations Joyce s innovative approach to narrative and language not only illuminates the artist s development but also invites readers to contemplate their own journeys of self discovery amidst a world of constraints
