Bleu Comme Lenfer:

Bleu comme l'enfer Philippe Djian, 2013-12-18 T00:00:00+01:00 Il y avait pas de lumière juste le ricanement des grillons malgré le silence la lune c'est d'eux dans une bassine d'huile de vidange et cette baraque en bois la porte était noire et graisseuse autour de la poignée des pneus transformés en pots de fleurs et un siège de bagnole enfoncé sous la veranda Henri faillit s'embrocher sur le norme cactus qui trainait l'entrée pendant que Ned cognait la porte il remarqua la grosse fleur ouverte au milieu des piquants Le cactus ne fleurit qu'une seule nuit dans l'année C'est une fleur aux couleurs très pures et très tendres entourée de piquants comme ce roman d'amour caché au cœur de la haine et du sang sous un ciel implacablement bleu comme l'enfer

French National Cinema Susan Hayward, 2006-09-07 This examination of France's national cinema takes its primary artefact the feature film and discusses both popular cinema and the avant garde cinema that contests it Susan Hayward argues that writing on French national cinema has tended to focus on either great film makers or on specific movements addressing moments of exception rather than the global picture Her work offers a thorough and much needed historical textualisation of those moments and relocates them in their wider political and cultural context Beginning with an ecohistory of the French film industry she then traces the various movements in French cinema and the directors associated with them including the avant garde Poetic Realist New Wave and today's postmodern cinema Her analysis includes amongst other considerations the social and political concerns these cinemas reflect

Political Culture in France and Germany (RLE: German Politics) John Gaffney, Eva Kolinsky, 2014-12-17 This book originally published in 1991 assesses how attitudes political orientations and social values changed during the five decades after the Second World War The case studies in the book focus on key sites in political culture in France on the extreme right the cinema the impact of media personalities and changes of political discourse in Germany on the decline of regional identities the emergence of specific issues and the concern of political parties with the effectiveness of language This interdisciplinary study provides new insights into the way French and German people see themselves

Jean-Jacques Beineix Philip Powrie, 2019-01-18 This volume is the first to examine in either French or English the films of Jean Jacques Beineix often seen as the best example of the 1980s cinema du look with cult films such as *Diva* and *Betty Blue* 370 2 le matin After an introduction which places Beineix in the context of the 1980s and the arguments centering on a postmodern cinema the volume devotes a chapter to each of Beineix's feature films including the film which marked his return to feature film making after a break of a decade *Mortel Transfert* 2001 Prefaced by an excellent foreword by the director himself which includes a broad condemnation of French critics Includes many illustrations direct from the director's own collection complementing the interviews Powrie made with him and his collaborators

Contaminating Theatre Jill R. Mac Dougall, P. Stanley Yoder, 1998 Speaking from a breadth of disciplines themes and cultural perspective the eight essays in this collection offer a wide ranging view on the ways theater can be employed in the service of public health The projects examined include activist theater companies

theater of survival dealing with issues like AIDS and peer violence the use of theater in therapy and in the training of therapists and an in depth look at the issues and methods driving any theater seeking to produce a healthy change The ten contributors include theater practitioners therapists and teachers researchers and scholars in medical anthropology and international health psychology and drama therapy communication and performance studies and feminist and cultural criticism

Consequences Philippe Djian,2013-09-03 Philippe Djian brings a buzzing urgency to this story set in a sleepy academic enclave in rural France where Marc a professor whose interest in women has filled the hole left by his failed literary ambitions makes a habit of bringing home his most promising students for brief but pleasant affairs One night Marc brings home his student Barbara only to discover to his horror her lifeless body lying next to him the next day Instead of calling the police he disposes of her body in a remote gorge a decision with consequences that catapult him into an ever quickening spiral of suspicion and self doubt from pubsiher s web site
