## **Basic Bible Commentary Vol 2 Exodus And Leviticus:**

**Forthcoming Books** Rose Army,2000      **Prophecy** Howard Kreisel,2012-12-06 More than any other topic prophecy represents the point at which the Divine meets the human the Absolute meets the relative How can a human being attain the Word of God In what manner does God when conceived as eternal and transcendent address corporeal transitory creatures What happens to God s divine Truth when it is beheld by minds limited in their power to apprehend and influenced by the intellectual currents of their time and place How were these issues viewed by the great Jewish philosophers of the past who took the divine communication and all it entails seriously while at the same time desired to understand it as much as humanly possible in the course of dealing with a myriad of other issues that occupied their attention This book offers an in depth study of prophecy in the thought of seven of the leading medieval Jewish philosophers R Saadiah Gaon R Judah Halevi Maimonides Gersonides R Hasdai Crescas R Joseph Albo and Baruch Spinoza It attempts to capture the original voice of these thinkers by looking at the intellectual milieus in which they developed their philosophies and by carefully analyzing their views in their textual contexts It also deals with the relation between the earlier approaches and the later ones Overall this book presents a significant model for narrating the history of an idea      *The Theology of the Levitical Priesthood* Nicholas J. Haydock,2015-06-30 In this book Nicholas Haydock explores the biblical presentation of the Levitical priesthood drawing out themes that run throughout Scripture and reveal God s intention for the priesthood It is successfully argued that this intention cannot be divorced from God s desire to reveal himself to the nations This hypothesis is shown to be true in examining the various functions and metaphors ascribed to the Levites Whereas in much of Old Testament criticism the Levitical priesthood has been painted in a light contrary to the biblical depiction *The Theology of the Levitical Priesthood* takes the canonical presentation of the Levites at face value It is the author s conviction that in attending to the biblical presentation of the Levites the Church will be aided and better equipped to apply herself to Scripture and to participate within God s mission in the present day      *Blood Ritual in the Hebrew Bible* William K. Gilders,2004-11-23 Publisher Description      *A Women's Lectionary for the Whole Church Year B* Wilda C. Gafney,2023-07-18 The next installment in the critically acclaimed lectionary series that focuses on women s stories In this second volume of the three volume *Women s Lectionary for the Whole Church* widely praised womanist bible scholar and priest Wil Gafney selects scripture readings that emphasize women s stories Focusing especially on the Gospel of Mark Year B of *A Women s Lectionary* features Gafney s fresh inclusive and thought provoking translations of every reading alongside commentary on each reading Designed for liturgical use or scriptural study this resource offers a new perspective on the Bible and the liturgical year Gafney s paradigm shifting scholarship will influence biblical preaching and teaching for generations to come National Catholic Reporter

**Catalogue of Books [in the Reference Department]** Wigan (England). Free Public Library,1887      **The Cyclopæaedia of Practical Quotations** Jehiel Keeler Hoyt,1886      **The Arabic Translation and Commentary of Yefet**

**ben 'Eli the Karaite on the Book of Joshua** James T. Robinson, 2014-10-23 Yefet ben Eli fl 960 1005 was the most prolific and influential biblical exegete in the Karaite tradition He was possibly the earliest Jew to write a commentary on the entire Hebrew Bible and his writings were cited and borrowed from by Karaites and Rabbanites alike from his own time to the early modern period Despite his importance however only a small percentage of his works have been published The present volume makes available for the first time his commentary on Joshua which includes an Arabic translation of this difficult book with full Arabic commentary The story of Rachab the second circumcision the covenant with the Gibonites and the Sun standing still are among the things that captured Yefet's interest who surveyed different views on these crux passages before presenting his own very original exposition **The Publishers' Trade List Annual**, 1875 *BIBLICAL CRITICISM* Edward D. Andrews, F. David Farnell, 2017-10-27 *And Their Eyes Were Opened* Ray McAllister, 2021-10-15 This book is a detailed theological analysis of blindness in the Hebrew Bible It explores blindness in the context of religion law codes theodicy social justice and healing McAllister first considers the wider context of ancient Near Eastern cultures before analyzing various words for blindness found in the Hebrew Bible The focus then shifts to examining blindness in various blocks of material in the Law the Prophets and the Writings before synthesizing the findings This book is excellent for scholars and students interested in better understanding disability in the context of the Bible and the ancient Near East

**The Oxford Handbook of Hosea** Brad E. Kelle, 2024 The Oxford Handbook of Hosea offers 32 essays on the Hebrew Bible prophetic book of Hosea Following an introductory essay examining the relevance of the study of Hosea the essays are organized around five nodes 1 History Text and Composition 2 Key Texts Established and Emerging Perspectives 3 Theological and Literary Elements Themes and Motifs and 4 Interpretive Theories and Approaches and 5 Reception Each essay examines how its topic has been and is treated within scholarship on the book of Hosea The essays engage traditional theories and newer updates to the same and also engage the textual traditions themselves which are what give rise to compositional analyses Many essays model approaches that move in entirely different ways altogether however whether those are by attending to synchronic literary theoretical or reception aspects of the text at hand Special attention is paid to elements of metaphor gender and violence in the book and its interpretation The contributions range from text critical and dialectical issues to ancient historiography compositional history religious history metaphors feminism womanism postcolonialism masculinity queer theory ecology and reception among others Taken together these essays well represent the variety of options available when it comes to assessing and interpreting this particular biblical book **Handbook of Contemporary Preaching, 2nd Edition** Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching Stewardship Roots Angel M Rodriguez, STEWARDSHIP ROOTS STW 1050 by Angel Rodriguez former Director of the Biblical Research

Institute is the Church's effort to articulate a theology of stewardship tithe and offerings respectively Your thinking will be stimulated and your spiritual life enhanced It is a good reference work for your stewardship certification course      **Rending the Curtain** Tammy Priest, 2010-03-29 Developed by a messianic Jew this eight week daily bible study leads participants on a journey into the Old Testament Day of Atonement Yom Kippur Through this sacred ritual still the most holy day on the Jewish calendar God painted a vivid picture of the coming Great High Priest and His ultimate sacrifice on the Cross Explore the foreshadowing and fulfillment of the majestic Tabernacle the ancient priesthood and the sacrificial blood of Leviticus 16 This study is ideal for either individual or group study a facilitator's edition is available This is a standard paperback version the study is also available in a spiral bound format on Lulu.com      *Who Will Care for Grandma?* Brent R. Kelly, 2009-01-01 It is amazing to realize that much of the Western medical community is in a love hate relationship with the economics of medicine Quality Adjusted Life Years QALYs is one of the primary methods of guiding many medical decision makers in the allocation of limited medical resources Herein lies the problem of medicine and economics It seems that deciding who will receive limited medical resources is a task filled with moral and ethical difficulties even for those depending on the information obtained from QALY calculations These moral and ethical difficulties are beyond the scope of sound bites that tout the benefits of universal health care affordable insurance or the safety of the free market economy The breadth of the difficulty is found in the widespread disagreement concerning how the health care system should be distributed or fixed since most will agree that there is a problem with distributing medical resources It seemed obvious that some difficult decisions will need to be made that few are both willing and able to make This difficulty is particularly true in decisions about health care allocation and that is where QALYs have been found useful and problematic Limiting medical care for the elderly based upon their age did not occur until the mid twentieth century possibly because the elderly held a unique position of respect in the Western community It is no longer the case that the elderly are given a unique position of respect and dignity Rather it seems that with the increased use of QALY calculations the elderly are in danger of receiving less medical care than they are warranted It is imperative that Christians respond to the ethical implications of significant models of resource allocation that currently assist decision makers in the allocation process such as QALYs      **Catalogue of Baker University Library** Baker University. Library, 1897      The Publishers Weekly, 1876      **THE FUNDAMENTALS OF THE CHRISTIAN FAITH** Edward D. Andrews, Reuben Archer Torrey, 2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking

is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God s Word Herein THE FUNDAMENTALS OF THE CHRISTIAN FAITH puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies      **Publishers' Weekly** ,1876
