AUTHOR NOTES This is a dark angsty contemporary high school bully enemies to lovers forbidden romance with enough steam to melt your screen He falls first and he falls HARD and FAST This a crash course in insta love for both of them Do not engage in public consumption unless your poker face is impenetrable Do not read if you don t like bossy alpha males claiming what s theirs a nerdy but feisty heroine determined not to fall for a silver tongue sassy besties snarky love to hate them side characters or bad boys with secret hearts of gold This story is set in a very bastardised combination of settings I wanted to use a European school year because I like the timing and the weather better but I imagine Hammersby Bay being a small depending on your definition US town on the coast a river like in Oregon maybe and the more specific references of course skew Australian as usual So have fun This book is written using Australian English This will affect the spelling grammar and syntax you may be used to It might come across as typos awkward sentences poor grammar or missed wrong words In the majority of cases I won t claim it s infallible despite all best efforts this is intentional and just an Aussie way of speaking it took my US beta readers a bit to get used to I can t say the Aussie way since we seem to differ even within the same state Just think of us as a weird mix of British and US vernacular and colloquialisms but with our own randomness thrown in I still hope you enjoy it though
