Basques The Franco Years And Beyond Basque Series:

The Basques, the Franco Years and Beyond Robert P. Clark, 1979 Franco wreaked havoc on the people of the Basque Country at one time it was against the law to even speak any dialect of Basque This book looks at the emergence of Basque nationalism during the years of Franco's reign and after his death and highlights the struggle between classes and ethnic identity

The Franco Regime, 1936-1975 Stanley G. Payne, 1987-11-15 The history of modern Spain is dominated by the figure of Francisco Franco who presided over one of the longest authoritarian regimes of the twentieth century Between 1936 and the end of the regime in 1975 Franco's Spain passed through several distinct phases of political institutional and economic development moving from the original semi fascist regime of 1936-45 to become the Catholic corporatist organic democracy under the monarchy from 1945 to 1957 Distinguished historian Stanley G Payne offers deep insight into the career of this complex and formidable figure and the enormous changes that shaped Spanish history during his regime

The Surgeon and the Shepherd Meg Ostrum, 2004-12-01 In 1942 in coordination with the Belgian resistance Schepens stage managed a highly secret information and evacuation service through the counterfeit operation of a backcountry lumbering enterprise This book traces Schepens's gradual transformation from an apolitical young ophthalmologist into double agent Jacques Perot and his emergence in the postwar period as a modern folk hero to the residents of Mendive Woven into the account are the stories of a remarkable international cast of characters most notably the Basque shepherd Jean Sarochar regarded as a local misfit with whom Schepens formed his most unlikely partnership and an enduring friendship

Nerea and I Laura Mintegi, 2005 Laura Mintegi's *Nerea and I* provides a unique viewpoint from which to examine women's role in the world of Basque nationalism and Linda White's translation gives us a rare example in English of this late twentieth century novel by a prominent Basque writer and political activist This volume also includes White's examination of the role of women in Basque society and the rise of the women's movement in the Basque country of Spain

Basque Nationalism and Political Violence Cameron Watson, 2007 *Vizcaya on the Eve of Carlism* Renato Barahona, 1989 An innovative mix of anthropology and history this book is the first ever study of Carlism to set the movement in both its national and local contexts looking at both the machinations of its urban elites and the attitudes of the rural supporters MacClancy reveals the key roles of discourse symbols rituals within the life of Carlism and how they were used by different factions as the party shifted across the political spectrum He also draws out the significant legacies of Carlism to contemporary Basque nationalisms Based on over a decade's fieldwork in Navarre and research in a host of hitherto unused archives The Decline of Carlism is an important contribution to the understanding of both the modern Basque Country and modern Spain

EDUCATION FOR SUSTAINABILITY -Volume I Robert V. Farrell, George Papagiannis, 2009-10-10 Education for Sustainability is a component of Encyclopedia of Human Resources Policy Development and Management in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias The

Theme on Education for Sustainability provides the essential aspects and a myriad of issues of great relevance connection between education and more sustainable futures and embraces a reality that all need to know It demands a much broader interpretation of education a holistic perspective that accommodates new and challenging ideas Such education is imperative in creating the knowledge wisdom and vision needed for the transition to a more sustainable world In helping to design this sustainable future education for sustainability implements a vital systemic perspective that will allow for a complex interdependence of all life forms and Earth This volume is aimed at the following five major target audiences University and College Students Educators Professional Practitioners Research Personnel and Policy Analysts Managers and Decision Makers and NGOs *Publishers' Trade List Annual, 1980* Bobbs-Merrill Educational Co,1980 *Beyond Nations* John R. Chavez,2009-06-29 *Beyond Nations* traces the evolution of peripheral ethnic homelands around the North Atlantic from before transoceanic contact to their current standing in the world political system For example Megumaage homeland of the Micmac is transformed into the French colony of Acadia then into the British colony of Nova Scotia and subsequently into the present Canadian province Centrally Professor Chavez tracks the role of colonialism in the transformation of such lands but especially the part played by federalism in moving beyond the ethnic and racial conflicts resulting from imperialism Significantly Chavez gives attention to the effects of these processes on the individual mind arguing that historically federalism has permitted the individual to sustain and balance varying ethnic loyalties regionally nationally and globally *Beyond Nations* concludes with a discussion of an evolving global imagination that takes into account migrations borderlands and transnational communities in an increasingly postcolonial and postnational world **Background Notes, Spain** ,1985

ETA's Terrorist Campaign Rafael Leonisio, Fernando Molina, Diego Muro, 2016-07-28 This book analyses the rise and decline of the Basque terrorist group Euskadi Ta Askatasuna ETA Basque Homeland and Freedom ETA declared a unilateral ceasefire in November 2011 bringing to a close a campaign of political violence that started in the late 1960s By the beginning of the twenty first century the overwhelming majority of secession supporters agreed that an independent Basque homeland would be realised through ballots and not bullets Providing an inter disciplinary overview of radical Basque nationalism that pays special attention to the drivers for ETA s decline defeat and disbandment this book includes chapters by historians political scientists and sociologists who offer three important theoretical and empirical contributions to the literature on nationhood and security studies Firstly the book re assesses the military conflict that opposed ETA and the Spanish state by paying special attention to tactical and strategic considerations as well as the counter terrorist policy itself Secondly it provides an original interpretation of the politics of fear which surrounded the process of victimization as well as assessing the extent to which the issue of violence led to the polarisation of citizens Thirdly the authors examine the historical narratives and rituals that contributed to the production and reproduction of identity binaries and memories of war Arguing that the defeat of ETA must be contextualised within the strategic evolution of Basque nationalism the declining resonance of the radical message and the effectiveness of the Spanish counter terrorist effort this book is essential reading for students and scholars working in the areas of European politics nationalism and terrorism studies *Spain* Graham J. Shields, 1994 Annotation In less than 20 years Spain has emerged from repression and dictatorship to become a largely stable and sophisticated modern industrial economy This reference provides annotated entries on works dealing with the history geography economy politics people culture customs religion and social organization of this fascinating country Also addressed are current living conditions including housing education the media the arts and industry Annotation copyright by Book News Inc Portland OR *Beyond Folklore?* Xosé M. Núñez Seixas, 2023-12-19 This book analyzes the promotion of subnational identities undertaken by Spanish fascism and the Franco regime between 1930 and 1975 as well as their patterns of survival accommodation and adaptation It examines the proactive attitudes of the various actors committed to the dictatorship from Falangists to Francoist intellectuals to Catholic conservatives alongside their repressive or annihilating approach to regional cultures and languages As in most Fascist regimes between 1922 and 1945 a narrative of the ethnocultural ethnoterritorial and historic diversity of the nation persisted with differing degrees of intensity and different tendencies These discourses and practices were not limited exclusively to the ideological and social sphere of anti Francoism and the roots of the State of the Autonomous Communities which gave rise to the extension of political autonomy to all Spanish regions from 1978 onwards date back to the deep structure of the dictatorship with foundations in demands put forward by the local provincial and regional elites within later Francoism The volume is primarily written for scholars and students of Iberian Studies European Modern and Contemporary History Cultural Studies especially those with an interest in

memory studies fascism nationalism and regionalism cultural resistance under dictatorship and transitions from dictatorship to democracy

Volatile Social Movements and the Origins of Terrorism Christine Sixta Rinehart, 2013 Although many scholars have studied terrorism few scholars have ever studied terrorism from the aspect of its initial origins in social movements Not only is research concerning this phenomenon outdated but there has also been no consensus as to what causes terrorism Many contemporary terrorist organizations were once social movements that formed for a specific purpose using nonviolent tactics to accomplish their agenda Eventually terrorist tactics became the method of choice for these once peaceful social movements

Volatile Social Movements and the Origins of Terrorism The Radicalization of Change by Christine Sixta Rinehart focuses on why this transition occurred why did a peaceful social movement transition to a terrorist organization The case studies in this book include the Muslim Brotherhood the ETA the FARC and the LTTE The study focuses on the individual characteristics group dynamics and external forces that caused social movements to use terrorist tactics It is ascertained who made the decision to use terrorism and why and how that person or group of people ascended to a leadership position within the social movement After the person people time and place are found pertaining to the first decision to use terrorism Sixta Rinehart examines why terrorism became an attractive option for each social movement

Volatile Social Movements and the Origins of Terrorism asks a necessary question for scholars and researchers in counterterrorism and international policy Under what conditions do social movements resort to the use of terrorist tactics

Basques The Franco Years And Beyond Basque Series Introduction

In today's digital age, the availability of Basques The Franco Years And Beyond Basque Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Basques The Franco Years And Beyond Basque Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Basques The Franco Years And Beyond Basque Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Basques The Franco Years And Beyond Basque Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Basques The Franco Years And Beyond Basque Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Basques The Franco Years And Beyond Basque Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Basques The Franco Years And Beyond Basque Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Basques The Franco Years And Beyond Basque Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Basques The Franco Years And Beyond Basque Series books and manuals for download and embark on your journey of knowledge?
