Blood Ties A Womans History:

Blood Ties Anica Vesel Mander, 1976 *The Routledge History of Women in Europe Since 1700* Deborah Simonton, 2006-04-27 This landmark publication collects the essays of the leading women's historians and provides the most coherent overview of women's role and place in Western Europe from the beginning of the eighteenth century to the twentieth century

The Short Story Anthology and Women's Writing Aleix Tura Vecino, 2025-08-14 Hundreds of anthologies of women's short stories have appeared in the literary market between the 1970s and now This publishing and cultural phenomenon is considered for the first time in this book which argues that during this period anthologies have become a literary technology used not only to make visible female short story writers but also to think about and mould ideas of womanhood Through creative and contextualised readings of the most important anthologies produced in this period this study shows that this literary form has contributed to and in some cases pioneered key developments in gender theory and feminist thought including questions of political combination among women which underlie contemporary global movements such as MeToo In doing so the book also develops the first book length conceptualisation of the features and meaning making mechanisms of the short story anthology as a literary form This book will benefit academics and students working in the fields of short fiction publishing and women's studies as well as feminist scholars and a growing number of specialists interested in the anthology as a literary form worldwide

The Woman's Kingdom. A Love Story, Etc Woman, 1869

Through a Woman's I Patricia K. Addis, 1983 *Pauline E. Hopkins* Hanna Wallinger, 2012-06-01 Virtually unknown for the better part of the twentieth century Pauline E Hopkins 1859 1930 is one of the most interesting rediscoveries of recent African American literary history This is the first study devoted exclusively to Hopkins's life and her influential career as an editor political writer social critic pioneering playwright biographer and fiction writer Hanna Wallinger's discoveries break much new ground especially regarding Hopkins's relationship with such notable men and women as Booker T Washington and Anna Julia Cooper her position in Boston's black women's club movement her work with the Boston based *Colored American Magazine* and her concepts of race gender and class Drawing on recently discovered letters Wallinger sheds new light on the relationship between Hopkins and Booker T Washington particularly the acrimony surrounding Hopkins's departure from the *Colored American Magazine* She discusses Hopkins's pseudonymous writings in addition to those written under the known alias Sarah A Allen Wallinger interprets Hopkins's play *Peculiar Sam* her now famous novels *Contending Forces* *Hagar's Daughter* *Winona* and *Of One Blood* and the short stories which have so far received little critical attention This study also contains the little known but important text *A Primer of Facts* Republished here for the first time it establishes Hopkins as an early advocate of black nationalism and one of the few women writers who joined this discourse Hopkins writes Wallinger was on the scene when race consciousness was being defined This important new study reveals her role at the center of crucial debates about the cultural politics of magazine editing radical activism and the early feminist

movement **Reading the American Novel 1780 - 1865** Shirley Samuels, 2014-02-10 Reading the American Novel 1780 1865 provides valuable insights into the evolution and diversity of fictional genres produced in the United States from the late 18th century until the Civil War and helps introductory students to interpret and understand the fiction from this popular period Offers an overview of early fictional genres and introduces ways to interpret them today Features in depth examinations of specific novels Explores the social and historical contexts of the time to help the readers understanding of the stories Explores questions of identity about the novel its 19th century readers and the emerging structure of the United States as an important backdrop to understanding American fiction Profiles the major authors including Louisa May Alcott Charles Brockden Brown James Fenimore Cooper Nathaniel Hawthorne Herman Melville Harriet Beecher Stowe alongside less familiar writers such as Fanny Fern Caroline Kirkland George Lippard Catharine Sedgwick and E D E N Southworth Selected by Choice as a 2013 Outstanding Academic Title *The Won Cause* Barbara A. Gannon, 2011-05-30 In the years after the Civil War black and white Union soldiers who survived the horrific struggle joined the Grand Army of the Republic GAR the Union army s largest veterans organization In this thoroughly researched and groundbreaking study Barbara Gannon chronicles black and white veterans efforts to create and sustain the nation s first interracial organization According to the conventional view the freedoms and interests of African American veterans were not defended by white Union veterans after the war despite the shared tradition of sacrifice among both black and white soldiers In *The Won Cause* however Gannon challenges this scholarship arguing that although black veterans still suffered under the contemporary racial mores the GAR honored its black members in many instances and ascribed them a greater equality than previous studies have shown Using evidence of integrated posts and veterans thoughts on their comradeship and the cause Gannon reveals that white veterans embraced black veterans because their membership in the GAR demonstrated that their wartime suffering created a transcendent bond comradeship that overcame even the most pernicious social barrier race based separation By upholding a more inclusive memory of a war fought for liberty as well as union the GAR s *Won Cause* challenged the Lost Cause version of Civil War memory **Beauty Shop Politics** Tiffany M. Gill, 2010-03-03 Looking through the lens of black business history *Beauty Shop Politics* shows how black beauticians in the Jim Crow era parlayed their economic independence and access to a public community space into platforms for activism Tiffany M Gill argues that the beauty industry played a crucial role in the creation of the modern black female identity and that the seemingly frivolous space of a beauty salon actually has stimulated social political and economic change With a broad scope that encompasses the role of gossip in salons ethnic beauty products and the social meanings of African American hair textures Gill shows how African American beauty entrepreneurs built and sustained a vibrant culture of activism in beauty salons and schools **Tough Choices** Patricia Stephenson, Marsden Wagner, 1993 In vitro fertilization IVF gamete intra fallopian transfer GIFT and other technologies of assisted conception have been heralded by the medical community and the media as the answer for infertile

couples This timely collection of articles discusses medical and social options for couples facing infertility the effectiveness safety costs and benefits of the new reproductive technologies and some of the legal and ethical issues surrounding the use of these services Although now in widespread use the new reproductive technologies have not yet been fully evaluated No attempts have been made to determine the need for such services to compare their effectiveness with other therapies to restore fertility or to assess the risks associated with such treatments Since there is no agreed upon standard definition of infertility over diagnosis is often spurred by exaggerated claims of success by medical sources and the media Over treatment exposes women to unnecessary risks and has a staggering impact on national health budgets Bringing together key issues in health policy analysis this volume argues for a public health approach to infertility maintaining that far too little attention has been given to the important social ethical and legal issues involved These internationally focused essays address critical issues that have arisen from the proliferation of infertility technologies Should there be any social criteria for IVF recipients Does society have a responsibility to deal with the long term consequences of the technology What is to be done about the diversion of money resources and health professionals talents away from pressing community health needs into a high technology benefiting only a few What are the best ways to handle ethically questionable practices such as inducements to women to donate their eggs to IVF clinics and misrepresentation of success rates **Like Our Very Own** Julie

Berebitsky,2000 A fascinating chapter in American social and cultural history **Like Our Very Own** offers compelling evidence of the role that adoption has played in our evolving efforts to define the meaning and nature of both motherhood and family **BOOK JACKET** *A Woman's Right to Know* Jesse Olszynko-Gryn,2024-06-11 The history of pregnancy testing and how it transformed from an esoteric laboratory tool to a commonplace of everyday life Pregnancy testing has never been easier Waiting on one side or the other of the bathroom door for a positive or negative result has become a modern ritual and rite of passage Today the ubiquitous home pregnancy test is implicated in personal decisions and public debates about all aspects of reproduction from miscarriage and abortion to the biological clock and IVF Yet only three generations ago women typically waited not minutes but months to find out whether they were pregnant *A Woman's Right to Know* tells for the first time the story of pregnancy testing one of the most significant and least studied technologies of reproduction Focusing on Britain from around 1900 to the present day Jesse Olszynko Gryn shows how demand shifted from doctors to women and then goes further to explain the remarkable transformation of pregnancy testing from an obscure laboratory service to an easily accessible though fraught tool for every woman Lastly the book reflects on resources the past might contain for the present and future of sexual and reproductive health Solidly researched and compellingly argued Olszynko Gryn demonstrates that the rise of pregnancy testing has had significant and not always expected impact and has led to changes in the ways in which we conceive of pregnancy itself **Encyclopedia of Government and Politics** Mary Hawkesworth,Maurice

Kogan,2013-11-07 This is a brand new edition of the critically acclaimed **Encyclopedia of Government and Politics** which has

been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers

Women in Roman Law and Society Jane F. Gardner, 2008-03-07 The legal situation of the women of ancient Rome was extremely complex and since there was no sharp distinction between free woman freedwoman and slave the definition of their legal position is often heard Basing her lively analysis on detailed study of literary and epigraphic material Jane F Gardner explores the provisions of the Roman laws as they related to women Dr Gardner describes the ways in which the laws affected women throughout their lives in families as daughters wives and parents as heiresses and testators as owners and controllers of property and as workers She looks with particular attention at the ways in which the strict letter of the law came to be modified softened circumvented and even changed pointing out that the laws themselves tell us as much about the economic situation of women and the range of opportunities available to them outside the home

Same-Sex Cultures and Sexualities Jennifer Robertson, 2008-04-15 This book demonstrates the centrality of sex gender and sexuality to theories of human behaviors and practices Moves beyond other lesbian and gay studies readers by presenting a broader view of the significance of studying same sex cultures and sexualities across cultures Offers readings from all four subfields of anthropology cultural biological linguistic and archaeological along with historical and applied anthropology Includes discussion of biotechnology and bioethics health and illness language ethnicity identity politics post colonialism kinship development and policymaking

Studies in Ancient History, comprising a reprint of Primitive Marriage, an inquiry into the origin of the form of capture in marriage ceremonies John Ferguson MACLENNAN (LL.D.), 1876

People Will Talk John Whitfield, 2011-10-04 How to get a good reputation deserved or not and why we care what other people think Why does a fish only bite another fish if no one else is watching Why do people overshare online Why do some people meet trivial insults with extreme violence Why do so many gods have multiple eyes In *People Will Talk* science writer John Whitfield shows how reputation helps answer all of these questions and more What is the secret to getting a good reputation Unfortunately there s more to reputation than being a good person or being good at what you do Your reputation belongs to other people and it s created by what they say about you behind your back You have a good reputation only if you have a strong social network a large and close knit network of friends family and allies to spread good news about you and shout down ugly rumors If you ve ever wondered why we care about the lives of celebrities why young men publicly upload to

the Internet pictures of themselves engaged in drunken or dangerous antics how to make the honor system a little more widely honored how to keep politicians honest or what keeps gossip going reputation will give you a clue Almost from the moment we are born we are trying to work out whom we can trust and trying to make others think the best of us We carry on doing so throughout life even when we don't realize it every time we meet another person in business friendship or romance every time we read celebrity gossip and every time we tweak our Facebook profiles Whether you're buying a car or selling one looking for a job or hiring asking someone out on a date or deciding whether to accept the invitation reputation matters Read *People Will Talk* and discover how to polish your own reputation understand what you hear about others and make the most of both

The Sea Kings of Orkney, and Other Historical Tales Charles Alfred Maxwell, 1870 *A Turbulent Town, Or, The Story of the Artevelde's* Edward Newenham Hoare, 1884 **Abortion and Woman's Choice** Rosalind Pollack Petchesky, 2024-03-12 The best book I have read on the politics of reproduction It raises complex theoretical and strategic questions in a clear and accessible way and represents an important breakthrough in feminist thinking Leslie Doyal author of *What Makes Women Sick* This prize winning study is the definitive work on the politics of abortion and fertility Rosalind Pollack Petchesky provides overwhelming evidence against the anti-abortion forces and in the process takes up issues of teenage sexuality the politics of eugenics and women's relationship to medical technology The book's continuing relevance is a tribute to the author and a sad indictment of contemporary politics
