Blood Charge Forgotten Realms:

The Forgotten Realm Anthony Ford, 2015-03-10 The Forgotten Realm Twisted Sanity Dr Philip Roach studies the human mind by any means necessary and is fascinated when a patient arrives at the Asylum of the Criminally Insane who had killed her entire family but when he realizes that she has a rare split personality disorder he can't wait to unlock her hidden secrets and dive into her mind However is he ready for the consequences of his actions The mind can be very complicated and things may not be as they seem Is he ready to discover the truth and is it what he expects But most of all will it make his own mind snap and take him to the brink of madness into the realm of Insanity Only time will tell Mirror to the Soul Have you ever felt like someone was watching you That someones invisible eyes were gazing upon you and a deceased love one was nearby Do you believe in ghosts Billie Williams was an elderly man who spent most of his days behind the bar in the Black Hawk pub He wouldn't hurt a fly He thought he lived upstairs above the pub alone but how wrong was he because he was being watched by unseen eyes looking through the mirror Some say the mirror was a porthole to the spirit realm but what if the ghosts were desperate enough to enter our realm but even the dead have rules They were weak but they are cunning and they have found a key to unlock the door into our world However not all spirits are friendly Theses are just two of the short stories within the pages of this book taking us into the Forgotten Realm Into a world where anything is not what it seems and fate plays a deadly hand

Whispers of the Forgotten Realm Robin Wickens, 2024-08-15 The world of Eryndor is a once vibrant realm now slowly succumbing to the relentless grip of an ancient curse its beauty marred by the creeping decay of time and dark magic The skies are eternally shrouded in a dim blood red twilight a perpetual state of half light that cloaks the world in an unsettling gloom The sun a faint and distant memory struggles to break through the heavy oppressive clouds casting only the weakest of rays upon the land This weak sunlight creates an eerie otherworldly ambiance where night and day have merged into an endless twilight leaving the inhabitants in a constant state of uncertainty The landscape of Eryndor is a haunting reflection of its former glory Once it was a realm of breathtaking beauty and grandeur where towering spires and majestic cities stood as a testament to the civilization that flourished there Now those same cities lie in ruin their magnificent architecture crumbling and overtaken by nature Vines and moss creep over ancient stone reclaiming what was once theirs while the wind whispers through empty corridors carrying with it the memories of a forgotten age The castles that once housed mighty lords and ladies are now little more than hollow shells their walls cracked and broken their halls echoing with the ghosts of the past Some are said to be haunted the restless spirits of those who perished in the curse bound cataclysm unable to find peace These spectral figures wander the halls their lamentations a constant reminder of the tragedy that befell Eryndor Beyond the cities and castles the wilderness of Eryndor has grown wild and untamed The forests once filled with life and vibrant colors are now dark and foreboding Towering trees with gnarled branches stretch towards the sky like skeletal fingers their leaves a sickly shade of brown The ground is covered in a thick layer of dead leaves and the air is heavy with the

scent of decay In these haunted woods strange creatures roam twisted nightmarish beings born of the curse as well as the spirits of the dead forever trapped between worlds Rivers and lakes once sparkling with clear fresh water have turned stagnant and brackish The waters now carry a deep unnatural hue and strange shapes can be seen moving beneath the surface Some say that the curse has given life to creatures of the deep ancient beings that should have remained buried and forgotten The people of Eryndor those who still survive are a shadow of their former selves They eke out a meager existence in the remnants of their once great civilization struggling to survive in a world that seems to have turned against them They speak in hushed tones of the curse of the ancient wrong that brought it upon them but few know the full truth Fear and superstition have taken root and trust is a rare commodity Many have turned to dark rituals and forbidden magic in a desperate attempt to lift the curse but these efforts have only deepened the realm's descent into darkness Eryndor is a world where hope is a fragile thing easily crushed under the weight of despair Yet there are still those who fight against the darkness small bands of adventurers scholars and warriors who seek to unravel the mysteries of the curse and restore Eryndor to its former glory They venture into the deepest most dangerous parts of the land facing the horrors that lurk there in search of answers But time is running out and the curse grows stronger with each passing day threatening to consume everything in its path
