Crusades Death penalty Capital punishment Right of the Sword Earth is flat Emperor Constantine Early Vegetarian Christians Fire God is White Conclusion For nearly two millennia Christianity has been compulsory its will mandated upon their unsuspecting victims taunting them persecuting them imprisoning them torturing them and if need be murdering them Few records survive regarding the true history of Christianity that are not written by dogmatic Christian writers almost all historical documents manuscripts and scrolls disagreeing with Christian interpretations of Scripture having been lost or destroyed The First Crusade after a rough beginning the Beggars Crusade 1095 1099 is composed of thieves and beggars finally managed to capture Jerusalem and much else beside setting up a series of Crusader states to protect their gains These managed pretty well until 1144 when the counterattacking Muslims took a couple of important Christian strongholds Many Franks had been sent on the crusade as penance for atrocious offenses such as rape and murder and reverted to their unpleasant habits Pilgrims were a natural prey though one of the principal objects of the crusade had been to make the Holy Places safe for them The Monks of War D Seward p 33 Today the Vatican in all its glory in all its magnificence in all its entire splendor stands as a tribute to the overwhelming magnitude of the crimes of the Church in its quest for world dominance Its history veiled in religious platitudes to appease the ignorant masses that often know little or nothing of the heinous crimes committed in the name of Jesus Christ their God and Savior
