The Diet for the Mind belongs on the bookshelf next to the many books for the body diet After all which is more important to diet to have a healthy fine scrupled physical body which will one day rot and return to the earth or to diet to have a mind fed with the spirit of good to save the soul which will live eternally The mind diet has completed my dieting because now I know the truth and I am free I am free in mind body and soul The Diet for the Mind will teach that God is a trinity Father Son and Holy Spirit and God created man as a trinity spirit body and soul Furthermore The Diet teaches on the trinity of evil the trinity of consciousness and the trinity of Christianity The Diet for the Mind has a menu that begins with appetizers and ends with desserts The diet explains why humanity needs a diet the appetizers for the mind and how to diet and change the mind to find the dessert love The Holy Bible is used by Minister Settle as The Manual because The Manual is from the creator and all has to agree that the creator s manual is the best resource for the creation Thus as humanity supplies a manual for instructions on the existence of whatever is created the creator of humanity has provided his manual

for the education edification and instructions to his creation humanity So Chevrolet instructs on the care and maintenance of the existence of the Chevrolet car and ditto is true with Ford cars Thus it doesn't take a PHD in the study of existence to accept that the creator knows what is best for the creation The Diet for the Mind is not based upon Minister Settle's diet or any other mortal's instructions Rather The mind diet is presented from the creator's instructions found in the manual for the diet the Holy Bible
