Duffy,2024-03-13 The Art of Translation in Seamus Heaney s Poetry is a critical study of the poet s later work While exploring his practice as a translator it also traces his increasing preoccupation with the possibilities and conditions of translation in the theological sense of being lifted up in spirit To the work of this philosophical poet who would be both earthed and heady this book brings the insights of ordinary language philosophy as practiced by Stanley Cavell It devotes separate chapters to Station Island and three later collections Seeing Things Electric Light and Human Chain The first of these addresses the most fundamental change in Heaney s life when he acknowledges the need and chance to re envisage his Irish Catholic upbringing it is also replete with both the activity and the trope of translation Published seven years later Seeing Things begins with a translation of Virgil s golden bough episode and ends with a similar crossing over into the underworld by Dante Heaney transforms both into poems about poetry In Electric Light Heaney returns to Virgil but now he concentrates not on the hero of the Aeneid but on Virgil s earlier efforts in pastoral a mode of writing that Heaney takes as a model for his own time and place of devastated order Heaney returns to the Aeneid in Human Chain but this time around he gives all his attention to the scene of the human souls in Elysium seeking rebirth and turns it into an image for the need and chance of pronouncing a final Yes to our world and our place in it      *Sympathetic Ink* Shane Alcobia-Murphy,2006-01-01 Northern

Irish poets have been notably reticent when addressing political issues in their work In *Sympathetic Ink* Shane Alcobia Murphy traces that tendency through the works of Seamus Heaney Paul Muldoon and Medbh McGuckian Using collections of the poets papers made only recently available Alcobia Murphy focuses on the oblique subtle strategies they apply to critique contemporary political issues He employs the concept of sympathetic ink or invisible ink arguing that rather than avoiding politics these poets have via complex intertextual references and resonances woven them deeply into the formal construction of their works *Acute and learned Sympathetic Ink* will serve as a perfect introduction to these crucial figures of Irish poetry

**Robert Burns and Cultural Authority** Robert Crawford,1997 Celebrating Burns s bicentenary this work reflects upon and analyzes the achievements of Scotland s famous poet It looks at topics ranging from Burns and God to Burns and sex Amazon com *Seamus Heaney* Eugene O'Brien,2002 A study of Seamus Heaney s poetry prose and translations by the Head of the English Department at Mary Immaculate College Limerick *Governing the Tongue in Northern Ireland* Shane Alcobia-Murphy,2008-12-11 How free is the Northern Irish writer to produce even a short poem when every word will be scrutinised for its political subtext Is the visual artist compelled to react to the latest atrocity Must the creative artist be aware of his or her own inculcated prejudices and political affiliations and must these be revealed overtly in the artwork Because of these and other related questions the recent work by Northern Irish writers and visual artists has been characterised by an inward looking self consciousness It is an art that relays its personal responses in guarded often coded ways Characterised by obliquity and self reflexivity the art does not simply re present events and the artist s emotive response towards them rather it calls attention to the manner of its presentation It is an art about art and its role and place in society *Governing the Tongue* examines how the creation of art in a time of violence brings about an anxiety in the Northern Irish artist regarding his or her artistic role and how it calls into question the ability to represent events The series of essays is inter disciplinary in its approach exploring the place of art its role and location in the work of key Northern Irish writers Ciaran Carson Seamus Deane Brian Friel Seamus Heaney Michael Longley Medbh McGuckian Eoin McNamee Glenn Patterson and visual artists Willie Doherty Rita Donagh Paul Seawright Victor Sloan *Seamus Heaney* Michael J. Durkan,Rand Brandes,1996 A comprehensive list of criticism of the Irish poet who is probably the most widely ready contemporary poet in the English language Includes books doctoral dissertations essays in books journal articles and reviews newspaper stories and reviews and interviews Ranges from the publication of his first collection in 1965 through 1993 Excludes short mentions that contain no information or opinion and trivial unscholarly items Indexed only by name and title Annotation copyright by Book News Inc Portland OR *The Oxford Handbook of Contemporary British and Irish Poetry* Peter Robinson,2013-09-26 This Handbook offers an authoritative and up to date collection of original essays bringing together ground breaking research into the development of contemporary poetry in Britain and Ireland *Remarks Made by Seamus Heaney at the Opening of the Exhibition by John Behan, Kennys Art Gallery* Seamus Heaney,Kennys Bookshop & Art

Galleries, 2001      **Shades of Authority** Stephen James, 2007-01-01 What is the relationship between poetry and power Should poetry be considered a mode of authority or an impotent medium And why is it that the modern poets most commonly regarded as authoritative are precisely those whose works wrestle with a sense of artistic inadequacy Such questions lie at the heart of *Shades of Authority* prompting fresh insights into three of the most important poets of recent decades Robert Lowell Geoffrey Hill and Seamus Heaney Through attentive close readings James shows how their responsiveness to matters of political and cultural import lends weight to the idea of poetry as authoritative utterance but also how each is exercised by a sense of the limitations and liabilities of language itself      *Anthropocene Poetry* Yvonne Reddick, 2023-11-03 *Anthropocene Poetry* Place Environment and Planet argues that the idea of the Anthropocene is inspiring new possibilities for poetry It can also change the way we read and interpret poems If environmental poetry was once viewed as linked to place this book shows how poets are now grappling with environmental issues from the local to the planetary climate change and the extinction crisis nuclear weapons and waste plastic pollution and the petroleum industry This book intervenes in debates about culture and science traditional poetic form and experimental ecopoetics to show how poets are collaborating with environmental scientists and joining environmental activist movements to respond to this time of crisis From the canonical work of Ted Hughes and Seamus Heaney to award winning poets Alice Oswald Pascale Petit Kei Miller and Karen McCarthy Woolf this book explores major figures from the past alongside acclaimed contemporary voices It reveals Seamus Heaney's support for conservation causes and Ted Hughes's astonishingly forward thinking research on climate change it discusses how Pascale Petit has given poetry to Extinction Rebellion and how Karen McCarthy Woolf set sail with scientists to write about plastic pollution This book deploys research on five poetry archives in the UK USA and Ireland and the author's insider insights into the commissioning processes and collaborative methods that shaped important contemporary poetry publications *Anthropocene Poetry* finds that environmental poetry is flourishing in the face of ecological devastation Such poetry speaks of the anxieties and dilemmas of our age and searches for paths towards resilience and resistance      **Sources in Irish Art** Fintan Cullen, 2000 The publication of these texts in a single volume enables the reader to create useful historical comparisons as well as facilitating the careful examination of historical documents *Sources in Irish Art* A Reader will be an ideal text for Irish Studies and relevant Art History courses both at undergraduate and postgraduate levels **BOOK JACKET**      *Northern Irish Poetry and Theology* G. McConnell, 2014-06-17 *Northern Irish Poetry and Theology* argues that theology shapes subjectivity language and poetic form and provides original studies of three internationally acclaimed poets Seamus Heaney Michael Longley and Derek Mahon      **The Great War in Irish Poetry** Fran Brearton, 2003 *The Great War in Irish Poetry* explores the impact of the First World War on the work of W B Yeats Robert Graves and Louis MacNeice in the period 1914-45 and on three contemporary Northern Irish poets Derek Mahon Seamus Heaney and Michael Longley Its concern is to place their work and memory of the Great War in the context of Irish politics and culture in the twentieth

century The historical background to Irish involvement in the Great War is explained as are the ways in which issues raised in 1912 20 still reverberate in the politics of remembrance in Northern Ireland particularly through such events as the Home Rule cause the loss of the Titanic the Battle of the Somme the Easter Rising While the Great War is perceived as central to English culture and its literature holds a privileged position in the English literary canon the centrality of the Great War to Irish writing has seldom been recognised This book shows first that despite complications in Irish domestic politics which led to the repression of memory of the Great War Irish poets have been drawn throughout the century to the events and images of 1914 18 This engagement is particularly true of those writing in the troubled Northern Ireland of the last thirty years The second main concern is the extent to which recognition of the importance of the Great War in Irish writing has itself become a casualty of competing versions of the literary canon
