Blessings from Heaven , Called to Bless John Rice, 2024-05-23 Humans were created to bless one another those they love and those they do not According to Scripture Num 6 27 God promises to release more of his blessings more of his goodness grace and love into the world In Hebrew the word for bless means God s intention When people speak words of blessing in God s name they are praying for the fullness of God s intentions to be released into their lives In a world where division and polarization are becoming normative God gives a new ministry resource blessing ministry The power of blessing can bridge those gaps and bring healing to the individuals involved There is no individual situation no community need where blessing prayers are not beneficial Wherever there is joy and celebration in people s lives blessing prayers bring only more joy and thanksgiving There is an awakening in the lives of God s people wherever the ministry of blessing is being taught and practiced Communities are experiencing greater health Churches are becoming more alive Hearts are being healed and lives transformed simply by blessing others in Jesus name God is calling his people to become a people of blessing *Breaking Hindrances to the Promises and Blessings of God* Evelyn Morris, 2022-05-27 Many Christians believe that if they follow strict rules in the giving of tithes and offerings sowing of seeds regular church attendance working for the church prayer and fasting and helping the poor and needy they are pleasing God While these acts of piety should not be ignored God looks on the motives of the heart and not necessarily the outward show of godliness Some of us ponder why God does not respond to our prayers and fasting though we adhere to strict biblical rules and principles The book demonstrates how curses from your generation authorities and self projected words can have impact on an individual s life As you read along you may find out that some of the hindrances to the promises and blessings could be as a result of our rebellion and disobedience The reader is given life changing information from the authors personal experiences This will encourage readers to embrace the truth of God s word and to recognize that whatever the Lord has spoken will be manifested in His timing and your readiness
