returned to London only to be introduced to a most unusual young man who was already making a name for himself as the world's first consulting detective. At that time the young man and his unique colleague were only just in their late twenties, unaware of their legendary futures, but they would go on to become two of the most famous and recognizable figures in the world: Sherlock Holmes and Dr John H Watson. In 1887 Holmes and Watson's first investigation as a team, *A Study in Scarlet*, was published. *The Sign of Four* followed in 1890, and then in 1891 the world was electrified with the publication of *The Adventures of Sherlock Holmes* in the newly formed Strand Magazine, and the world would never be the same. Through the remainder of the nineteenth century and all the way through the twentieth, Holmes and Watson's fame would grow. We're now well into the twenty-first century, yet the much-loved duo are just as popular today, if not even more so. In 2015 *The MX Book of New Sherlock Holmes Stories* burst upon the scene, featuring stories set within the canon's correct time period, written by the very best of today's Sherlockian authors from around the world. That first anthology spread over three huge volumes, contained sixty-three stories, and was the largest collection of its kind assembled at the time. Response was immediately and overwhelmingly positive, and soon there were calls from fans for additional collections. Over 150 contributors so far have joined together from around the world to produce well over three hundred new adventures to honour Sherlock Holmes, the man described by Watson as the best and wisest whom I have ever known. We now proudly present Parts XIII, XIV, and XV, three volumes which break the record of the initial triple offering with an incredible sixty-six new adventures featuring the eternal duo, Watson and Holmes. Part XV, in the popular MX series of new Sherlock Holmes stories, features contributions from Mark Mower, Thomas Fortenberry, Robert Perret, Tracy J Revels, Robert Stapleton, Peter Coe, Verbica Maurice, Barkley Edwin A Enstrom, William Todd, Roger Riccard, Kelvin I Jones, Arthur Hall, Jack Grochot, David Marcum, Dick Gillman, Will Murray, Tim Symonds, Mike Hogan, Leslie Charteris, Denis Green, Ian Dickerson, Nick Cardillo, Darryl Webber, with forewords from David Marcum, Will Thomas, Roger Johnson, Steve Emecz, and Melissa Grigsby, and two poems from Christopher James.

Movie Lists Paul Simpson, 2011-05-26. Action, African, greats, alcohol, Robert Aldrich, aliens, Woody Allen, Pedro Almodovar, Robert Altman, animated, anime, apocalypses, Argentina, art, Asia, minor, avant garde. And that's just A for you. A taste of this fabulously quirky and enjoyable book, which is both a celebration of movies and movie trivia and a handy entertaining guide to films that we know you will enjoy. It is fantastically functional. The lists are well conceived and easy to understand, mostly assembled by genre, actor, director, theme, or country of origin, and the reviews are witty and informative. Oddly enough, most movie guides are not full of recommendations. But *Movie Lists* is in spades, leaving readers in no doubt that the films reviewed are the business. Oh, and you don't have to watch them all before you die. There is no premise of death in this book. You just need to get down to the local Blockbusters or flick your remote to Movies on Demand. Only the popcorn is not supplied.
