the name Philadelphia City of Brotherly Love after the devoutly Christian Asia Minor town mentioned by Scripture Penn regarded the blighted areas as products of human vice However Tyson believes that genuine urban renewal requires spiritual regeneration Positive actions such as slum clearance creek cleanup Philadelphia s reconnection with the trail system and school reformations manifest the healing actions of the Light The expansion of Philadelphia s green infrastructure would not only spur redevelopment but improve the city s spiritual condition Through Penn s Luminous City Tyson conveys Penn s prophetic vision that still inspires citizens to make the city a better place

Film Clowns of the Depression Wes D. Gehring,2014-11-21 The 1930s are routinely considered sound film s greatest comedy era Though this golden age encompassed various genres of laughter clown comedy is the most basic type This work examines the Depression decade s most popular type of comedy the clown or personality comedian Focusing upon the Depression era the study filters its analysis through twelve memorable pictures Each merits an individual chapter in which it is critiqued The films are deemed microcosmic representatives of the comic world and discussed in this context While some of the comedians in this text have generated a great deal of previous analysis funnymen like Joe E Brown and Eddie Cantor are all but forgotten Nevertheless they were comedy legends in their time and their legacy as showcased in these movies merits rediscovery by today s connoisseur of comedy Even this book s more familiar figures such as Charlie Chaplin and the Marx Brothers are often simply relegated to being recognizable pop culture icons whose work has been neglected in recent years This book attempts to address these oversights and to re expose the brilliance and ingenuity with which the screen clowns contributed a comic resiliency that was desperately needed during the

Depression and can still be greatly appreciated today The films discussed are City Lights 1931 Chaplin The Kid From Spain 1932 Cantor She Done Him Wrong 1933 Mae West Duck Soup 1933 Marx Brothers Sons of the Desert 1933 Laurel and Hardy Judge Priest 1934 Will Rogers It s a Gift 1934 W C Fields Alibi Ike 1935 Brown A Night at the Opera 1935 Marx Brothers Modern Times 1936 Chaplin Way Out West 1937 Laurel and Hardy and The Cat and the Canary 1939 Bob Hope

Children of Hollywood Michelle Vogel, 2005-04-13 Living in the shadow of a famous parent can have powerful effects from professional opportunities to pressure so great it leads to suicide Some children of stars are proud of their roots while others live in secrecy This is a rare look into the private lives of the children and in a few cases grandchildren of these classic Hollywood icons revealing the stresses and inspirations of living with great performers who may or may not have been great parents Some movie stars protected their offspring but others used them as publicity props or even made them into rivals Despite their unusual upbringing some of the children succeeded in the movies or elsewhere but many never lived up to the public expectations Many lost their parents whether to the extremes of the celebrity lifestyle to divorce or to their careers From the beautiful bedtime stories Harpo Marx and his wife told their four adopted children to explain where they'd come from to the studded belt Bing Crosby used to punish his sons for not obeying the strict family rules this work tells the best and worst of growing up in a celebrity home Families covered include those of W C Fields the Marx Brothers Eddie Cantor Mario Lanza Ruth Hussey Jerry Lewis Douglas Fairbanks and Boris Karloff Research is drawn from interviews with celebrity offspring who also provided never before published snapshots of Hollywood legends at home

Hollywood on the Hudson Richard Koszarski, 2008-08-27 In Hollywood on the Hudson Richard Koszarski rewrites an important part of the history of American cinema During the 1920s and 1930s film industry executives had centralized the mass production of feature pictures in a series of gigantic film factories scattered across Southern California while maintaining New York as the economic and administrative center But as Koszarski reveals many writers producers and directors also continued to work here especially if their independent vision was too big for the Hollywood production line
