Bastards Boneheads:

Four Days in Hitler's Germany Robert Teigrob, 2019-05-23 In 1937 Canadian Prime Minister Mackenzie King travelled to Nazi Germany in an attempt to prevent a war that to many observers seemed inevitable The men King communed with in Berlin including Adolf Hitler assured him of the Nazi regime's peaceful intentions and King not only found their pledges sincere but even hoped for personal friendships with many of the regime's top officials Four Days in Hitler's Germany is a clearly written and engaging story that reveals why King believed that the greatest threat to peace would come from those individuals who intended to thwart the Nazi agenda which as King saw it was concerned primarily with justifiable German territorial and diplomatic readjustments Mackenzie King was certainly not alone in misreading the omens in the 1930s but it would be difficult to find a democratic leader who missed the mark by a wider margin This book seeks to explain the sources and outcomes of King's misperceptions and diplomatic failures and follows him as he returns to Germany to tour the appalling aftermath of the very war he had tried to prevent

Kill Talk Janet McIntosh, 2025-05-14 The language used by American military personnel can be intense and confrontational yet the relationship between language and military violence is rarely examined in depth This groundbreaking book offers a unique perspective on how language facilitates the work of combat infantry the state's killable killers Through vivid ethnographic research Janet McIntosh meticulously traces the nuances of military kill talk as it permeates the vast nervous system of the military from the first exposure to yelling in Marine Corps basic training to the dark humor and nihilistic expressions found in war zones in Vietnam and the Middle East McIntosh reveals how military trainers use language to deindividuate toughen and masculinize recruits while infantry soldiers develop distinct linguistic repertoires and attitudes to suppress empathy dehumanize and racialize the enemy cope with loss and dwell in a moral gray zone Kill Talk also addresses national debates over language use in a diverse world exploring tensions between calls for sensitivity and restraint in military speech and the perception that these can threaten national security The book highlights the contradictions between the rhetoric of military honor and moral integrity and the harsh sometimes depraved language of combatants suggesting that these paradoxes enable military violence yet contribute to moral injury It concludes with an exploration of veteran poets and artists who have found innovative ways to use language and other forms of expression to critique military institutions and begin the process of demilitarizing their psyches

The False Traitor Albert Raimundo Braz, 2003-01-01 The nineteenth century M'tis politician and mystic Louis Riel has emerged as one of the most popular and elusive figures in Canadian culture Since his hanging for treason in 1885 the self-declared David of the New World has been depicted variously as a traitor to Confederation a French Canadian and Catholic martyr a bloodthirsty rebel a pan American liberator a pawn of shadowy white forces a Prairie political maverick a First Nations hero an alienated intellectual a victim of Western industrial progress and even a Father of Confederation Albert Braz synthesizes the available material by and about Riel including film sculpture and cartoons as well as literature in French and English and

analyzes how an historical figure could be portrayed in such contradictory ways In light of the fact that most aesthetic representations of Riel bear little resemblance not only to one another but also to their purported model Braz suggests that they reveal less about Riel than they do about their authors and the society to which they belong The most comprehensive treatment of the representations of Louis Riel in Canadian literature The False Traitor will be a seminal work in the study of this popular Canadian figure **Akashic Records of Bastard Magic Instructor Vol. 2** Aosa Tsunemi,Tarou
