The Alpha Of My Eye Blessilda Cheong, 2013-11-26 Have you ever wished That you had the last laugh Because that was what Katherine Rose Claw wanted She wanted the last laugh between her battles with fate but the thing is You do not win against fate nobody does Katherine Claw has been torn between love and fate between two brothers only because fate does not want to be crossed But what happens when you choose love and not fate and ended up with fate having power over love as well what happens when you are supposed to choose Even when you do not want to Katherine has everything a first love a destined mate and a charming warrior but only one heart to give What would you have done Who would you have chosen If fate has not screwed you over four times It is all a matter of fight or fall **The Secrets in My Eyes** Harry James Hamilton, 2016-09-07 Adopted as an infant Harry Hamilton spent the first six years of his life believing himself to be the true son of a proud and loving family with a lineage of which any young boy would be proud But in his seventh year Harry's world was shattered by the mindless words of a grandfather The ensuing revelation that he was adopted began his life long journey of selfdiscovery desperately looking for answers that would tell him who he was connect him in a meaningful way to anyone or anything outside of himself and finally allow him to recognize the person looking back at him in the mirror With deeply ingrained feelings of inferiority and isolation made steadily worse by setbacks and abuse Harry spends his life battling mental illness from guilt shame and a lack of self esteem Manifesting early as childhood obesity this burden follows him like a shadow his whole life When he finally gets the answers he's looking for he realizes that unearthing the past does not necessarily resolve the present it simply strengthens its foundations Harry's story is a chronicle of helpful information about physical health in general and the numerous and dangerous consequences of obesity and the ways and means to beat the disease once and for all Luckily sometimes the truth is all you need to change your life The Eye in Us Charles Curtis Blackwell, 2023-08-10 The Eye in US harkens back to the days before gentrification where the characteristics of the predominately Black population in Washington DC seasoned the flavor of the city The Eye in US provides multifarious perspectives on life through the lives of the Blind family who are entangled by the culture humanity and misadventures of the nation's capital Like in the tale of Buffus of the Blind family a Washington DC resident who back in 1952 took a notion to shine coins for the United States Treasury Department There is the tale of Sendus an ex baseball player turned bus driver in our nation's capital Now he's using his strength of will to be on the job every day making a living despite his crushed dreams Markus and Candus are working the streets of DC keeping themselves fierce as they face the hustle and the story of Minus a postal carrier walking the streets trying to stave off the hassles The tales are tongue in cheek irreverent raw reality which gives a glimpse of US Cirrius Primus Uwinus and those others who take on their own lot in life and make due The Eye in US
