Israel's national heroine has come to be seen as a symbol of Jewish heroism. Safe in Palestine during World War II she volunteered for a mission to help rescue fellow Jews in her native Hungary. She was captured by the Nazis, endured imprisonment and torture, and was finally executed at the age of twenty-three. Like Anne Frank, she kept a diary from the time she was thirteen. This new edition brings together not only the widely read and cherished diary but many of Hannah's poems and letters, memoirs written by Hannah's mother, accounts by parachutists who accompanied Hannah on her fateful mission, and insightful material not previously published in English.

The Spirituality of Welcoming Dr. Ron Wolfson, 2011-06-22 A practical guide for envisioning and transforming your synagogue into a powerful new congregation of welcoming, learning, and healing. The new synagogue we envision is a spiritual center for all those who set foot inside it. It is a *kehillah kedoshah*, a sacred community where relationships are paramount, where worship is engaging, where everyone is learning, where repair of the world is a moral imperative, where healing is offered, where personal and institutional transformation are embraced. The times are ripe for this spiritual call from the Introduction. So often we want our congregations to be more compelling, more member-focused, more spiritual, and yet more useful for our daily lives. Through reflection, examples, tips, and exercises, and incorporating the fruits of Synagogue 2000, now Synagogue 3000, a groundbreaking decade-long program investigating the challenges facing modern synagogues, this inspiring handbook both establishes a sound foundation for why a deep hospitality is crucial for the survival of today's spiritual communities and dives into the practical, hands-on how of turning your congregation into a place of invitation and openness that includes Prayer that is engaging, uplifting, and spiritually moving; Institutional deepening that is possible because of an openness to change; Study that engages adults and families as well as children; Good deeds, the work of social justice as a commitment of each and every member; An ambience of welcome that creates a culture of warmth and outreach; Healing that offers comfort and support at times of illness and loss, and much more.
