Artaud Le Theatre Et Son Double:

Le théâtre et son double Antonin Artaud, 1938 Artaud: Le Théâtre Et Son Double Brian Singleton, 1998 **The Theatre and its Double** Antonin Artaud, 2024-02-22

In *The Theatre and Its Double* first published in 1938 Antonin Artaud puts forward his radical theories on drama and theatre which he saw as being stifled by conservatism and a lack of experimentation. Containing the famous manifestos of the Theatre of Cruelty this collection of essays analyses the underlying impulses of performance, provides suggestions on a physical training method for actors and features a long appreciation of the expressive values of Eastern dance drama. This new English translation of Artaud's canonical text by Mark Taylor Batty retains the idiosyncratic nature of the author's writing, communicating its fervour and ambition while achieving a much needed clarity. Through doing so it facilitates a fuller appreciation of Artaud's artistic objectives and the original context in which they grew, aided by a newly translated set of his notes and drafts and a selection of letters to his publisher, friends and associates concerning the book's genesis and the evolution of the concept of a Theatre of Cruelty. The commentary further contextualizes this material within Artaud's broader oeuvre, from his collaboration with the Surrealist group through to his plans to stage his own adaptation of Percy Shelley's *Les Cenci* in 1935. A welcome addition to any theatre lover's or student's bookshelf, this translation of Artaud's classic text offers clear and faithful insights into Artaud's theatre. Antonin Artaud
