Blood Of Revolution From The Reign Of Terror To The Rise Of Khomeini:

Blood of Revolution Erik Durschmied, 2003-01-10 Starting on the eve of the French Revolution in the late 1780s Durschmied not only describes the dramatic events but enriches each of these historic upheavals by quoting the protagonists on both sides Letting facts and quotations speak for themselves he sets forth and analyzes the French Mexican and Russian revolutions the failed putsch against Hitler in 1944 the Cuban Revolution and finally the Iranian Revolution that ousted the Shah in 1979 Each revolution has its own dynamic and fascinating cast of characters but all too often as this wonderfully researched work shows the end result is the same mayhem betrayal and death **Farewell Shiraz** Cyrus

Kadivar, 2017-06-16 A poignant memoir of pre 1979 Iran and the human drama behind the fall of the last shah In October 1999 during a trip to Cairo Cyrus Kadivar an exiled Iranian living in London visited the tomb of the last shah and opened a Pandora s box Haunted by nostalgia for a bygone era he recalled a protected and idyllic childhood in the fabled city of Shiraz and his coming of age during the 1979 Iranian revolution Back in London he reflected on what had happened to him and his family after their uprooting and decided to conduct his own investigation into why he lost his country He spent the next ten years seeking out witnesses who would shed light on the last days of Pahlavi rule Among those he met were a former empress ex courtiers disaffected revolutionaries and the bereaved relatives of those who perished in the cataclysm In *Farewell Shiraz* Kadivar tells the story of his family and childhood against the tumultuous backdrop of twentieth century Iran from the 1905 1907 Constitutional Revolution to the fall of Mohammad Reza Shah Pahlavi before presenting accounts of his meetings with key witnesses to the Shah s fall and the rise of Khomeini Each of the people interviewed provides a richly detailed picture of the momentous events that took place and the human drama behind them Combining exquisite vignettes with rare testimonials and first hand interviews *Farewell Shiraz* draws us into a sweeping yet often intimate account of a vanished world and offers a compelling investigation into a political earthquake whose reverberations still live with us today
