Epstein, 2013-08-22 One of the oldest monotheistic religions known to humankind Judaism has withstood the tests of time So what exactly are the tenets of this ancient faith that have been passed down over the millennia and how do they apply to our lives in the 21st century The Basic Beliefs of Judaism gives an updated overview of the belief system on which the Jewish faith is based Epstein takes a contemporary point of view looking at how the basic beliefs of Judaism fit into the lives of modern Jews He does this with an eye toward helping the reader form his her own understanding of Judaism The book touches upon beliefs relating to creation God and the cosmos as well as beliefs relating to day to day issues of family relations social interactions and ethics Epstein draws from the Torah the Talmud Jewish folklore and Jewish history to give the reader an understanding of how these beliefs were formed and have continued to evolve     Judaism For Dummies Rabbi Ted Falcon, David Blatner, 2011-03-16 Judaism isn t a race or even a particular culture or ethnic group There are about 13 or 14 million Jews spread around the world including about 6 million in the United States and about 5 million in Israel so Judaism clearly isn t a nation So what does it mean to be Jewish Here are the basics Being Jewish being a Jew means you re a Member of the Tribe an M O T The tribe started with a couple named Abraham and Sarah about 4 000 years ago it grew over time and it s still here today You can become part of the Jewish tribe in two ways By being born to a Jewish mother or joining through a series of rituals called converting Judaism is a set of beliefs practices and ethics based on the Torah You can practice Judaism and not be Jewish and you can be a Jew and not practice Judaism Whether you re interested in the religion or the spirituality the culture or the ethnic traditions Judaism For Dummies explores the full spectrum of Judaism dipping into the mystical meditative and spiritual depth of the faith and the practice In this warm and welcoming book you ll find coverage of Orthodox Jews and breakaway denominations Judaism as a daily practice The food and fabric of Judaism Jewish

wedding ceremonies Celebrations and holy days 4 000 years of pain sadness triumph and joy Great Jewish thinkers and historical celebrities Jews have long spread out to the corners of the world so there are significant Jewish communities on many continents Judaism For Dummies offers a glimpse into the rituals ideas and terms that are woven into the history and everyday lives of Jewish people as near as our own neighborhoods and as far reaching as across the world *Postwar Stories* Rachel Gordan,2024 The period immediately following World War II was an era of dramatic transformation for Jews in America At the start of the 1940s President Roosevelt had to all but promise that if Americans entered the war it would not be to save the Jews By the end of the decade antisemitism was in decline and Jews were moving toward general acceptance in American society Drawing on several archives magazine articles and nearly forgotten bestsellers *Postwar Stories* examines how Jewish middlebrow literature helped to shape post Holocaust American Jewish identity For both Jews and non Jews accustomed to antisemitic tropes and images positive depictions of Jews had a normalizing effect Maybe Jews were just like other Americans after all At the same time anti antisemitism novels and *Introduction to Judaism* literature helped to popularize the idea of Judaism as an American religion In the process these two genres contributed to a new form of Judaism one that fit within the emerging myth of America as a Judeo Christian nation and yet displayed new confidence in revealing Judaism s divergences from Christianity *Speaking of Jews* Lila Corwin Berman,2009-03-10 Lila Corwin Berman asks why over the course of the twentieth century American Jews became increasingly fascinated even obsessed with explaining themselves to their non Jewish neighbors What she discovers is that language itself became a crucial tool for Jewish group survival and integration into American life Berman investigates a wide range of sources radio and television broadcasts bestselling books sociological studies debates about Jewish marriage and intermarriage Jewish missionary work and more to reveal how rabbis intellectuals and others created a seemingly endless array of explanations about why Jews were indispensable to American life Even as the content of these explanations developed and shifted over time the very project of self explanation would become a core element of Jewishness in the twentieth century **Jewish Culture between Canon and Heresy** David Biale,2023-02-07 This career spanning anthology from prominent Jewish historian David Biale brings over a dozen of his key essays together for the first time These pieces written between 1974 and 2016 are all representative of a method Biale calls counter history the discovery of vital forces precisely in what others considered marginal disreputable and irrational The themes that have preoccupied Biale throughout the course of his distinguished career in particular power sexuality blood and secular Jewish thought span the periods of the Bible late antiquity and the Middle Ages to the twentieth century Exemplary essays in this volume argue for the dialectical relationship between modernity and its precursors in the older tradition working together to brush history against the grain in order to provide a sweeping look at the history of the Jewish people This volume of work by one of the boldest and most intellectually omnivorous Jewish thinkers of our time will be essential reading for scholars and students of Jewish studies **Encyclopedia of Judaism** Sara E. Hagner,2025-03-27 In the late nineteenth century Jewish scholars began to be interested in Jesus and eventually Paul as important figures in the history of the Jewish people Rightly understood they argued Jesus and Paul belonged more to Judaism than to Christianity as even radical critical Christian scholars were concluding The earliest believers in Jesus were exclusively Jews forming something like a new sect within Judaism The emergence of the Christianity of the New Testament soon became a focus of attention for Jewish scholars and with this a host of questions arose such as about the influence of Hellenism the parting of the ways the widespread Christian misperception of Judaism the tragedy of anti Semitism and the identity of Jesus as Messiah and Lord The present essays address these and other issues maintaining throughout the tension

of continuity and discontinuity and stressing the underappreciated radical newness of the New Testament Judaism ,
