COVID-19 in Brooklyn Jerome Krase, Judith DeSena, 2023-03-07 COVID 19 in Brooklyn Everyday Life During a Pandemic looks closely at the ways that the COVID 19 pandemic impacted the lives of ordinary people living in the super gentrified Brooklyn neighborhoods of Park Slope and Greenpoint Williamsburg where the authors hunkered down during the 2020 lockdown Putting their private lives into broader scientific and public contexts Krase and DeSena discuss a wide range of research methods and theories as well as print and internet media sources about the pandemic With words and images the scholar activist authors place their own personal experiences and those of their family and neighbors inside the broader context of global and national medical emergencies as well as related economic social and political unrest such as widespread unemployment the Black Lives Matter Movement and the contentious 2020 presidential election Using a distributive social justice perspective and examining their own privileges they discover and discuss the racial and economic inequities that affected the lives of other Brooklynites These disparities included public health measures and lack of access to basic necessities of urban living The book also addresses the cultural and economic shifts that took place at the start of the pandemic and contemplate how those

forces will impact on future urban life asking what the new normal of business entertainment education housing and work will look like locally and globally This richly illustrated book offers an invaluable local study of the impact of the pandemic on ordinary people in Brooklyn As such it will be of great interest to students and researchers in the humanities and social sciences *Quality of Life in Behavioral Medicine Research* Joel E. Dimsdale, Andrew S. Baum,, Andrew S. Baum, 2013-10-31 The number of and interest in quality of life studies has grown dramatically in the last decade On an ever increasing basis patients clinicians researchers and health policy regulators are considering quality of life in assessing treatment alternatives Unfortunately most discussions of quality of life are narrow in scope applying to only one disease group This unique book represents the concerted effort of experts in academia federal government health care regulators and pharmaceutical industry representatives to define the promise and the problems associated with quality of life studies The issues covered range from cross cutting ones to those that are specific to particular illnesses Because quality of life takes into consideration such domains as mood vocation family sexual functioning social participation and costs this book will serve as an invaluable companion to readers with an interest in behavioral medicine research **Dying: A Social Perspective on the End of Life** Alex Broom, 2016-03-03 An inevitable and universal experience dying is experienced by individuals in different ways often related to the character of our relationships family structures gender identities cultural backgrounds and economic means Drawing on extensive qualitative fieldwork with patients carers and health professionals in Australia and the United Kingdom *Dying A Social Perspective on the End of Life* provides a critical examination of the different spheres of dying in social and cultural context Exploring complex issues such as the politics of assisted dying negotiating medical futility gender and dying the desire for redemption the moralities of the good fight and the lived experience of bodily disintegration this book links novel theoretical ideas within sociology to cutting edge empirical data collected in palliative and end of life care contexts A theoretically engaged understanding of the social mediation of the end of life *Dying A Social Perspective on the End of Life* also sheds light on the manner in which the end of life can be shaped by major economic cultural and socio cultural shifts including neo liberalism individualisation medicalisation professionalisation and detraditionalisation As such it will appeal to social science health and medical researchers interested in the end of life as well as those working in palliative and end of life care settings *The Eagle and Brooklyn* Henry Ward Beecher Howard, Arthur N. Jervis, 1893 **The Sermons of Henry Ward Beecher in Plymouth Church, Brooklyn** Henry Ward Beecher, 1872 **Applications of Radioisotopes and Radiation in the Life Sciences** United States. Congress. Joint Committee on Atomic Energy, 1961 *Boys' Life*, 1918-05 *Boys Life* is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *The Life and Afterlife of Gay Neighborhoods* Alex Bitterman, Daniel Baldwin Hess, 2021-03-19 This open access book examines the significance of gay neighborhoods or gayborhoods from critical periods of formation during the gay liberation and freedom movements of the 1960s and 1970s to

proven durability through the HIV AIDS pandemic during the 1980s and 1990s to a mature plateau since 2000 The book provides a framework for contemplating the future form and function of gay neighborhoods Social and cultural shifts within gay neighborhoods are used as a framework for understanding the decades long struggle for LGBTQ rights and equality Resulting from gentrification weakening social stigma and enhanced rights for LGBTQ people gay neighborhoods have recently become less gay following a 50 year period of resilience Meanwhile other neighborhoods are becoming more gay due to changing preferences of LGBTQ individuals and a propensity for LGBTQ families to form community in areas away from established gayborhoods The current plateau in the evolution of gay neighborhoods is characterized by generational differences between Baby Boom pioneers and Millennials who favour broad inclusivity signaling various possible trajectories for the future afterlife of these important LGBTQ urban spaces The complicating impacts of the COVID 19 pandemic provides a point of comparison for lessons learned from gay neighborhoods and the LGBTQ community that bravely endured the onset of the HIV AIDS pandemic This book will be of interest to students and scholars in various disciplines including sociology social work anthropology gender and sexuality LGTBQ and queer studies as well as urban geography architecture and city planning and to policymakers and advocates concerned with LGBTQ rights and social justice

The Social Life of Skills in the Global South Trent Brown, Geert De Neve, 2025-06-23 This book expands understandings of how skills are defined acquired and utilized in Global South contexts Skills and skill development are increasingly prominent focal points for governments in the Global South and international development bodies Yet policymakers and practitioners promoting skill development often overlook the everyday realities of how skills are learned and acquired and how they are deployed and valued by individuals and communities Frequently they ignore the social and institutional barriers that prevent people from using their skills in meaningful or remunerative ways By focusing on the the social life of skills the chapters in this volume invite a broader conceptualization of skills their development and their application in Global South contexts They explore four main areas of theorization and practice 1 The social and political processes by which certain types of work and people are labeled as skilled or unskilled 2 The different ways people acquire skills formal informal and nonformal 3 The political economy of skills and skill development and their imbrication in forms of exploitation and intersecting inequalities 4 The role of skills in the expression of aspirations identities and agency This book will appeal to students and researchers in the fields of development studies sociology anthropology education and labor studies particularly those focusing on the Global South It will also appeal to policymakers practitioners and development organizations working on skill development and vocational training The chapters in this book were originally published as a special issue of Third World Quarterly
