Marc Tolon Brown,Stephen Krensky,1998 When the quarters which Arthur has collected for Mrs MacGrady's charity drive disappear Buster attempts to solve the mystery and prove his friend's innocence Science, Sexuality, and Race in the United States and Australia, 1780s-1890s Gregory D. Smithers,2013-02-01 This book combines transnational history with the comparative analysis of racial formation and reproductive sexuality in the settler colonial spaces of the United States and British Australia Specifically the book places whiteness and the changing definition of what it meant to be white in nineteenth century America and Australia at the center of our historical understanding of racial and sexual identities In both the United States and Australia whiteness was defined in opposition to the imagined cultural and biological inferiority of the Indian Negro and Aboriginal savage Moreover Euro Americans and Euro Australians shared a common belief that whiteness was synonymous with the extension of settler colonial civilization Despite this two very different understandings of whiteness emerged in the nineteenth century The book therefore asks why these different racial understandings of whiteness and the quest to create culturally and racially homogeneous settler civilizations developed in the United States and Australia *The Gay & Lesbian Theatrical Legacy* Billy J.
